

STANDARD PURCHASE TERMS AND CONDITIONS

1. **AGREEMENT.** This purchase order ("PO"), plus documents referenced herein, if any, will constitute the entire agreement between Supplier and NCR with respect to the subject matter of this PO, superseding all other agreements or understandings of the parties with respect thereto except that if a master agreement covering the procurement of Products exists between the parties, the terms of that agreement will prevail over any inconsistent terms herein. NCR will be bound by this Purchase Order Agreement ("PO") when Supplier executes and returns an unmodified acknowledgment copy to NCR. Supplier will be bound by this PO when Supplier executes and returns the acknowledgment copy, or begins work on the Product(s), or ships or otherwise provides any of the Product(s) ordered under this PO. No agreement to modify this PO, nor add additional or different terms or prior offers by Supplier, will be binding on NCR unless agreed to in a writing signed by NCR. The invalidity in whole or in part of any provision hereof will not affect the validity of any other provision. The term "Product(s)" may include goods, services, hardware, software, parts, components, supplies, or any combination of these. Estimates or forecasts furnished by NCR will not constitute commitments to purchase. No failure by either party to insist upon strict compliance by the other party with any of the terms, provisions, or conditions of this PO, in any instance, will be construed as a waiver or relinquishment by such party of its right to insist upon strict compliance thereafter.

2. **PRICES, CHANGES, CHARGES.** Prices are payable by NCR 60 days after delivery the Product(s) and receipt by NCR of a correct invoice unless a shorter payment period is required by Applicable Law or if the parties have agreed on a different payment period as indicated on page one of this PO. Any price reduction made by Supplier for a Product will be applied to the price of the Products on all POs placed by NCR for such Product for which the Product has not been delivered. Supplier represents that the prices charged under this PO are as good as or better than the best terms offered by Supplier to any commercial customer who has purchased the same or comparable products under similar (not exact) conditions and in similar (not exact) quantities. NCR reserves the right at any time to make changes to the specifications to which the Products are to conform, in the methods of shipment or packaging, or in the time or place of delivery. No charges will apply against NCR for taxes, import duties, transportation, packaging, packing, returnable containers, documentation, or media unless otherwise agreed. All sales, use, excise, or similar taxes to be paid by NCR must be itemized separately on invoices. Any payment made by NCR, including the final payment, will not prevent NCR from recovering any amount over-paid or wrongfully paid however such payments may have arisen including but not limited to amounts paid to Supplier by mistake of fact or law. NCR may deduct any amounts payable to Supplier under this PO from any monies which are due or which may become due to Supplier or may be recovered as a debt.
