

INDEPENDENT AUDITOR'S REPORT

To the Members of GSP Crop Science Limited (Formerly known as GSP Crop Science Private Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **GSP Crop Science Limited (Formerly known as GSP Crop Science Private Limited)** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss, including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Director's report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MSKC & Associates LLP

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Standalone Financial Statements.

Other Matter:

- (a) The standalone financial statements of the Company for the year ended March 31, 2024, were audited by another auditor whose report dated July 26, 2024 expressed an unmodified opinion on those statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

MSKC & Associates LLP

(Formerly known as M S K C & Associates)

Chartered Accountants

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2(h)(vi) below on reporting under Rule 11(g).
- (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
- (g) The reservation relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 2(b) above on reporting under Section 143(3)(b) and paragraph 2(h)(vi) below on reporting under Rule 11(g).
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer Note 36 to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented, that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

MSKC & Associates LLP

(Formerly known as M S K C & Associates)

Chartered Accountants

(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, and according to the information and explanations provided to us by the Management in this regard nothing has come to our notice that has caused us to believe that the representations under sub²clause (i) and (ii) of Rule 11(e) as provided under (1) and (2) above, contain any material mis-statement.

v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Companies Act 2013 to the extent it applies to payment of dividend.

The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend. (Refer Note 50 to the standalone financial statements).

vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility, except that no audit trail feature was enabled at the database level in respect of accounting software to log any direct data changes as explained in Note 48 to the standalone financial statements. Further, where enabled, audit trail feature has been operated for all relevant transactions recorded in the accounting software. Also, during the course of our audit, we did not come across any instance of audit trail feature being tampered with in respect of such accounting software. Additionally, the audit trail of prior year(s) has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in respective years.

3. In our opinion, according to information, explanations given to us, the remuneration paid by the Company to its directors is within the limits laid prescribed under Section 197 read with Schedule V of the Act and the rules thereunder.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF GSP CROP SCIENCE LIMITED (FORMERLY KNOWN AS GSP CROP SCIENCE PRIVATE LIMITED)

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

MSKC & Associates LLP

(Formerly known as M S K C & Associates)

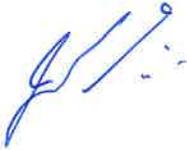

Chartered Accountants

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF GSP CROP SCIENCE LIMITED (FORMERLY KNOWN AS GSP CROP SCIENCE PRIVATE LIMITED) FOR THE YEAR ENDED MARCH 31, 2025.

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

- i. (a) A. The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment, and relevant details of right-of-use assets.
 - B. The Company has maintained proper records showing full particulars of intangible assets.
- (b) Property, Plant and Equipment and right of use assets were physically verified by the management according to a phased programme designed to cover all items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of Property, plant and equipment and right of use assets have been physically verified by Management during the year. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us, the title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in the standalone financial statements are held in the name of the Company. The title deeds of immovable properties aggregating to gross block of Rs. 29.73 millions as at March 31, 2025, are pledged with the banks and are not available/original copies are not available with the Company. The same has been independently confirmed by the bank to us and verified by us.
- (d) According to the information and explanations given to us, the Company has not revalued its property, plant and Equipment (including Right of Use assets) and intangible assets during the year. Accordingly, the provisions stated under clause 3(i)(d) of the Order are not applicable to the Company.
- (e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Accordingly, the provisions stated under clause 3(i)(e) of the Order are not applicable to the Company.
- ii. (a) The inventory (excluding stocks with third parties and stocks-in-transit) has been physically verified by the management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them and in respect of goods in transit, the goods have been received subsequent to the year end. . In our opinion, the frequency, coverage and procedure of such verification is reasonable and appropriate, having regard to the size of the Company and the nature of its operations. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- (b) During any point of time of the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores rupees, in aggregate from Banks and financial institutions, on the basis of security of current assets. Based on the records examined by us in the normal course of audit of the standalone financial statements, quarterly returns / statements filed with such Banks/ financial institutions are in agreement with the books of accounts of the Company. Refer note 20 to the standalone financial statements.

MSKC & Associates LLP

(Formerly known as M S K C & Associates)

Chartered Accountants

- iii. (a) According to the information and explanations provided to us, the Company has provided loans and provided security(ies) to other entities.

- (A) The details of such loans, advances, guarantee or security(ies) to subsidiaries are as follows:

Particulars	Rs. in millions	
	Security	Loans
Aggregate amount granted/provided during the year		
- Subsidiaries	58.07	396.30
Balance Outstanding as at balance sheet date in respect of above cases		
- Subsidiaries	58.07	404.77

- (B) The details of such loans to parties other than Subsidiaries, Joint ventures and Associates are as follows:

Particulars	Rs. in millions
	Loans
Aggregate amount granted/provided during the year	
- Others	1.49
Balance Outstanding as at balance sheet date in respect of above cases	
- Others	202.68

During the year the Company has not stood guarantee to any other entity.

- (b) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the investments made, securities given and terms and conditions in relation to grant of all loans and advances in the nature of loans, investments made and securities given are not prejudicial to the interest of the Company.
- (c) In case of the loans and advances in the nature of loan, schedule of repayment of principal and payment of interest have been stipulated and the borrowers have been regular in the repayment of the principal and payment of interest.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no amounts overdue for more than ninety days in respect of the loans granted to Company or Other Parties.
- (e) According to the information and explanations provided to us, the loans or advances in the nature of loan granted has not fallen due during the year. Accordingly, the provisions stated under clause 3(iii)(e) of the Order are not applicable to the Company.

MSKC & Associates LLP

(Formerly known as M S K C & Associates)

Chartered Accountants

- (f) According to the information and explanations provided to us, the Company has not any granted loans and / or advances in the nature of loans, including to promoters or related parties as defined in clause (76) of section 2 of the Companies Act, 2013 either repayable on demand or without specifying any terms or period of repayment during the year. Accordingly, the requirement to report under clause 3(iii)(f) of the Order is not applicable to the Company.
- iv. According to the information and explanations given to us, there are no loans, guarantees, and security in respect of which provisions of sections 185 of the Companies Act, 2013 are applicable and accordingly, the requirement to report under clause 3(iv) of the Order to that extent is not applicable to the Company. Further, the Company has complied with the provisions of Section 186 of the Companies Act, 2013, in respect of loans, investments, guarantees and security made.
- v. According to the information and explanations given to us, the Company has neither accepted any deposits from the public nor any amounts which are deemed to be deposits, within the meaning of the provisions of Sections 73 to 76 of the Companies Act, 2013 and the rules framed there under. Accordingly, the requirement to report under clause 3(v) of the Order is not applicable to the Company.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Companies Act, 2013 in respect of its products. We have broadly reviewed the same, and are of the opinion that, *prima facie*, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records examined by us, in our opinion, undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess, and other statutory dues have been regularly deposited by the Company with appropriate authorities in all cases during the year. No undisputed amounts payable in respect of these statutory dues were outstanding as at March 31, 2025, for a period of more than six months from the date they became payable.
- (b) According to the information and explanation given to us and examination of records of the Company, details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2025, on account of any dispute, are as follows:

Rs. in millions

Name of the statute	Nature of dues	Amount Demanded	Amount Paid	Period to which the amount relates	Forum where dispute is pending
Gujarat Value Added Tax Act, 2003	Value added tax/ Central sales tax	0.60	0.05	2005-06	Gujarat VAT Tribunal

Total		89.96	7.50		

- viii. According to the information and explanations given to us, there are no transaction which are not recorded in the books of account which have been surrendered or disclosed as income during the year in Income-tax Assessment under the Income Tax Act, 1961. Accordingly, the requirement to report as stated under clause 3(viii) of the Order is not applicable to the Company.
- ix. (a) In our opinion and according to the information and explanations given to us and the records of the Company examined by us, the Company has not defaulted in repayment of loans or borrowings or in payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations provided to us, money raised by way of term loans during the year have been applied for the purpose for which they were raised. Refer Note 20 to the standalone financial statements.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the standalone financial statements of the Company, we report that no funds raised on short-term basis have been utilised for long-term purposes by the Company.

MSKC & Associates LLP

(Formerly known as M S K C & Associates)

Chartered Accountants

- (e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from an any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries. Further, the Company do not have any associate or joint ventures. Accordingly, reporting under clause 3(ix)(f) of the order is not applicable to the Company.
- x. (a) In our opinion and according to the information and explanations given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting requirement under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partly, or optionally convertible) during the year. Accordingly, the requirements to report under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) Based on our examination of the books and records of the Company and according to the information and explanations given to us, we report that no fraud by the Company or no fraud on the Company has been noticed or reported during the year in the course of our audit.
- (b) During the year no report under Section 143(12) of the Act, has been filed by cost auditor/ secretarial auditor or by us in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the Management, there are no whistle-blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company. Accordingly, the provisions stated under clause 3(xii)(a) to (c) of the Order are not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till the date of our audit report, for the period under audit.
- xv. According to the information and explanations given to us, and based on our examination of the records of the Company, in our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, the requirement to report on clause 3(xv) of the Order is not applicable to the Company.

MSKC & Associates LLP

(Formerly known as M S K C & Associates)

Chartered Accountants

- xvi. (a) The Company is not required to be registered under Section 45 IA of the Reserve Bank of India Act, 1934 (2 of 1934) and accordingly, the requirements to report under clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities during the year and accordingly, the provisions stated under clause 3 (xvi)(b) of the Order are not applicable to the Company.
- (c) The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report under clause 3 (xvi)(c) of the Order is not applicable to the Company.
- (d) The Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any Core Investment Company (as part of its group). Accordingly, the requirement to report under clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. Based on the overall review of standalone financial statements, the Company has not incurred cash losses in the current financial year and in the immediately preceding financial year. Accordingly, the requirement to report under clause 3(xvii) of the Order is not applicable to the Company.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios (as disclosed in note 46 to the standalone financial statements), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF GSP CROP SCIENCE LIMITED (FORMERLY KNOWN AS GSP CROP SCIENCE PRIVATE LIMITED)

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of GSP Crop Science Limited (Formerly known as GSP Crop Science Private Limited) on the Financial Statements for the year ended March 31, 2025]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of **GSP Crop Science Limited (Formerly known as GSP Crop Science Private Limited)** ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2025, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI').

Management's and Board of Director's Responsibility for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The

MSKC & Associates LLP

(Formerly known as M S K C & Associates)

Chartered Accountants

procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls With reference to Standalone Financial Statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls With reference to Standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

GSP Crop Science Limited
(Formerly known as 'GSP Crop Science Private Limited')
Notes to the Standalone Financial Statements

1. BACKGROUND OF THE COMPANY

GSP Crop Science Limited (Formerly known as 'GSP Crop Science Private Limited') ("the Company") (Corporate Identification Number CIN U24120GJ1985PLC007641) is a public limited company domiciled in India and was incorporated on February 12, 1985, under the provisions of the Companies Act, 1956 with its registered office in Ahmedabad, Gujarat-380009. The Company is primarily engaged in manufacturing of Agro Chemicals which include Insecticides, Pesticides and Herbicides. The Company caters to both Domestic and International Markets. The Company is having three manufacturing units out of which two are located in Ahmedabad, one is located in Vadodara.

2. STATEMENT OF COMPLIANCE

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amendment from time to time, read with section 133 of Companies Act, 2013 and presentation requirements of Division II of schedule III to the Companies Act, 2013 (as amended)..

3. BASIS OF PREPARATION

(a) Basis of preparation

The Standalone Financial statement of the Company comprises of the Standalone Statement of Assets and Liabilities as at 31st March, 2025, Standalone Statement of Profit and Loss (including Other Comprehensive Income), Standalone Statement of Cash Flows and the Standalone Statement of Changes in Equity for the year ended 31st March, 2025 and the Summary of Material Accounting Policies and other explanatory information (collectively, the "Standalone Financial Statement").

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in accounting policy as mentioned in note no 4

The Standalone Financial Statement are presented in Company's functional currency Indian Rupees "INR" or "Rs." and all values are stated as INR or Rs. millions, except when otherwise indicated.

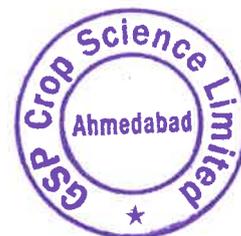

(b) Basis of measurement

These Standalone financial statements have been prepared on going concern basis under the historical cost basis, except for the following items (refer to individual accounting policies for detail):

- Financial instruments - Fair value through profit or loss.
- Financial instruments - Fair value through OCI
- Net defined benefit(asset)/ liability - Fair value of plan assets less present value of defined benefit obligation

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between the market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

GSP Crop Science Limited
(Formerly known as 'GSP Crop Science Private Limited')
Notes to the Standalone Financial Statements

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3 inputs are unobservable inputs for the asset or liability.

(c) Current and Non-current Classification

The Company classifies an asset as current asset when:

- it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle;
- it holds the asset primarily for the purpose of trading;
- it expects to realise the asset within twelve months after the reporting period; or
- the asset is cash or a cash equivalent unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when:

- it expects to settle the liability in its normal operating cycle;
- it holds the liability primarily for the purpose of trading;
- the liability is due to be settled within twelve months after the reporting period; or
- it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. The Company's normal operating cycle is twelve months.

(d) Critical Accounting Judgements, Estimates and Assumptions

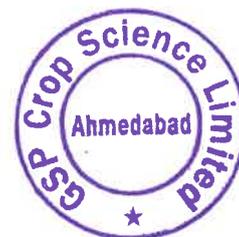

The preparation of financial statements are in conformity with the recognition and measurement principles of Ind AS which requires management to make critical judgments, estimates and assumptions that affect the reporting of assets, liabilities, income and expenditure.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances.

Estimates and underlying assumptions are reviewed on an ongoing basis and any revisions to the estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amount of assets and liabilities within the next financial period, is in respect of:

1. Useful life of property, plant and equipment and intangible assets (refer note no. 4.3)
2. Employee Benefits (refer note no. 4.11)
3. Provision for Returnable Assets, Provisions, Contingent Liabilities and Contingent Assets (refer note no. 4.10 and 4.15)

GSP Crop Science Limited
(Formerly known as 'GSP Crop Science Private Limited')
Notes to the Standalone Financial Statements

4. Taxes on Income (refer note no. 4.14)
5. Leases – Company as a Lessee (refer note no. 4.13)
6. Impairment of Non- Financial Assets (Refer note no. 4.4)

4. MATERIAL ACCOUNTING POLICIES

This note provides a list of material accounting policies adopted in the preparation of these Standalone Financial Statement. These policies have been consistently applied.

4.1 Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition / construction less accumulated depreciation, and accumulated impairment loss (if any). Cost includes all expenses related to acquisition and installation of property, plant & equipment which comprises its purchase price net of any trade discounts and rebates, import duties and other non-refundable taxes or levies and any directly attributable cost on making the asset ready for its intended use.

Machinery spares, which can be used only in connection with an item of property, plant and equipment and whose use is expected to be irregular, are capitalised and depreciated over the useful life of the principal item of the relevant class of assets. Subsequent expenditure on property plant and equipment after its purchase / completion is capitalised only if such expenditure results in an increase in the future economic benefits from such asset beyond its previously assessed standard of performance. All other repair and maintenance of revenue nature are charged to statement of profit and loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit or loss.

Capital Work in Progress:

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost comprises direct cost, related incidental expenses and for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified as the appropriate categories of property, plant and equipment when completed and ready for intended use, and depreciation commences on the same basis.

Advances given towards acquisition and construction of property, plant and equipment outstanding at each balance sheet date are disclosed as capital advance under other non current assets.

4.2 Intangible Assets and Intangible Assets under development:

Intangible assets with finite useful life that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful life. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

An intangible asset is derecognised upon disposal (i.e. at date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arise upon derecognition of assets (calculated as the difference between the net disposal proceeds and the carrying amount of the assets) included in the statement of profit and loss when the assets is derecognised.

GSP Crop Science Limited
(Formerly known as 'GSP Crop Science Private Limited')
Notes to the Standalone Financial Statements

Intangible Assets under development

Research costs are expensed as incurred. Development expenditures on an individual project recognised as an intangible asset when the Company can demonstrate:

- i. The technical feasibility of completing the intangible asset so that the asset will be available for use or sale
- ii. Its intention to complete and its ability and intention to use or sell the asset
- iii. It is probable that future economic benefits will flow to the Company and the Company has control over the asset

Cost of Product Registration generally comprises of costs incurred towards creating product dossiers, fees paid to registration consultants, application fees to the government authorities, data compensation costs, data call-in costs and fees for task-force membership.

In cases where data compensation is being negotiated and is awaiting the finalization of contractual agreements, the cost is initially estimated by management and adjusted to actual amounts once the agreements are concluded.

4.3 Depreciation and amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on property, plant and equipment has been provided on the written down value method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Amortisation:

Intangible assets are amortised over their estimated useful life on straight line method as follows:

Type of Asset	Useful Life
Computer Software	5 Years
Patents	5 Years
Registrations	5 Years

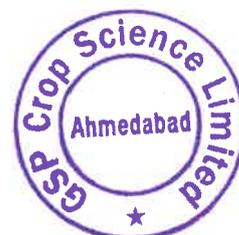

4.4 Impairment of Non-Financial Assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

If the carrying amount of the assets exceeds the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of profit and loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of profit and loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets such reversal is not recognised.

GSP Crop Science Limited
(Formerly known as 'GSP Crop Science Private Limited')
Notes to the Standalone Financial Statements

4.5 Foreign Currency Transactions

Initial Recognition

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at Balance Sheet Date

Foreign currency monetary items of the Company, outstanding at the balance sheet date are at the period end rates. Non-monetary items of the Company are carried at historical cost.

Treatment of Exchange Differences

Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

4.6 Discontinued operations

Non-current assets and disposal Company are classified as held for sale when:

- i) They are available for immediate sale,
- ii) Management is committed to a plan to sell,
- iii) It is unlikely that significant changes to the plan will be made or that the plan will be withdrawn,
- iv) An active program to locate a buyer has been initiated,
- v) The asset or disposal Company is being marketed at a reasonable price in relation to its fair value and
- vi) A sale is expected to complete within 12 months from the date of classification.

Non-current assets and disposal groups classified as held for sale are measured at the lower of:

- i) Their carrying amount immediately prior to being classified as held for sale in accordance with the company's accounting policy; or
- ii) Fair value less costs of disposal.

Following their classification as held for sale, non-current assets (including those in a disposal group) are not depreciated.

The results of operations disposed during the reporting period are included in the Standalone statement of profit and loss up to the date of disposal.

A discontinued operation is a component of the Company's business that represents a separate major line of business or geographical area of operations with a view to sale, that has been disposed of, has been abandoned or that meets the criteria to be classified as held for sale.

Discontinued operations are presented in the Standalone statement of profit and loss as a single line which comprises the post-tax profit or loss of the discontinued operation along with the post-tax gain or loss recognised on the re-measurement to fair value less costs to sell or on disposal of the assets or disposal groups constituting discontinued operations. A detailed note of the assets and liabilities of the disposal group is given in Note - 49 of the Standalone Financial Statement

4.7 Inventories

Raw materials, packing materials, stores, spares and consumables are valued at lower of cost (net of refundable taxes and duties) and net realizable value. The cost of these items of inventory comprises of cost of purchase, transit insurance, receiving charges and other incidental costs incurred to bring the inventories to their present location and condition.

GSP Crop Science Limited
(Formerly known as 'GSP Crop Science Private Limited')
Notes to the Standalone Financial Statements

Work in progress and finished goods are valued at lower of cost and net realizable value. The cost of work in process and finished goods includes the cost of direct material consumed, cost of conversion and other costs incurred to bring the inventories to their present location and condition.

Cost of inventories is determined on "Weighted Average" basis and is net of tax credits and after providing for obsolescence and other losses.

Net realizable value is the contracted selling value reduced by the estimated costs of completion and the estimated costs necessary to make the sales.

4.8 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset for one entity and a financial liability or equity instrument for another entity.

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument.

Financial assets:

Classification

The Company classifies its financial assets in the following measurement categories:

- i) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- ii) those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Initial recognition and measurement

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through Profit and Loss are expensed in the Statement of Profit and Loss.

Subsequent measurement

After initial recognition, financial assets are measured at:

- fair value (either through other comprehensive income or through Profit and Loss), or
- amortized cost

Derecognition of financial assets:

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily derecognized (i.e., removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset

When the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

GSP Crop Science Limited
(Formerly known as 'GSP Crop Science Private Limited')
Notes to the Standalone Financial Statements

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of financial asset, the financial asset is derecognised if the Company has not retained control over the financial asset. Where the Company retains control of the financial asset, the asset continues to be recognized to the extent of continuing involvement in the financial asset.

Impairment of financial assets

At each balance sheet date, the Company assesses whether a financial asset is to be impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Company measures the loss allowance for financial assets at an amount equal to lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition.

If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for financial assets at an amount equal to 12-month expected credit losses. The Company uses both forward-looking and historical information to determine whether a significant increase in credit risk has occurred.

Income recognition

Interest income from financial assets is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

Cash and cash equivalents

Cash and cash equivalents consists of cash on hand, short demand deposits and highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of change in value. Short term means investments with original maturities/holding period of three months or less from the date of investments.

Investments

Investments of Company are in mutual funds. These investments are initially recorded at fair value and classified as fair value through profit or loss.

Trade receivables

Trade receivables are amounts due from customers for the sale of goods or services performed in the ordinary course of business. Trade receivables are initially recognized at their transaction price, which is considered to be its fair value and are classified as current assets as it is expected to be received within the normal operating cycle of the business.

Financial liabilities:

Initial recognition and measurement

Financial liabilities are initially measured at its fair value plus or minus, in the case of a financial liability not at FVTPL, transaction costs that are directly attributable to the issue/origination of the financial liability.

Subsequent measurement

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in the Statement of Profit and Loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are

GSP Crop Science Limited
(Formerly known as 'GSP Crop Science Private Limited')
Notes to the Standalone Financial Statements

recognised in the Statement of Profit and Loss. Any gain or loss on derecognition is also recognised in the Statement of Profit and Loss.

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Derecognition of financial liabilities

Financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognised in profit or loss.

Trade Payables and Acceptances

Trade payables are amounts due to vendors for purchase of goods or services acquired in the ordinary course of business and are classified as current liabilities to the extent it is expected to be paid within the normal operating cycle of the business.

The Company enters into deferred payment arrangements (acceptances) whereby lenders such as banks and other financial institutions make payments to MSME suppliers for purchases made by the Company. The banks and financial institutions are subsequently repaid by the Company at a later date providing working capital benefits. These arrangements are in the nature of credit extended in normal operating cycle and these are recognised as Acceptances. Interest borne by the Company on such arrangements is accounted as finance cost.

Offsetting financial instruments:

Financial assets and liabilities are off-set and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

Equity Share capital

Financial instruments issued by the Company are classified as equity only to the extent that they do not meet the definition of a financial liability or financial asset.

The Company's ordinary shares are classified as equity instruments.

4.9 Derivative financial instruments

The Company enters into derivative financial instruments in form of foreign exchange forward contracts to manage its exposure to foreign exchange rate risks.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is

GSP Crop Science Limited
(Formerly known as 'GSP Crop Science Private Limited')
Notes to the Standalone Financial Statements

recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

4.10 Revenue from contracts with customers

As per Ind AS 115 "Revenue from contracts with customers"- A contract with a customer exists only when the parties to the contract have approved it and are committed to perform their respective obligations, the Company can identify each party's rights regarding the distinct goods or services to be transferred ("performance obligations"), the Company can determine the transaction price for the goods or services to be transferred, the contract has commercial substance and it is probable that the Company will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer. Revenues are recorded in the amount of consideration to which the Company expects to be entitled in exchange for performance obligations upon transfer of control to the customer and is measured at the amount of transaction price allocated to that performance obligation.

The transaction price of goods sold and services rendered is net of estimated incentives, returns, rebates, and applicable trade discounts, allowances, Goods and Services Tax (GST) and amounts collected on behalf of third parties.

Sale of goods

Based on the contractual terms with the customers, revenue from sale of goods is recognised at the point in time when control is transferred to the customer either on dispatch of goods or goods accepted by the customers at their premises.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, rebates, scheme allowances, price concessions, incentives, and returns, if any, as specified in the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government. Accruals for discounts/incentives and returns are estimated (using the most likely method) based on accumulated experience and underlying schemes and agreements with customers. Due to the short nature of credit period given to customers, there is no financing component in the contract.

For contracts that permit the customer to return an item, revenue is recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur.

Therefore, the amount of revenue recognised is adjusted for expected returns. In these circumstances, a refund liability and a right to recover returned goods asset are recognised.

The Company reviews its estimate of expected returns at each reporting date.

The right to recover returned goods asset is measured at the former carrying amount of the inventory. The refund liability is included in other current liabilities and the right to recover returned goods is included in current assets.

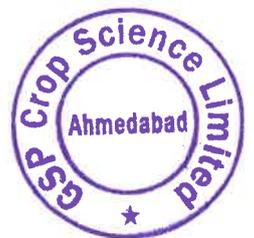

Sale of Services

Revenue from sale of services is recognised at the period of time as per the terms of the contract with customers.

Other Income

Interest income is accrued on a time basis, according to the principal outstanding and at the interest rate applicable.

Other items of income are accounted as and when the right to receive arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

GSP Crop Science Limited
(Formerly known as 'GSP Crop Science Private Limited')
Notes to the Standalone Financial Statements

Export Benefits

Export benefits are accounted for in the period of exports based on eligibility and when there is no uncertainty in receiving the same.

Insurance Claim

Insurance claims are accounted for based on claims admitted and to the extent that there is no uncertainty in receiving the claims.

Contract balances

Contract assets

A Contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

Assets and liabilities arising from returns

Returnable asset

Returnable asset represents the Company's right to recover the goods expected to be returned by customers. The asset is measured at the former carrying amount of the inventory, less any expected costs to recover the goods, including any potential decrease in the value of the returned goods. The Company updates the measurement of the asset recorded for any revisions to its expected level of returns, as well as any additional decrease in the value of the returned products.

Refundable Liabilities

A Refundable Liabilities is the obligation to refund some or all of the consideration received (or receivable) from the customer and is measured at the amount the Company ultimately expects it will have to return to the customer.

The Company updates its estimates of Refundable Liabilities (and the corresponding change in the transaction price) at the end of each reporting period. Refer to above accounting policy on variable consideration.

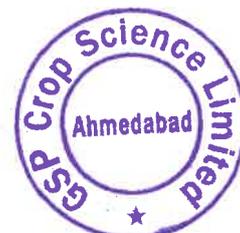

4.11 Employee Benefits

Post Employment Employee Benefits

Retirement benefits to employees comprise payments to government provident funds, gratuity fund, Compensated Absences.

Defined contribution plans

The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and is charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

GSP Crop Science Limited
(Formerly known as 'GSP Crop Science Private Limited')
Notes to the Standalone Financial Statements

Defined benefit plans

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to statement of profit or loss.

Past service cost is recognised in statement of profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Defined benefit costs are categorised as follows:

- a. service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- b. net interest expense or income; and
- c. remeasurement

The Company presents the first two components of defined benefit costs in statement of profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the standalone balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

Other long-term employee benefits

Compensated absences, which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date. The liabilities of earned leaves which are not expected to be settled within 12 months after the end of the period in which the employee render the related service, are measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit cost method based on actuarial valuations.

Short-term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries and other short term employee benefits in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

4.12 Borrowing Costs

Borrowing costs include interest as per the effective interest rate and amortisation of ancillary costs incurred. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of these assets, until such time as the assets are substantially ready for their intended use or sale.

GSP Crop Science Limited
(Formerly known as 'GSP Crop Science Private Limited')
Notes to the Standalone Financial Statements

4.13 Leases – Company as a Lessee

At inception of a contract, the Company assesses whether a contract is or contains a lease. A contract is or contains a lease if the contract conveys the right to control the use of an identified assets for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset the Company assesses whether contract involves the use of an identified asset, the Company has a right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use and the Company has the right to direct the use of the asset.

At the commencement date, right-of-use asset is recognized at cost which includes present value of lease payments adjusted for any payments made on or before the commencement of lease and initial direct cost, if any. It is subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. Right-of-use asset is depreciated using the straight-line method from the commencement date over the earlier of useful life of the asset or the lease term. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognized in the statement of profit and loss.

At the inception date, lease liability is recognised at present value of lease payments that are not made at the commencement of lease. Lease liability is subsequently measured by adjusting the carrying amount to reflect interest, lease payments and remeasurement, if any.

Lease payments are discounted using the incremental borrowing rate or interest rate implicit in the lease if the rate can be determined.

The Company has elected not to apply the requirements of Ind AS 116 to leases that has a term of 12 months or less and leases for which the underlying asset is of low value.

4.14 Taxes on Income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill. The Company offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Current and deferred tax are recognised in statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance taxes paid and income tax provisions arising in the same tax jurisdiction and the Company intends to settle the asset and liability on a net basis year wise.

GSP Crop Science Limited
(Formerly known as 'GSP Crop Science Private Limited')
Notes to the Standalone Financial Statements

4.15 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that may arise from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability is not recognized but its existence is disclosed in the financial statements. Contingent assets are recognised and disclosed only when an inflow of economic benefits is probable in the financial statements.

4.16 Segment Reporting

The Company identifies segments as operating segments whose operating results are regularly reviewed by the Management to make decisions about resources to be allocated to the segment and assess its performance and for which discrete financial information is available.

Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.

4.17 Earnings Per Share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit / loss attributable to ordinary equity holders of the Company by the weighted average number of ordinary shares outstanding during the year adjusted for the weighted average number of ordinary shares that would be issued on conversion of all the dilutive potential ordinary shares into ordinary shares.

The weighted average number of shares classified as equity in nature outstanding is adjusted for events such as bonus issue, share split, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders of the Company and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

4.18 Dividends

Dividends are recognised when they become legally payable. In the case of interim dividends to equity shareholders, this is when declared by the directors. In the case of final dividends, this is when approved by the shareholders at the annual general meeting.

4.19 Statement of Cashflows

Statement of cashflow is prepared as per indirect method prescribed in the Ind AS 7 'Statement of Cash Flows'.

4.20 Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

GSP Crop Science Limited
(Formerly known as 'GSP Crop Science Private Limited')
Notes to the Standalone Financial Statements

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed if material.

5. Recent accounting pronouncements

- Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

i) Ind AS 117 – Insurance contracts

On August 12, 2024, MCA announced the amendments to the Companies (Indian Accounting Standards) Rules, 2015, applicable from August 12, 2024, as below:

The amendment outlines scenarios where Ind AS 117 does not apply. These include warranties from manufacturers, dealers, or retailers related to goods or services and employer obligations from employee benefit plans. It also excludes retirement benefit obligations from defined benefit plans and contractual rights or obligations tied to future use of non-financial items, such as certain license fees and variable lease payments.

However, the Company is not engaged in insurance contracts, hence do not have any impact on the Standalone Financial Statement.

ii) Accounting for sale and leaseback transaction the books of seller – lessee – Amendments to Ind AS 116

On September 09, 2024, MCA announced the amendments to the Companies (Indian Accounting Standards) Rules, 2015, applicable from September 09, 2024, as below:

The amendment require seller-lessee shall determine 'lease payments' or 'revised lease payments' in a way that the seller-lessee would not recognise any amount of the gain or loss that relates to the right of use retained by the seller-lessee. These rules aim to streamline accounting processes and ensure compliance with the updated Ind AS requirements. However, the Company is not engaged in sale and lease back transactions, hence do not have any impact on the Standalone Financial Statements.

- New standards and amendments issued but not effective:

There is no such standards which one notified but not effective.

GSP CROP SCIENCE LIMITED (Formerly known as GSP CROP SCIENCE PRIVATE LIMITED)

CIN: U24120GJ1985PLC007641

Notes to the Standalone Financial Statements

(d) The Company has one class of equity shares having a par value of Rs.10 per share. Each holder of equity share is entitled to one vote per share held. The dividend if any proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts if any, in proportion to their shareholding.

(e) Mr. Vrajmohan Ramanlal Shah - Shareholder of the Company expired on 13th February, 2022. His shareholding is claimed by legal heir (Mrs. Vilasben Vrajmohan Shah) dated September 20, 2024 and accordingly 5,861,250 shares have been transmitted to her after completing all the formalities as per Companies Act and Depositories Regulations

(f) Bonus Shares and Shares issued for Consideration other than cash:

- The Shareholders of the Company, at their Extra-Ordinary General Meeting held on June 27, 2024, had approved the sub-division of the face value from Rs. 100/- to Rs. 10/- per share. The record date for the said sub-division was July 26, 2024.

- The Company has issued bonus shares but not issued shares for consideration other than cash during the reporting period.

-The Shareholders of the Company meeting held on August 24, 2024, had approved and allotted 13,006,250 equity shares in ratio of 1 shares for every 2 shares held for a face value of Rs. 10/- (Rupees Ten only) each by way of bonus issue aggregating to Rs. 130.06 millions fully paid up, to the existing equity shareholders of the Company or to the beneficial owners in the same proportion of their equity shares holding in the Company. The record date for the said Bonus issue was August 23, 2024.

(g) The Board of Directors of the Company, at its meeting held on 14th February, 2024 and vide approval of the Members of the Company by way of Special Resolution passed on 23rd February, 2024 approved buyback of upto 160,000 (One Lakh Sixty Thousand) fully paid-up Equity Shares of face value of Rs. 100/- (Rupees Hundred only) each (representing 5.82% of the total number of fully paid-up Equity Share Capital of the Company) on a proportionate basis, through the 'Tender Offer' route in accordance with the Companies Act, 2013 ('the Act') and rules made thereunder, at a price of Rs. 3,431/- (Rupees Three Thousand Four Hundred Thirty One only) per Equity Share, payable in cash for an aggregate consideration not exceeding Rs. 548,960,000/ (Rupees Fifty Four Crore Eighty Nine Lakh Sixty Thousand only), being 13.67% of the aggregate of paid-up capital and free reserves of the Company, as per unaudited interim condensed special purpose standalone financial statements of the Company as on 31st December, 2023 (within 25% of the aggregate of paid-up capital and free reserves of the Company as on 31st December, 2023). Pursuant to the above 146,753 number of shares were tendered by the share holder for Buyback.

Nature and Purpose of Reserves

Capital Redemption Reserve - Capital Redemption Reserve is created for redemption of equity shares from its retained earnings. The amount in Capital Redemption Reserve is equal to nominal amount of the equity shares redeemed. Company has utilised Capital Redemption Reserve for issuance of bonus shares.

General Reserve - General Reserve is a free reserve created by the Company by transfer from Retained earnings for appropriation purposes.

Retained earnings - Retained earnings are the profits/(loss) that the Company has earned/incurred till date, less any transfers to general reserve, dividends or other distributions paid to shareholders. Retained earnings include re-measurement loss / (gain) on defined benefit plans, net of taxes that will not be reclassified to Statement of Profit and Loss.

Less: Benefits paid during the year	3.68	3.55
Closing balance	18.40	12.68

The Company has a policy on leave encashment which are both accumulating and non-accumulating in nature. The expected cost of accumulating leave encashment is determined by actuarial valuation performed by an independent actuary at each Balance Sheet date using projected unit credit method on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the Balance Sheet date. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

(ii) Provision for Sales Return

The Company, as a trade practice, accepts returns from market. Provision is made for such returns on the basis of historical experience, market conditions and specific contractual terms. At the time of recognising provision for sales return expected reimbursement towards likely sales return is also recognised, which is included in other current assets for the products expected to be returned.

Basic and Diluted EPS (Rs./Share)	19.55	11.17

*Subsequent to March 31, 2024, the face value of equity shares of INR 100 each was reduced to INR 10 each. Accordingly, 26,01,250 equity shares of INR 100 each of the Company were sub-divided into 2,60,12,500 equity shares of INR 10 each (the "Split").

Further, the Company issued 1,30,06,250 bonus equity shares on August 24, 2024 and the same were allotted via Board meeting held on August 27, 2024 (the "Bonus issues"), pursuant to which the issued, paid-up and subscribed share capital of the Company stands at INR 39,01,87,500 consisting of 3,90,18,750 equity shares of face value of INR 10 each.

As required under Ind AS 33 "Earnings per share" the effect of such Split and Bonus issues has been adjusted retrospectively for all the periods presented.

34 As per Ind AS 19 "Employee benefits", the disclosures as defined in the Accounting Standard are given below:

Defined Contribution Plans

The Company operates defined contribution retirement benefit plans for all qualifying employees in the form of Provident Fund & Employee State Insurance Scheme.

Contribution to Defined Contribution Plans, recognised as expense for the year is as under:

(Amount in Rs. millions)

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Employer's Contribution to Provident Fund	19.90	18.40
Employer's Contribution to Employee State Insurance Scheme	1.24	1.51

Compensated absences and earned leaves

The Company's current policy permits eligible employees to accumulate compensated absences up to a prescribed limit and receive cash in lieu thereof in accordance with the terms of the policy.

Defined Benefit Plans

The Company operates a defined benefit plan in form of gratuity plan covering eligible employees, which provide a lump sum payment to employees at

retirement, death, incapacitation or termination of employment, of an amount based on the respective employees' salary and the tenure of employment.

These plans typically expose the company to actuarial risks such as investment risk, interest rate risk, longevity risk and salary risk.

Investment risk

The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. For defined benefit plans, the discount rate is determined by reference to market yields at the end of the reporting period on high quality corporate bonds when there is a deep market for such bonds; if the return on planned asset is below this rate, it will create a plan deficit.

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's investments.

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan liability.

In respect of the plan, the most recent actuarial valuation of the present value of the defined benefit obligation was carried out as at March 31, 2025. The

present value of the defined benefit obligation, the related current service cost and past service cost, were measured using the projected unit credit method.

The amounts recognized in the Company's financial statements as at the year end are as under:

(Amount in Rs. millions)

Particulars	Gratuity (Funded)	
	For the Year ended March 31, 2025	For the year ended March 31, 2024

h. Other Details:		
Gratuity is payable at the rate of 15 days salary for each year of service		
Salary escalation is considered as advised by the Company which is in line with the industry practice considering promotion and demand and supply of the employees.		
i. Experience Adjustment		
Actuarial (Gains)/Losses on Obligations - Due to Experience	4.84	1.83
j. Projected Contribution for next year	22.23	14.52
k. Sensitivity analysis for each significant actuarial assumption		
The significant actuarial assumptions for the determination of the defined benefit obligations are discount rate, expected salary increase and employee turnover. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.		
Projected Benefit obligation on current assumption	77.30	56.25
Delta Impact of increase in discount rate by 1%	(3.68)	(2.80)
Delta Impact of decrease in discount rate by 1%	4.07	3.11
Delta Impact of increase in salary escalation rate by 1%	3.68	3.02
Delta Impact of decrease in salary escalation rate by 1%	(3.40)	(2.79)
Delta Impact of increase in rate of employee turnover by 1%	(0.41)	0.32
Delta Impact of decrease in rate of employee turnover by 1%	0.43	(0.36)
The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligations as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.		
Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligations has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.		

GSP CROP SCIENCE LIMITED (Formerly known as GSP CROP SCIENCE PRIVATE LIMITED)

Notes to the Standalone Financial Statements

Financial Instrument by Category

The following table shows the carrying amounts & fair values of financial assets & financial liabilities:

Particulars	(Amount in Rs. millions)	
	As at March 31, 2025	As at March 31, 2024
Financial assets		
Measured at fair value through Profit & Loss		
(a) Units of ICICI Prudential Short Term Fund - Growth Option	72.72	67.29
(b) Units of Aditya Birla Sun Life Banking & PSU Debt Fund Growth Option	-	10.95
Measured at amortized cost		
(a) Cash and bank balances	232.31	390.57
(b) Trade Receivables	3,874.78	3,248.99
(c) Loan	607.45	630.79
(d) Other financial assets	118.21	56.25
Financial liabilities		
Measured at amortised cost		
(a) Borrowings	2,458.26	2,354.35
(b) Lease Liabilities	11.12	11.99
(c) Trade Payables	3,633.02	2,361.65
(d) Others	299.79	261.95

Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities.

Particulars	(Amount in Rs. millions)	
	As at March 31, 2025	As at March 31, 2024
Financial assets		
Measured at fair value through Profit & Loss		
(a) Quoted prices in active markets (Level 1)	72.72	78.24
(b) Significant observable inputs (Level 2)	-	-
(c) Significant unobservable inputs (Level 3)	-	-

There is no Financial Liabilities measured at fair value outstanding as at March 31, 2025.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

There are no transfer between level 1, 2 and 3 during the year.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting year.

Financial risk management objectives

The entity's corporate treasury function provides services to the business, coordinates access to domestic financial market, monitors and manages the financial risks relating to the operations of the entity through internal risk reports which analyse exposures by degree and magnitude of the risk. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

1 Market Risk management

Market risk refers to the possibility that changes in the market rates may have impact on the Company's profits or the value of its holding of financial instruments. The Company is exposed to market risks on account of foreign exchange rates, interest rates and underlying investment prices.

(a) Foreign currency exchange rate risk:

The Company's foreign currency risk arises from its foreign currency transactions. The fluctuation in foreign currency exchange rates may have potential impact on the income statement and equity, where any transaction references more than one currency or where assets/liabilities are denominated in a currency other than the functional currency of the Company.

The carrying amount of Foreign Currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Particulars	Currency	(Amount in Rs. millions)	
		(Liabilities)/Assets	
		As at March 31, 2025	As at March 31, 2024
Trade Payable	USD	(1,249.05)	(881.67)
	USD	11.20	11.27
Cash & Cash equivalents	GBP	0.06	0.05
	AED	0.20	0.19
	CAD	0.01	0.01
	USD	565.69	438.85

Notes to the Standalone Financial Statements

With respect to the Company's financial instruments (as given above), a 5% increase / decrease in relation to foreign currency rate on the underlying would have resulted in increase/decrease of Rs. 33.59 millions (P. Y. Rs. 21.57 million) in the Company's net profit for the year ended March 31, 2025.

(b) Interest rate risk

The Company is exposed to interest rate risk because it borrows funds at both fixed and floating interest rates. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings. The Company's exposures to interest rates on financial assets and financial liabilities are detailed in the liquidity risk management section of this note.

Interest Rate Sensitivity Analysis

The sensitivity analysis below have been determined based on the exposure to interest rates for both derivatives and non-derivative instruments at the end of the reporting period. For floating rate liabilities, a 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rates had been 50 basis points higher/lower and all other variables were held constant, the Company's profit for the period ended March 31, 2025 would decrease/increase by Rs. 11.95 millions (P. Y. Rs. 13.75 million). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowings.

2 Credit risk management

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Financial instruments that are subject to concentrations of credit risk materially consists of trade receivables.

All trade receivables are subject to credit risk exposure. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country, in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through established policies, controls relating to credit approvals and procedures for continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company does not have significant concentration of credit risk related to trade receivables.

Exposure to credit risk:

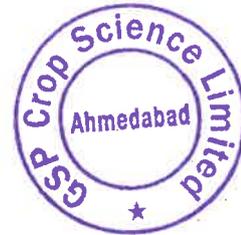

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk is Rs. 5,061.14 millions (P. Y. Rs. 4,405.95 million) as at March 31, 2025, being the total of the carrying amount of balances with banks, bank deposits, trade receivables, other financial assets and investments in subsidiaries company, and these financial assets are of good credit quality including those that are past due.

3 Liquidity risk management:

Ultimate responsibility for liquidity risk management rests with the Board of Directors, which has established an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The table below include only principal cash flows in relation to non-derivative financial liabilities.

Particulars	Carrying Amount	(Amount in Rs. millions)		
		Up to 1 year	1 to 5 years	5 years and above
As at March 31, 2025				
Borrowing	2,458.26	2,143.94	316.15	-

Compensation of key managerial personnel

The remuneration of directors and other members of key managerial personnel during the year was as follows:

Particulars	(Amount in Rs. millions)	
	For the Year ended March 31, 2025	For the year ended March 31, 2024
Short-term employee benefits	65.39	45.38
Post-employment benefits	0.91	0.91
Total	66.30	46.29

The remuneration of directors and key executives is determined by the Board of Directors having regard to the performance of individuals and market trends.

39 Segment Reporting

The Company is primarily engaged in one business segment, namely the agrochemical business, as determined by the chief operating decision maker, in accordance with Ind-AS 108 "Operating Segments". Up to the previous year, the Company disclosed two segments: agrochemical and plasticizers. However, as the Company has decided to discontinue the plasticizer business, it has been classified as discontinued operations. Therefore, there is now only one reportable segment, namely agrochemical.

Considering the inter relationship of various activities of the business, the chief operating decision maker monitors the operating results of its business segment on overall basis. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements.

43 Additional Regulatory Disclosure As per Schedule III Of Companies Act, 2013

Additional Regulatory Information pursuant to Clause 6L of General Instructions for preparation of Balance Sheet as given in Part I of Division II of Schedule III to

the Companies Act, 2013, are given hereunder to the extent relevant and other than those given elsewhere in any other notes to the Financial Statements.

a. The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.

b. The Company has Fund-based and Non-fund-based limits of Working Capital from Banks and Financial institutions. For the said facility, the revised submissions made by the Company to its lead bankers based on closure of books of accounts at the year end, the revised quarterly returns or statements comprising stock statements, book debt statements, credit monitoring arrangement reports, statements on ageing analysis of the debtors/other receivables, and other stipulated financial information filed by the Company with such banks or financial institutions are in agreement with the unaudited books of account of the Company of the respective quarters and no material discrepancies have been observed.

c. The Company has not been declared as a wilful defaulter by any lender who has powers to declare a company as a wilful defaulter at any time during the financial year or after the end of reporting period but before the date when the financial statements are approved.

d. The Company has not entered into any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Company Act, 1956.

e. The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Companies Act 2013 read with Companies (Restrictions on number of Layers) Rules, 2017.

f. The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities(intermediaries), with the understanding that the intermediary shall:

i. Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

ii. Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries

g. The Company has not received any funds from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

i. Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate beneficiaries) or

ii. Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

h. The Company does not have any transactions which is not recorded in the books of accounts but has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

i. The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.

j. Title deeds of all immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the company.

k. The Company has not entered into any scheme of arrangement which has an accounting impact in the current or previous financial year.

l. The borrowings obtained by the company from banks and financial institutions have been applied for the purposes for which such borrowings were taken.

44 Code on Social Security, 2020

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. Certain sections of the Code came into effect on 3 May 2023. However, the final rules/interpretation have not yet been issued. Based on a preliminary assessment, the entity believes the impact of the change will not be significant."

45 Events Occurring After the Reporting Period

There is no material event occurred after reporting period.

46 Ratios

Particular	Numerator	Denominator	As at March 31, 2025	As at March 31, 2024	Variance (in %)	Remarks
Current ratio	Current Assets	Current liabilities	1.26	1.38	-8.38%	
Debt - Equity ratio	Total debt	Shareholder's equity	0.58	0.67	-13.51%

Net capital turnover ratio	Revenue from operation	Working capital	7.67	5.97	28.52%	Due to increase in turnover
Net profit ratio	Net profits after taxes	Revenue from operation	5.37%	3.62%	48.39%	Due to Increase in profit
Return on Capital Employed (ROCE)	Earning before interest and taxes	Capital employed (3)	19.93%	16.04%	24.21%	
Return on Investment(ROI)	Income generated from invested funds	Investment (4)	6.94%	4.34%	59.94%	Due to Increase in return on Mututal fund investment

- i. Net Profit after taxes + Non-cash operating expenses like depreciation and other amortisations + Interest
 ii. Interest + principal repayments
 iii. Capital Employed considered as Total Equity + Total Debt- Intangible Assets - Intangible Assets Under Development.
 iv. Investment in Mutual Fund & Fixed Deposits

[This portion of page is intentionally kept blank]

47 Discontinued Operations

On March 22, 2024 by way of Board Resolution, The Company decided to discontinue its Plasticizer business. Plasticizer Business consisted of manufacturing in the parent company and trading in the then Subsidiary Indo GSP Chemicals Private Limited ("IGCPL").

On March 22, 2024 as a part of a strategic move, during the fiscal year ending March 31, 2024, the Company entered into a Share Purchase Agreement (SPA) with Kappa Trust and Beta Trust (members of the 'promoter group') to sell its entire equity stake in IGCPL. This transaction resulted in a gain of Rs. 38.00 Million in the standalone financial statements in FY 2023-24.

Further as per the terms of the agreement, the Company has discontinued the manufacturing of Plasticizer products in its own name and initiated job work for IGCPL by using the Property, Plant, and Equipment's related to the Plasticizer segment in its normal operations. 48 The Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility, except that audit trail feature was not enabled at the database level in respect of accounting software to log any direct data changes. Further, to the extent enabled, audit trail feature has operated throughout the year for all relevant transactions recorded in the accounting software. Also, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail of prior years has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in previous years.

49 Amount below Rs. 5,000 represented by Rs. 0.00
