

STANDARD PURCHASE

1. **AGREEMENT.** This purchase order agreement ("PO"), plus documents referenced herein (if any), constitutes the entire agreement between Supplier and NCR Atleos with respect to the subject matter of this PO, superseding all other agreements or understandings of the parties with respect thereto except that, if a written agreement signed by both Supplier and NCR Atleos and covering the procurement of Products exists, then the terms of that agreement will prevail over any inconsistent terms herein. NCR Atleos will be bound by this PO when Supplier executes and returns an undated acknowledgment copy to NCR Atleos. Supplier will be bound by this PO when Supplier executes and returns the acknowledgment copy, or begins work on the Product(s), or ships or otherwise provides any of the Product(s) ordered under this PO. No agreement to modify this PO, nor any additional or different terms or prior offers by Supplier, will be binding on NCR Atleos unless agreed in a writing signed by NCR Atleos. The invalidity in whole or in part of any provision hereof will not affect the validity of any other provision. The term "Product(s)" means and includes any and all goods, services, hardware, software, parts, components, and supplies, or any combination of these, provided by Supplier to NCR Atleos hereunder. Estimates or forecasts furnished by NCR Atleos do not constitute commitments to purchase. No failure by either party to insist upon strict compliance by the other party with any term, provision, or condition of this PO, in any instance, will be construed as a waiver or relinquishment by such party of its right to insist upon strict compliance thereafter.

2. **CHARGES, PAYMENT.** Charges are payable by NCR Atleos 90 days after delivery the Product(s) and receipt by NCR Atleos of a correct invoice, unless a shorter payment period is required by Applicable Law or if the parties have agreed on a different payment period as indicated on page one of this PO. Supplier will not invoice NCR Atleos at a price higher than last charged or quoted by Supplier for the same Product unless a higher price is authorized in writing by NCR Atleos. Any price reduction made by Supplier for a Product will be applied to the price of the Products on all POs placed by NCR Atleos for such Product for which the Product has not been delivered. Supplier represents that the prices charged under this PO are as good as or better than the best terms offered by Supplier to any commercial customer that has purchased the same or comparable products under similar (not exact) conditions and in similar (not exact) quantities. NCR Atleos may at any time make changes to the specifications to which the Products are to conform, in the methods of shipment or packaging, or in the time or place of delivery. No charges will apply against NCR Atleos for taxes, import duties, transportation, packaging, packing, returnable containers, documentation, or media, unless otherwise agreed. All sales, use, excise, or similar taxes to be paid by NCR Atleos must be itemized separately on invoices. NCR Atleos will not accept any invoice submitted more than 6 months after delivery of the Product(s), and is not obligated to pay for any Product(s) for which an initial invoice is resubmitted by Supplier more than 6 months after such date. Any payment made by NCR Atleos, including final payment, will not prevent NCR Atleos from recovering any amount over-paid or wrongfully paid however such payments may have arisen, including but not limited to amounts paid to Supplier by mistake of fact or law. NCR Atleos may deduct any amounts payable to Supplier under this PO from any monies which are due or which may become due to Supplier or may be recovered as a debt.

3. **TITLE, RISK OF LOSS.** For tangible Products, title and risk of loss will pass from Supplier to NCR Atleos upon delivery. Passing of title will not prejudice NCR Atleos's right to reject Products as set out herein.

4. **WARRANTY.** Supplier warrants that: (a) it is free to enter into this PO and has no obligations or requirements under any other agreement contrary to any of the terms and conditions contained herein; (b) hardware will be new and unused on delivery; (c) for a period of 15 months (or longer period as offered by Supplier) after date of receipt by NCR Atleos (i) Products furnished hereunder will be in full conformity with all specifications and ownership applicable documentation, and (ii) hardware will be merchantable and free from defects in material, workmanship and design; (d) software will contain no viruses or harmful code on delivery; and (e) Supplier will employ industry-standard technical practices, skills, care and judgment in its performance of any services pursuant to this PO. NCR Atleos may, at its option, either return for full refund or credit, or require prompt correction, replacement or re-performance of, any defective or nonconforming Products, in addition to any other rights as NCR Atleos may have in law or equity. Return to Supplier of any defective or nonconforming hardware will be made at Supplier's expense. Corrected or replaced Products will be subject to this warranty to the same extent as Products originally delivered under this PO. For Products purchased for resale, Supplier acknowledges that NCR Atleos may make similar warranties to its resellers or end users in reliance upon the warranties in this PO. Supplier will defend, indemnify, and hold NCR Atleos harmless from and against any demand or claim made by any third party (including but not limited to NCR Atleos's resellers and end users) directly or indirectly alleging a Product's failure to comply with the warranties in this PO.

The plan generally will include a process and repair method for deploying and implementing the repair and/or replacement of all affected hardware in the Lot(s) and the estimated time to deploy the fix dependent on the quantity of affected Product. Supplier will be responsible for all costs of implementing the FRO (whether inside or outside of the warranty period), including: (a) replacement parts, materials, sub-assemblies or supplies; (b) technical support labor costs in handling customer calls; (c) on-site service labor in replacing all hardware within the Lot(s); and (d) all packaging, shipping and handling costs to and from the customer and warehouse locations and Supplier's repair facility. In addition to the foregoing, Supplier will, at NCR Atleos's option, appoint a senior level representative to conduct a root cause analysis and cooperate with NCR Atleos in the development of the FRO.
