Locker Padlock Form

Grades 6-12

Heritage Academy has locks that can be issued by the homeroom teacher for use on each student's locker. However, a very small percentage of students use them. Most students just hang the lock on a hook inside their locker. Each student is responsible for the lock they were issued. Lost locks will result in a replacement fee. With that in mind, the student does not have to be issued a lock.

All parents (grades 6-12) must turn in this form by August 18th.

Student: _____ Grade: _____

_____ Please issue my student a lock for their locker. We understand that they are responsible for it and must return it at the end of the 2025-2026 school year.

_____ Please do not issue my student a lock for their locker. We realize that the School is not responsible for someone getting into the student's locker.
