## PROGRESSIVE WEB APP INSTRUCTIONS

- A progressive web app is accessed via a browser (like any website) and can be saved to a home screen and opened like an app.  It is fast and responsive, and updates automatically.
- This document explains how to make Te Whata Kura act as an app on your Android or iOS device.

### Android:

1. Visit https://tewhatakura.nz using an internet browser on the device you will use the app on.
2. Click on the 3 vertical dots at the top of the page:

3. Click 'Add to home screen':

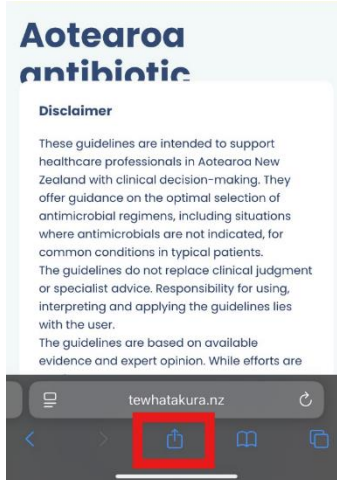

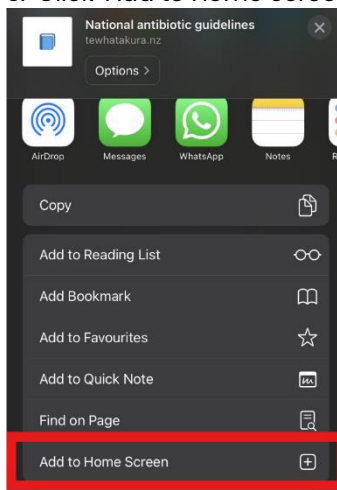

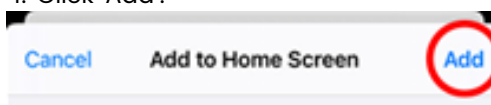

4. The app should now be on your home screen.

### iOS:

1. Visit https://tewhatakura.nz using an internet browser on the device you plan to use the app on.
2. Click on the 'Share' icon at the bottom of the page:

3. Click 'Add to Home Screen':

4. Click 'Add':

5. The app should now be on your home screen.
