

WINE LIST

A NOTE FROM CRISTIANO, FOOD AND BEVERAGE MANAGER

Every so often a vineyard captures exactly what we look for at Print Hall, and Tolpuddle is one of those rare examples.

Tolpuddle Vineyard in the Coal River Valley of Tasmania has earned its place as one of Australia's most compelling cool climate estates. Established in 1988 and guided by Michael Hill Smith MW and Martin Shaw, the vineyard is known for Chardonnay and Pinot Noir that deliver purity, precision, and an unmistakable sense of site.

The dry, windswept conditions of the Coal River Valley encourage slow, even ripening. Chardonnay from Tolpuddle shows focused citrus, mineral tension, and refined oak, while the Pinot Noir offers lifted red fruits, fine structure, and a savoury line that sets it apart. Vintage after vintage, the vineyard proves why it is regarded as one of the country's benchmark single vineyard producers.

We have been fortunate to secure a small collection of Tolpuddle vintages for our cellar. These releases are produced in modest quantities and are in strong demand nationwide, so having the opportunity to present multiple years side by side is uncommon. This selection gives guests the chance to explore the evolution and nuance of a truly exceptional site.

If you are looking to experience a producer that embodies clarity, detail, and quiet confidence, I encourage you to discover these wines while our allocation remains available.

Warm regards,
Cristiano Fraulini
Food and Beverage Manager, Print Hall
