ROTOMAT™ Activity A1.
Equal Angles

Make your Rotomat look the same as the drawing.

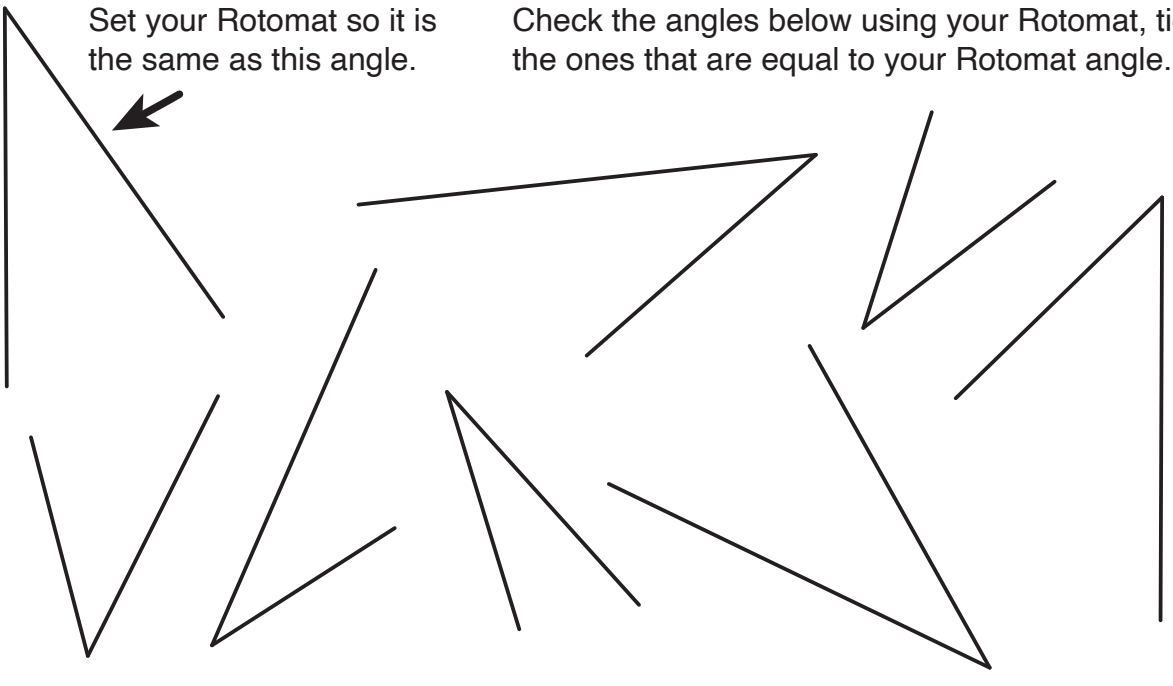

It should now match the three angles shown below.

Check to see.

Set your Rotomat so it is the same as this angle.

Check the angles below using your Rotomat, tick the ones that are equal to your Rotomat angle.

Adapted from Giles, G (1979). Activity 1 What are equal angles? In ROTOGRAM Worcard series. Stirling UK, Development of Ideas in Mathematical Education (DIME Projects).
