

**LIFETIME SERIES**

# Lifetime LT 110 Vacuum Cleaner

Cleaner air. Stronger suction. Built to last.

The LT110 replaces disposable shop vacs with durable, industrial-grade power.

“LT” stands for Lifetime — built to last decades, not months.

**STANDARD TOOL KIT**

Everything you need for most clean-up tasks, bundled and ready to go.

Includes EC355 hose, floor tool, wand, crevice tool & pickup tube — all standard 2" fit.

**EC355 Hose**

**2" Wheeled Floor Tool  
and Wand Assembly**

**2" Bulk Pick Up  
Tube**

**2" Aluminum  
Crevice Tool**

**STANDARD POWER, INDUSTRIAL PERFORMANCE**

- Runs on **SINGLE-PHASE POWER** — standard 120V outlet, no special wiring required
- Outperforms typical “big box” vacuums
- Equipped with a **27-GALLON DRUM** and easy-roll wheels, it maintains airflow, even as the hopper fills.
- **TRIPLE FILTRATION** system ensures 99.9% efficiency, even with fine powders.
- Built for **CONTINUOUS DUTY** in demanding industrial settings
- Perfect for environments where air quality matters
