

Unlocking the power of your ATM channel with Enhanced Self-Service

The challenge

Consumers have multiple financial products—why limit access?

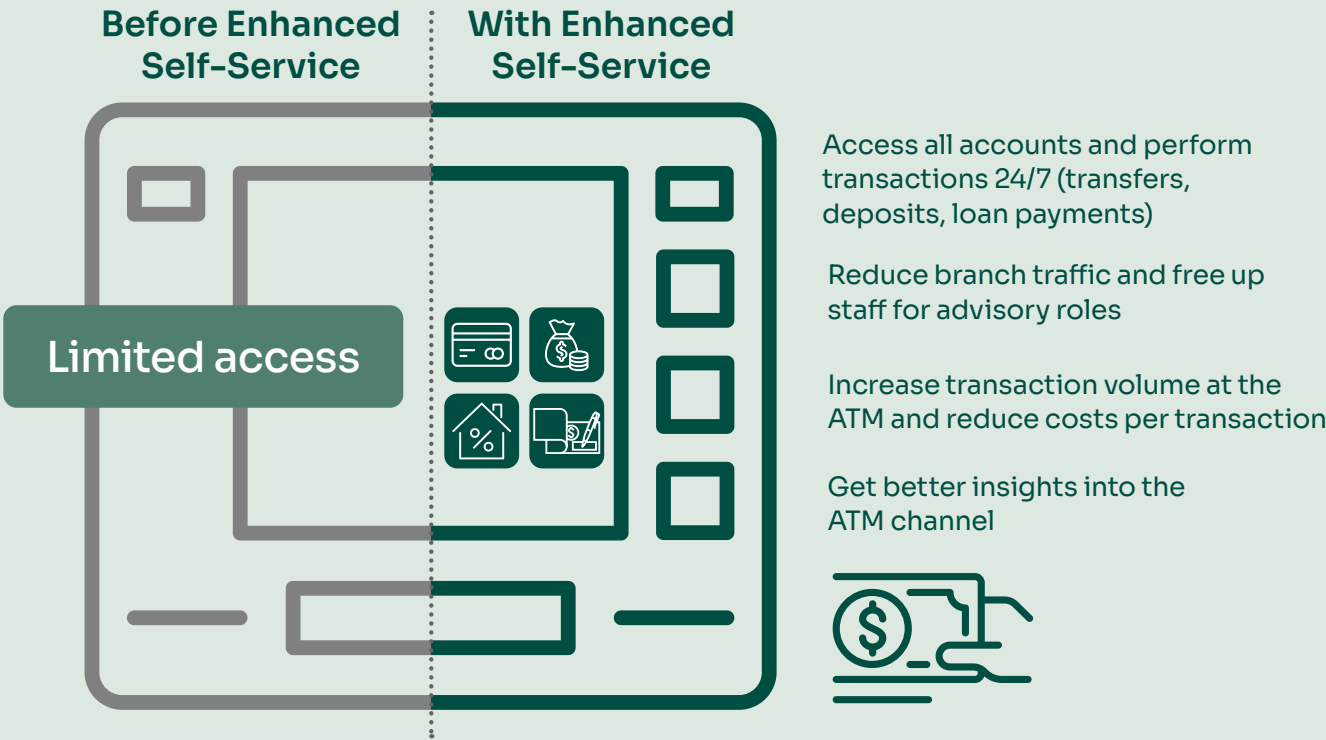

Consumers expect the same level of access at ATMs as they have with digital banking.

Financial institutions want to reduce service costs and improve experience.

The Enhanced Self-Service solution

Enhanced Self-Service brings full-service banking to the self-service channel.

The benefits

Enhanced Self-Service delivers value for everyone

For consumers

- Full account visibility
- Mini statements
- Cash/check deposits
- Account-to-account transfers
- Loan and credit card payments

For financial institutions

- Lower cost to serve
- Transactions moved out of the branch
- Customizable transactions
- Simplified reconciliation
- Enhanced brand reach
