I. INTRODUCTION

Welcome to Kingdom Domain College and Flame of Fire Ministry! We count it a privilege that you would spend this season with us as you prepare for the future. We believe that God has led you here as part of His divine will for you. He has a purpose for your life that is worth preparing for and we trust that this is the time and place to do so. Our desire for you is that you will discover and fulfill everything He has in mind as you grow in your relationship with Him.

This handbook is intended to help you get the most out of your experience here. Although not exhaustive, it addresses some of the most common questions and issues you will face. It will help you understand and take full advantage of the processes designed to assist you to become all God wants you to be during this season of your life. It includes our expectations of you as a student so that you can be clear about important parameters during your time here. It also includes faculty-approved policies designed to foster learning both in and out of the classroom.

Please review this handbook carefully as you are responsible for knowing all the information in it.

These policies and guidelines are in effect throughout the entirety of the school year, including Thanksgiving break, winter break, Easter break, any other breaks, and the summer months for those who plan to continue their education for a second year of KDC.

II. VISION AND VALUES

Flame of Fire Ministry's Mission is Revival: The personal, regional, and global expansion of God's kingdom through His manifest presence.

KDC's mission is to EQUIP and DEPLOY Sons and Daughters who passionately pursue worldwide transformation in their God-given spheres of influence.

Revivalist: (n) A believer who is focused and passionate, willing to pay any price to live in purity and power because they are loved by God and love Him whose manifest presence transforms lives and culture.

The Qualities of Sons and Daughters:

1. A believer who is focused and passionate
2. Willing to pay any price to live in purity and power
3. Loves and carries the presence of God because of their intimacy with (and identity in) the Father, Son, and Holy Spirit

4. Is disciplined and is discipling others
5. Leads with a king's heart and a servant's hand
6. Knows, lives and purposes to grow in the Truth
7. Has deep faith, therefore signs and wonders follow them
8. Loves the lost and Christ's bride, His overcoming Church
9. Having experienced grace - their character is marked by calling, holiness, wholeness, and excellence
10. Ministers and lives in friendship, rightly related to authority and community

Core Values:

1. **We are the Church**; therefore, we are relentless in the pursuit of His presence and power, both inside and outside the church walls.
2. **Jesus Christ is perfect theology**. We are disciples of Jesus, so what He said is the standard. We stand on Him as our foundation.
3. We see problems as **opportunities** to see how big our God is.
4. **Prayer and worship times** (both private and corporate) are foundational to our calling as individuals and as a church.
5. **Training people** for ministry, for life skills, and for leadership is central to our fulfilling of the great commission.
6. The first step of spiritual warfare is taking **every thought captive** to the obedience of Christ. Warfare is not beating up the devil; Jesus already did that. Therefore, we proactively capture thoughts that do not glisten with faith, hope and love.
7. Personal hope (the confident and optimistic expectation of seeing God's goodness) is to be a major pursuit of our lives. We believe there is **hope** for every person and every situation we encounter.
8. The power of life and earth is in the **words that we speak** over ourselves, others, and every aspect of our lives.
9. We **motivate people** through vision, a revelation of God, and the power of God; rather than by guilt, law or condemnation.
10. **Honor brings life**; therefore, we cultivate high levels of respect in all relationships and speak with respect, even if we are in disagreement.
11. The **testimony** of Jesus is the spirit of prophecy; therefore, we place a high value on declaring the great things God has done.
12. **Generosity and gratefulness** are two gateways for us to experience the promises of God in our lives and in our church.
13. We pursue relationships with **spiritual fathers and mothers** and desire them to speak into our lives.
14. We create a culture where **failure is a learning experience**, not an identity, as we seek to walk in higher levels in Christ.
15. We are called to be a blessing for our community and support other **ministries and their leaders**.
16. We believe that those we are ministering to want to serve God and that they will rise to **our belief** in them.

17. Healthy ministry to the church and world must result from a greater emphasis on being healthy in our immediate **family relationships** (especially our marriages).
18. **Integrity**, being an example of Christian living, and having a good reputation are foundational for effective ministry and leadership.
19. God has delegated His **authority** to us to enforce Christ's victory over demons, sickness and lack. Therefore, like Jesus and the apostles, we speak to the mountains, to situations, and to sickness and disease.
20. All that we do must have a "1 Corinthians 13 **Love**" as its foundation, or else it is worthless.
21. **Servanthood** is essential to greatness in God's kingdom. Therefore, we strive to cultivate and demonstrate a true servant's heart in the church and in the world.
22. Because God's kingdom is proactive, we don't wait for things to happen, but we **seek out opportunities for light to shine in darkness**; being empowered by God's love, sensitivity, and wisdom.

III. PHILOSOPHY OF STUDENT GROWTH

A Culture of Love

- We will always aspire to love you and relate to you out of love.
- Jesus said "love your neighbor as yourself". It is important to love yourself, receive God's love, and receive love from others.
- We expect you to keep love at the center of all that you are and do.

Empowering Versus a Controlling Culture

- We foster an empowering culture, intentionally avoiding a controlling one.
- That means we work to call out the destiny in you and empower you to reach your full potential.
- Honor and respect are core values in an empowering culture.
- A controlling culture is motivated externally by fear and punishment.

Ownership

- You will not reach your full potential until you take responsibility for your own growth.
- Performing just to "avoid trouble" means you haven't taken full ownership for your life.
- We will never work harder solving your problems than you do.
- We will solve problems with you - not for you.

Accountability

- We expect you to give an account of your life to your leaders at every stage of your walk.
- Learn to trust others.

Risk

- Faith is spelled R-I-S-K.
- Growth requires taking risks.
- If you never fail, you likely aren't taking enough risks (excluding moral or character failures).
- When leadership asks you to take a risk, we strongly encourage you to accept.

Honor

- Life flows from honor.
- You access added grace when you honor gifts in others.
- Always treat God, leaders, and each other with honor and respect.
- Choose right behavior because you desire to please God, your leaders, and yourself - not out of fear of punishment.

Confrontation

- If we see behavior needing adjustment, we will talk to you about it.
- If a leader does something you think should be addressed, go to them privately first - don't gossip.
- If the private conversation doesn't resolve it, you may then request a mediated discussion with their leader.

Supernatural Power

- You are in a culture that expects supernatural encounters regularly.
- In times when miracles seem delayed, press in through prayer.
- Walking in God's supernatural power will be an expectation - embrace it!

Royalty

- You are children of the King, royalty, not paupers.
- Embrace your identity with the dignity and confidence this truth brings.

Honesty

- We expect honesty, no matter what it costs.
- Trust is built on honesty and integrity.
- Half-truths, cheating, or lying destroys trust - the foundation of good relationships.

Mind of Christ

- As a Christian, you have the mind of Christ.
- We want to teach you how to think, not what to think.
- You are empowered to think deeply and wisely during your time here.

IV. SPIRITUAL LIFE

Recognizing spiritual growth to be the most important key to life success, Kingdom Domain College places a strong emphasis on this area. We seek to provide an atmosphere conducive to spiritual development. The most important area students can grow during their time here is their personal relationship with Jesus Christ. All students are continually encouraged in their own walk with God and much of the program is aimed at equipping a student's spiritual development.

A. Personal Devotional Life

The foundation for all spiritual experience is one's own personal relationship with God. Students are encouraged to develop a daily, meaningful and uniquely personal devotional life. The dynamic, spiritual atmosphere of Kingdom Domain College can make it easy to become dependent on the corporate gatherings of the church and overall program. Students are strongly encouraged to utilize these corporate times to motivate their own private devotional times rather than replace them. Our desire is that students will move forward from this season with a significantly more intimate relationship with God. Though there is no formal system of accountability for this area, faculty and staff are available to students as spiritual coaches to assist them in this pursuit.

B. KDC Spiritual Life

Equally as important as an individual walk with God is a person's ability to function as a team member in unity with other believers in the Body of Christ. Kingdom Domain College provides a variety of organized opportunities to foster spiritual growth:

1. Sessions: Students attend KDC sessions and Flame of Fire Ministry services as scheduled.

2. Tracks: Successful completion of tracks credits is a graduation requirement. These programs are based on the following beliefs:

- a. All Christians should serve others.
- b. God's primary instrument in the world is the local church.
- c. Students often learn best by doing.
- d. Practical application is an essential part of academic education.
- e. Ministry skills are best developed in a purposeful context that includes supervision, mentoring and evaluation.

3. Mission Trips: One of the vital parts of your training as a KDC student will come through required participation in at least one of our mission trips. These trips vary in location and duration each year. There are both national and international opportunities provided as the Lord directs. We offer at least one international trip (price not covered in tuition) depending on circumstances in the world. New international trip locations are added regularly.

All international destinations require a passport for the purpose of travel. All students must apply for or have already obtained and possess a valid passport before finalizing participation in a mission trip with KDC/FFM.

4. Conference Events: Along with orientation week, the retreat, and graduation week activities - participation in any scheduled KDC conference is required (KDC Retreat, Atmosphere for Miracles, Kingdom Domain Conference, etc) *associated costs are not included in tuition payments*

5. Various Outreach Events: Students will take part in organizing and putting on various scheduled outreach events throughout the year. Please refer to the student calendar for all scheduled events - calendar updated regularly.

C. Church Spiritual Life (Flame of Fire Church)

Being a faithfully active participant in a local church is a baseline of the Christian life. We believe that a critical part of student development comes through personal involvement in church life.

- **Practicum:** Students will participate in Practicum: hands-on practice and serving within FFC departments during weekend church services and monthly city services. Students are required to participate during two service days per month (a minimum total of 14 practicum days during the KDC school year). Students are responsible to communicate with the volunteer coordinator to be put on the serving schedule/rotation in order to fulfill their practicum hours. Opportunities to participate in the following areas of ministry will be available to all students:
 - Kingdom Kids: Nursery, Kids class
 - Guest Experience: Cafe host, Connect booth, Greeters
 - Ushers: Attendant in sanctuary, Set Up/Tear down team
 - Specialty Departments (dependent on training and staff approval)
- **Evangelism:** Students are required to participate in Kingdom Messengers street evangelism outings at least once a month (a minimum total of 7 days during the KDC school year).
- **FFC Young Adults Services:** We encourage students to attend Young Adult gatherings (as scheduled per KDC calendar).
- **BEHOLD Worship/Prayers:** We encourage students to attend the Friday evening prayer - which is a regular corporate church prayer service.
- **Conferences & Events:** We encourage students to attend & serve in all Flame of Fire conferences & events as scheduled.

V. ACADEMIC LIFE

A. Certification

KDC students will be automatically registered at the start of each trimester for the following trimester, throughout the entire school calendar year.

Students who successfully complete the 9-month KDC program will receive a certificate of completion from Flame of Fire Ministry. The certificate of completion may count towards some transferable credits to another educational institution: Faith International University.

B. Class Attendance

We believe that regular class attendance is essential to your education, and thus students are expected to attend all classes. Unexcused absences will adversely affect student enrollment status. The faculty has adopted the following attendance policies:

1. After 36 unexcused session absences of a 1st-year student, or 18 unexcused session absences of a 2nd-year student - the enrolled student will not be eligible to receive certificate of completion/graduate KDC. Students are responsible for being aware of their own attendance status at all times.
2. Students will be considered “tardy” if arriving to a class session between 1-7 minutes late. Three total accumulated tardies will be equal to one full absence credit.
3. Students should not leave chapel, class, tracks, or home group before it is dismissed without prior permission from the attendance coordinator. If a student is found to have left class early without prior permission from the attendance coordinator, they may be marked “absent” for that class block.
4. Students should immediately notify the attendance coordinator if they lose their attendance badge. There is a \$10 fee for printing an additional or replacement badge.
5. Each class session will be counted as a credit of attendance (Chapel/block one = 1 credit of attendance, block two = 1 credit of attendance, block three = 1 credit of attendance, block three/LAB/Track = 1 credit of attendance, and home group = 1 credit of attendance).
6. Unexcused absences include: Traveling (vacation - including drive to/from airport), outside employment, general doctor/dental appointments, and counseling appointments. These should be arranged during the students’ own time and not during class periods.
7. If a student is suspended from class for any reason (including academic or behavioral suspension), class days missed will be considered unexcused absences.
8. Excused absences include: serious illness (up to 1 week of classes, doctor’s note

required), a family wedding, a critical illness/death in the immediate family, jury duty, approved conferences/ministry trips, or approved doctor's appointments. If a student needs to be excused from chapel, class, tracks, or home group - they must communicate their request with the attendance coordinator at least a day prior to the absence for it to be approved.

9. When a student has an excused absence, they are responsible for all class content (class assignments, projects, makeup quizzes, etc.) that may have been assigned during their missed class time.

C. Classroom Protocol

The following protocol for our classrooms is designed simply to increase attention and learning:

1. Please be on time and ready to learn by the beginning of the scheduled class period.
2. You may bring water with a secured lid to class but **DO NOT BRING FOOD OR OTHER UNAPPROVED/OPEN-CONTAINER BEVERAGES** of any kind into any classroom. Food may be consumed during break **OUTSIDE** of the lobby and classroom - but do not bring food past the lobby door at any time. If you spill anything, you will be responsible for the clean up.
3. You may use your laptop computer or tablet, but do not use it for any non-class related reason—including texting, calling, social media, games, internet browsing, and entertainment.
4. Please keep your cell phone silenced during all classes and do not use it for any non-class related reason—including texting, calling, social media, games, internet browsing, and entertainment.
5. Appropriate interaction can increase learning in the classroom. However, irrelevant visiting with each other decreases learning. Please stay focused on the topic being discussed and don't carry on side conversations during class. Students that are disruptive during class may be asked to leave and be marked "absent" for that class block.
6. Students are expected to be attentive and participate in class discussions and activities. Please do not sleep or lay/sprawl out on the chairs during class sessions. Students that are inattentive during class may be asked to leave and be marked "absent" for that class block.
7. Do not work on any assignments during class-time that is not pertaining to that class period (unless directed to do so by KDC staff). Any students doing so may be marked "absent" for that class block.
8. Please do not leave the classroom during the class period unless it is a biological emergency. Do not leave class early without prior permission of the attendance coordinator.

D. Coursework and Grading

Please note that each student will need a computer/laptop/smartphone or access to one in order to utilize the student portal website as well as complete all of the required coursework.

1. Academic Honesty

Academic dishonesty is a serious matter as it violates the student's commitment to real learning and destroys academic trust. The following actions are construed as academic dishonesty:

Plagiarism is using the intellectual property of others without proper citation, giving the impression that it is the student's own work. Note that any time you download text from the Internet or any electronic document, you risk committing plagiarism. The following guidelines are given to help you avoid the possibility of plagiarism:

- Do not simply cut and paste portions of downloaded text into your paper; summarize or paraphrase this material first (although either way requires citation). Submission of a paper that is primarily a compilation of the works of others is plagiarism.
- Any work that is submitted must be your own original work, it cannot be done with external assistance (including any form of AI).
- Making minor changes in wording does not make the work your own. No written assignment should quote another source without appropriately documenting that source. If you do record the exact words of your source, enclose them in quotation marks.
- Always cite both the text that is quoted verbatim, as well as the thoughts and ideas of others that you paraphrase.
- Whether your information is from e-mails, online discussion groups, lists, or websites - give proper credit by providing appropriate documentation.
- Submission of the same, or essentially the same, work in more than one course.
- Submission of work completed earlier as "new work", or submission of work as your own which has been significantly edited by another person.
- Allowing another student to use your work for his/her assignment or helping another student in any way to be dishonest.
- Giving or receiving unauthorized test information prior to the exam or using unauthorized sources for answer during an exam.

The consequences for academic dishonesty may range from a failing grade for the assignment or exam, or a loss of course credits, to dismissal from Kingdom Domain College. If an instructor becomes aware of possible academic dishonesty, they will consult with the Director to consider appropriate action.

2. Late Assignment Policy

Just as the instructors' obligation to you is to provide a quality learning experience and timely feedback on all assignments, your obligation is to submit all assignments in the format required and by the date due specified. The faculty has adopted the following late work policies:

- Late book reports will be accepted up to 3 days past due date. After that date, late book reports will no longer be accepted and will receive a 0% grade.

- Quizzes must be submitted the same day that they are assigned. If a quiz is given during a day when a student has an *excused* absence, the quiz will be accepted on the next school day that the student returns. Students will be responsible for initiating their own makeup quiz by reaching out to the Assignments Coordinator. If the quiz is given during a day when a student has an *unexcused* absence, it cannot be made up.
- Late work will be graded after all other on-time work has been graded.
- Students are responsible to communicate with the Assignments Coordinator regarding any absences or conflicts that may affect assignment due dates. All assignments should be submitted by the due date, unless specific arrangements are made in advance with the Assignments Coordinator.

3. Grading

KDC staff is responsible for evaluating the quality of submitted work and assigning grades for classwork and general KDC assignments.

All submitted work will be given a grade based on the following scale:

A - 90%-100%

B - 80%-89%

C - 70%-79%

D - 65%-69%

F - 64% and under

Track leaders are responsible to determine whether or not students pass the assignments that are correlating to Track sessions.

4. Book Reports

Before a student is able to submit a book report, they will be required to pass a pre-report quiz on the book. This is done in order for students to demonstrate that they have read the book and understands its' content. If a student does not pass the quiz the first time, they will be able to retake the quiz for a second time. Once a student has passed the pre-report quiz, they will then be allowed to submit their book report which will then be subject to grading.

All written book reports will be graded based on completion of these 3 requirements:

-minimum of 750 words

-minimum of three paragraphs

-MLA format (this includes: student's name & book title labeled at the top of the first page, 12-point font throughout the body of the report, double spaced format, indentations at the beginning of each new paragraph).

5. Various Assignments & Participation

From time to time, students will have an assignment that correlates to the course we're in. Some examples include, but are not limited to:

-Journal Writes

-Course Quizzes

-Spirit Week Sermons

-Practicum

-Evangelism

- Track Assignments
- Passion Projects (2nd year led, with 1st year support if needed)

6. Grade Disputes

If a student believes that a grade for an assignment was inappropriate, they are directed to discuss the matter with the Assignments Coordinator.

E. Graduation Requirements

A Certificate of Completion will be awarded to students who successfully complete the course set before them in the following areas:

1. **Attendance:** You must receive a passing grade in attendance (no more than 36 unexcused session absences for a 1st-year student, or 18 unexcused session absences for a 2nd-year student) - which includes KDC class block sessions, track sessions, and home group sessions.
2. **Tracks:** You must receive a passing grade in the tracks program (based on promptness, attendance, performance of tasks, attitude, and leadership initiative).
3. **Finances:** All student financial obligations (including tuition, rent, and any other fees) must be paid in full in order to graduate.
4. **Assignments & Participation:** You must receive a passing grade (70%-100%) for the combined total average of all assigned work (including, but not limited to: writing assignments, projects, and quizzes). You must complete the required participation in a minimum of 14 Practicum days and 7 Evangelism days.

IF A STUDENT DOES NOT MEET ALL GRADUATION REQUIREMENTS, THEY WILL NOT RECEIVE A CERTIFICATE OF COMPLETION AND WILL NOT BE ELIGIBLE TO PARTICIPATE IN THE STAGE WALK DURING GRADUATION CEREMONY

F. Course Evaluations

Students are asked to complete Evaluations for guest speakers, teachers, core leaders, mentors, and house environment from time to time. Evaluations will be kept in confidence, and will be done anonymously.

Please note: For all weekly intensives, we will follow a modified schedule (especially for the first one in September).

Approximate Weekly Intensive Schedule:

9:00am – 3:00pm (includes lunch break)

B. Attendance Requirements

Students are expected to be on time to all required KDC and Flame of Fire events. Attendance will be taken at all scheduled events (class sessions, tracks, home groups, practicum, evangelism outings, any required events/conferences, etc.) and subject to the KDC attendance policy (see info in Section “B. Class Attendance” under Chapter “V. ACADEMIC LIFE”).

Students must maintain regular attendance for all KDC and Flame of Fire events as laid out in required weekly and yearly calendars. Students who do not maintain regular attendance may be dismissed from the program.

C. Mentorship

Students will have the voluntary opportunity to be mentored by a Flame of Fire leader. Students will be responsible for finding their own mentor. Should you have pastoral needs or concerns, don't hesitate to reach out to either your mentor or your KDC Core Group Leader.

D. Office Protocol

- **KDC Offices** We purpose to maximize office productivity. KDC offices should only be accessed by appointment or when students have a specific assignment requiring them to be in the offices (Tracks/department projects/etc). Always knock before entering an office.

- **FFM Offices** Students should access FFM offices only if they have a specific assignment that requires them to be in the offices. Please do not loiter in any FFM offices. If you need to meet with one of the ministry office personnel, please schedule an appointment instead of coming by to see if they are available. Please maintain an attitude of professionalism in the offices at all times—loud socializing is not appropriate office protocol.

E. Vehicles & Parking

During class days, students may park in any open spot so long as it is in the front portion of the property. Parking inside the gated area is prohibited.

F. Transportation

Students are responsible to arrange their own transportation for work and KDC related commitments. When requesting transportation from another student or person, always offer to cover fuel costs. Airport runs during class times or other required services are **not considered as excused absences**.

G. Employment

As a Kingdom Domain College student, you are free to pursue part-time employment in order to meet expenses. Due to your commitment to KDC, we recommend limiting your workweek to a maximum of 20 hours (considered part-time work). Your job must not conflict, compete, or interfere with your student responsibilities. While on the job, students should always exemplify a Christian lifestyle of integrity and excellence.

H. Lost & Found

Students are encouraged to keep track of their personal belongings when utilizing different areas of Flame of Fire property. Items left on campus will be placed in the lost and found designated area. Please mark your books and other belongings with your name so you can be contacted if your belongings are found. Each student is responsible for his or her own property. Flame of Fire Ministry/Church and/or Kingdom Domain College will not be held responsible for theft or loss of property.

VII. PERSONAL LIFE

Central to the mission of Kingdom Domain College is the desire to help students grow in character and Christ-likeness. We are not only an academic institution but primarily a Christian community that focuses on leadership development. Our goal is to provide an environment conducive to accelerated growth. Life transformation happens best when both internal and external forces for change are in sync. There must be the “inside-out”

working of the Holy Spirit to bring focus and empowerment for change. When this is active in a person's life then the "outside-in" working of coaching and accountability can be especially effective. In our view, when a student enrolls in Kingdom Domain College, they are enlisting the aid of a spiritual "personal training" program to help their development.

The standards reflected here are derived from Biblical absolutes and principles, Flame of Fire Ministry/KDC values, growth goals, and/or community standards. We believe it is our duty to uphold the standards of Scripture as well as pastor students into reflecting those standards in their lifestyle. We have also found it helpful to develop community standards that enhance quality living in community, reduce distractions from spiritual growth & academic disciplines, assist those wrestling with carnality, and encourage reflection regarding lifestyle choices.

Following are some expectations and standards in which we ask cooperation from all students.

A. Speech and Behavior

The language and behavior of students should reflect a Christian standard and never be vulgar, violent, sexually suggestive, or immoral. Curse words are not acceptable.

B. Personal Purity

Because the Christian lifestyle should be free from all contaminating influences and addictive behaviors, students are expected to abstain from use or possession of pornography or any morally degrading media as well as avoid being in an inappropriate or compromising situation with a member of the opposite sex (ie: one on one in the car, one on one in devotional rooms, one on one in the house/bedrooms).

C. Music & Media

Any music or media in which the lyrics are obscene, hateful or impure should not be played on church premises, in student housing, nor be a part of the Christian lifestyle. Students are asked to use Godly discretion in their choices of movies and entertainment rather than depending on secular rating guides. Avoid media that is vulgar, impure, or offensive, whether it be to you personally or to those who may not understand your participation in it. (EPH 5:3-4; ROM 14:13)

D. Illegal & Mind-Altering Substances

Cigarettes, marijuana, drugs, and any illegal substances may not be consumed during the entire course of the academic year, including breaks. Any student who uses alcohol illegally, smokes (including vaping) or manufactures, distributes, possesses, or uses such substances will face disciplinary action, up to and including immediate dismissal from the program. Students must inform the KDC staff if they are taking any medication that may affect their behavior or performance.

Alcohol and tobacco are strictly prohibited in the student homes, on Flame of Fire Ministry property, and for all KDC sponsored events on or off property (Christmas party, Mission trips, etc). This is based on a community standard of Kingdom Domain College. Though the Bible does not clearly prohibit the consumption of alcohol, it does prohibit drunkenness. There are legal prohibitions of minors consuming alcohol. Our policy reflects the collective wisdom of the

church leadership and KDC faculty that these substances pose very serious social and safety issues.

E. Gambling & Clubs

Avoid any form of gambling, as well as attending dance clubs. Social dancing that is sensual, suggestive or provocative in nature is inconsistent with Christian purity and should be avoided.

F. Dress Code & Personal Appearance

As Christians, the way we present ourselves to others affects the way they perceive Christ, and may affect the impact we have upon them. All staff/students must dress reasonably for the nature of their ministry work, so as to be a good representative of Flame of Fire Ministry/ Kingdom Domain College and reflect standards of modesty and good taste. Clothing such as pajamas, swimming shorts, and swimwear of any kind, short shorts (anything shorter than fingertip length), spaghetti strap/tank tops or crop-tops/halter/midriiffs are examples of attire that is not appropriate on the ministry premises. Extremely tight-fitting, excessively revealing clothing and tops with low necklines are not appropriate. **Any ministry/church leader reserves the right to ask members of staff/students to adjust their personal appearance as is deemed appropriate (including going home to change).

G. Romantic Relationships

Our understanding of romantic relationships is deeply rooted in biblical teachings. As per Genesis 1:27, "God created man in His own image, in the image of God He created him; male and female He created them." This verse underlines the divine intent for two distinct genders - male and female. The uniqueness of this design is further emphasized in Genesis 2:24, "That is why a man leaves his father and mother and is united to his wife, and they become one flesh." It clearly illustrates the union between a man and a woman as part of God's plan. At KDC, we firmly believe in the biblical definition of marriage as a union between a man and a woman.

At times, a romantic relationship developing between young men and women can cause a shift in focus that distracts from that purpose. If it is not kept in balance with their goals, it could tend to preoccupy their thought life, time and hinder their studies. As students leave home and join the tight knit community of like-hearted peers at KDC, this sudden newness can abnormally promote their interest in each other at a time when they do not have the same measure of accountability to their parents and pastors.

Public displays of affection between males and females in KDC/FFM environment (including the classroom setting, KDC homes, church sanctuary building, etc) is strictly prohibited. A public display of affection (PDA) is defined as any act of physical intimacy between a couple that is in view of others. Extended hugging/embrace, kissing, caressing, cuddling, or holding hands in public are some examples of PDA.

Preparation for the call of God is the primary purpose for becoming a student of Kingdom Domain College. Our goal is to cultivate a safe and healthy environment for all students to maximize their KDC experience. As an overall guide, we want to discourage men and women from exclusively spending too much time together and developing premature intimacy. During this short season, each student has the unique opportunity to focus on their spiritual growth and be surrounded by godly relationships that are based on healthy, non-romantic friendships.

Staying focused and distraction free during this season, and maintaining the integrity of this program will provide you with the full benefit of what this program was designed to produce.

H. Dating

A romantic relationship is defined as two people who have a romantic interest or attraction for each other, and who are trying to cultivate their relationship through time, words, and/or actions. Dating is defined as two people (who have a romantic interest or attraction for each other) exclusively spending time together whether alone or with other couples.

We recognize the importance of fostering healthy relationships and personal growth. In the foundational first year at KDC, we strongly encourage students to primarily focus on their academic pursuits and personal development. With this in mind, we have implemented a policy that first-year students are **not permitted** to engage in romantic dating relationships during the full 9-month duration of the KDC year. This policy is designed to allow students to immerse themselves in their studies, adapt to the new environment, and establish strong friendships that can last a lifetime. Furthermore, second-year students and third-year interns are not permitted to pursue romantic dating relationships with first-year students during the full duration of the KDC year.

We understand that this might seem strict, but please know it's with your best interests at heart. This policy aims to ensure that all first-year students have the space and time to navigate this significant transition, develop essential skills, and lay the groundwork for future success. Remember, there will be plenty of opportunities to explore romantic relationships in subsequent years after the course of your first year at KDC. All enrolled KDC students are expected to comply with this policy, otherwise may be subject to disciplinary action.

I. Sexual Immorality

Any KDC student who has any sexual interaction with another person in the program or out of the program may be dismissed from KDC and student housing, and will forfeit any tuition or housing payments/deposits. This includes the duration of the academic year, both on and off campus, along with all breaks. Upon dismissal from the program, involved persons will be offered a path of healing and restoration.

Our heart is not to reject a student who has failed, but to give each one an opportunity to be restored to proper health and healing within the local church. During the restoration process, it is best for the student to focus their attention entirely on the process of healing and restoration instead of continuing the KDC program. Our heart and goal are to challenge the students to live a higher standard than what the world portrays in regard to healthy and pure romantic relationships.

J. Respect for Authority

It is expected that all students will be responsive to those in authority, maintain good attitudes and show respect at all times for all KDC staff, teachers, administrators, house leaders and personnel in charge of a given area of leadership and responsibility. If the student feels a decision or request by someone in authority is not justified, he/she should discuss the matter first with the person directly responsible. If the situation is still not satisfactorily resolved, an appeal can be made to his/her direct authority.

K. Disciplinary Action

The principle of discipline is to associate a consequence with misbehavior to motivate better behavior. It can be an effective tool for change. We utilize this tool as a last resort without any sense of rejection or disdain. We are here to help students change and we intend this process to be surrounded by a positive and friendly atmosphere of genuine concern. Our motivation is part pastoral and part parental, desiring to see students grow in ways that will ensure their future success.

We understand that we have set high standards and we are committed to helping students live up to them. As might be expected, a decision to violate one of these standards may result in some form of disciplinary action. A student's voluntary admission of negative behavior demonstrates a student's integrity and desire for change. In this case, we will work closely with the student to identify the root of negative behavior and towards change.

To reinforce a student's commitment to live within the Kingdom Domain College code of conduct, warnings, probation, or suspension may be given. These are intended as consequences of violations and reminders of the guidelines. In the event that a student fails to meet the standards set forth in this handbook, the Director or his designee will take corrective action, as determined in such person's discretion, in order to maintain the standards and integrity of Kingdom Domain College. While some violations may require immediate dismissal, generally the following steps will be taken:

1. **Verbal Warning** – Any violation of the KDC standards may result in a verbal warning/discussion with a written notice (and staff will add note in student's portal page). Verbal warnings can be issued by KDC staff and instructors, and Flame of Fire Staff & Pastors. Certain violations may merit immediate probation or even dismissal.
2. **Written Warning (with probation period)** – A student may be placed on a probation period with written stipulations, at the discretion of the Director. If the Director or his designee determines that there has been no measurable change or that the student did not take the required steps in the duration of the probation period, the student may be subject to dismissal.
3. **Dismissal** – If student continues the same negative behavior with no changes after the course of step 1 and step 2, they may be dismissed from enrollment at KDC. Dismissal from Kingdom Domain College may be immediate, at the end of the current trimester, or at another time determined by the Director or his designee.

Kingdom Domain College reserves the right to dismiss a student without warning if the violation of the standards warrants it, as determined by the Director.

This is only permitted if the proposed student attends all KDC classes and Flame of Fire services while staying on campus. All other friends and family should secure other accommodations for visits. We ask this out of respect for your roommates and to prevent the residence from becoming a “hotel”. While visiting, guests must observe residence policies. Violation of policy may result in the guest being prohibited from the student residence in the future. Failure to comply to these policies will result in disciplinary action.

*Guests or students of the opposite sex are NOT permitted to stay overnight in student homes.

Curfew Policy

Curfew is 12am Monday-Thursday, and 1am Friday-Sunday. During extended breaks (including Thanksgiving, Christmas, and Easter breaks) curfew may be adjusted or lifted. This will be announced and communicated by the housing staff before each break.

Residents should respect each other's privacy and property rights. It is wrong to enter another student's room or borrow his or her possessions without permission, or to damage the property of a fellow student. Loaning or borrowing money is per your own discretion, KDC staff cannot be held responsible in resolving any matters related to this. Students should use every precaution to safeguard their own personal property. It is the responsibility of the student to secure and lock the home when unattended. In some cases, professional counseling may be mandated. Confidentiality will be maintained to an appropriate extent unless a threat of harm against oneself or another is involved or disclosure is otherwise deemed necessary.

Earthquakes

Sizeable earthquakes are rare in the Sacramento area and are seldom a direct cause of injury or death. However, they can happen and earth movement can cause buildings and other structures to shake, crack or even collapse. Most injuries result from falling objects and debris, splintering glass, fires, and panic. Cooperation is necessary to ensure the safety of all.

In case of an Earthquake:

- Remain as calm as possible.
- If inside, do not run outside. If outside, move away from buildings and structures with broken glass or collapsing debris.
- Move to a safe area in the room - under tables or desks, against inside walls, hallways or supported doorways.

- When shaking stops, leave the building at the exit nearest to you, go to the front lawn area and report to your House Leader.
- Be prepared for aftershocks.
- Closets and storage doors should be opened cautiously.

Evacuation Procedures

In the event of an evacuation situation, the parking lot at the front entrance of the offices is the primary meeting place for all residents.

IF YOU ENCOUNTER SMOKE OR FIRE, IMMEDIATELY:

Leave the building from the nearest safe exit. If you must open a door to access an exit, feel the handle first. If it is warm, do not open. If it is cool, open the door cautiously. Call 911 from the nearest safe area. Give the dispatcher concise information regarding the location of the fire at present. Once you are released by Fire Department personnel, gather with your House Leader and roommates and remain outside until all persons are accounted for and you receive further instructions from Fire Department officials. The Fire Department and their appointed helpers will be the only ones to search the building.

This Student Housing Agreement (this “Agreement”) is made as of the date it is accepted by Kingdom Domain College (the “College”) as set forth below and is by and between the College and the student of Kingdom Domain College who has signed below (the “student”). The College and the student agree as follows:

2. ELIGIBILITY: To be eligible to remain in the student housing under this agreement, the student must be enrolled in and in good standing with the College.

3. RENT: The student agrees to pay to the College for residence in the student housing a monthly rental of \$400 for a shared room. The trimester-ly rent is due by the first day of each trimester.
