

Gallagher ICHRA: Health Benefits Made Simple

Affordable, flexible health benefits designed for small businesses. Set a pre-tax allowance, and your team selects the plan that fits their needs.

How our ICHRA Works

It's that simple: four steps to launch health benefits

Frequently Asked Questions

How much does Gallagher ICHRA cost?

Pay just \$25/month per participating employee and \$100/month platform fee.

Does your platform run payments through payroll?

No. Payments move directly from your business bank account to your employees' bank accounts.

What types of health plans will be offered to my employees?

Employees typically have access to more than a dozen off- and on-exchange health insurance options from 5-6 national and local carriers.
