

STANDARD PURCHASE TERMS AND CONDITIONS

1. **AGREEMENT** NCR will be bound by this Purchase Order Agreement (PO) when Supplier executes and returns an unamended acknowledgment copy to NCR. Supplier will be bound by this PO when Supplier executes and returns the acknowledgment copy, or begins work on the Product or service(s), or ships any of the Product ordered under this PO. This PO, plus an applicable master agreement between the parties and documents referenced herein, if any, will constitute the entire agreement between Supplier and NCR with respect to the subject matter of this PO, superseding all other agreements or understandings of the parties. No agreement to modify this PO, nor add or differ terms or prior offers by Supplier, will be binding upon NCR unless agreed to in a writing signed by NCR. The invalidity in whole or in part of any other provision hereof will not affect the validity of any other provision. The term "Product(s)" refers to the deliverables covered by this PO, and therefore may include goods, services, hardware, software, parts, components, supplies, or any combination of these. Estimates or forecasts furnished by NCR will not constitute commitments. No failure by either party to insist upon strict compliance by the other party with any of the terms, provisions, or conditions of this PO, in any instance, will be construed as a waiver or relinquishment by either party of the other party's right to insist upon strict compliance thereafter.

2. **PRICES, CHANGES, CHARGES** Prices are payable by NCR 60-days (or unless otherwise agreed in writing and referenced on page one of this PO) after receipt by NCR of both a correct invoice and the goods or services. NCR will not be invoiced at a price higher than last charged or quoted by Supplier for the same Product, unless a higher price is authorized in writing by NCR. No price increases or extra charges, and/or extensions of time, will be binding upon NCR unless authorized in writing by NCR. Any price reduction made by Supplier with respect to the Product ordered, subsequent to the placement of the PO by NCR, and prior to NCR's receipt of the Product, will apply to this PO. Supplier represents that the prices charged under this PO are the lowest prices charged by Supplier to buyers of a class similar to NCR purchasing in quantities and under circumstances comparable to those specified herein. NCR reserves the right at any time to make changes to the specifications to which the Products are to conform, in the methods of shipment or packaging, or in the time or place of delivery. No charges will apply against NCR for changes in import duties, transportation, packaging, packing, returnable containers, documentation, and media unless otherwise agreed. All sales, use, excise, or similar taxes to be paid by NCR must be itemized separately hereon and on invoices. Any payment made by NCR hereunder, including the final payment, will not prevent NCR from recovering any amount over-paid or wrongfully paid however such payments may have arisen including but not limited to those paid to Supplier by mistake of fact or law. NCR may deduct any amounts payable to Supplier under this clause from any monies in NCR's possession which are due or which may become due to Supplier or may be recovered as a debt.

3. **TITLE & RISK OF LOSS.** Title, risk of loss and damage will pass from Supplier to NCR upon delivery by Supplier to NCR's selected common carrier or, if the carrier is paid by Supplier, when delivered to NCR's representative at the applicable delivery point in accordance with the terms of this PO. Passing of property will not prejudice NCR's right to reject Product as set out herein.

4. **SPECIFICATIONS & INSPECTIONS** Products will comply with the information and specifications submitted to Supplier by NCR, including but not limited to markings, labels, warnings, patterns, samples, drawing functionality and operating environment requirements. Products will at all times be subject to inspection and test by NCR, and NCR may reject Products which do not conform to the specifications. If rejected after delivery, rejected Products will be returned to Supplier at Supplier's risk and expense. If services are rejected Supplier will perform such work as necessary to provide the services required. Payment for any Product will not constitute acceptance thereof, and if any Product is rejected after payment, NCR will be entitled to return the same for full refund or, in the case of services, to reject the work and receive restitution. These buyer's remedies are in addition to any remedies available at law. No substitutions of materials or accessories may be made without NCR's written approval. Shipments must be packaged according to specifications, and otherwise so as to permit efficient handling, provide adequate protection, and comply with requirements of carrier. Damage resulting from improper packaging will be charged to Supplier.

These warranties will be in addition to any warranties of broader scope and service warranties and guarantees of Supplier, will survive inspection, test, acceptance, and payment, and will run to NCR, its successors, assigns, and customers.
