

Student Shadow Program

Come be an “Eagle” for the day! Shadowing with a student at Heritage Academy will allow your student to meet other students, attend classes, participate in any activities for the day, and much more. Your student will be paired with a student to guide them through the day and answer any questions they may have.

Shadowing: Shadowing may be done in one or two ways:

- They may spend half the day in their current grade and half a day in the grade they will be entering the next school year.
- They may spend the entire day in a single grade, either their current grade or the grade they will be entering.

Shadow days may be scheduled by request, except for days when special events would not make it ideal to shadow. To schedule a Shadow Day, please contact the Registrar at 301-582-2600.

Arrival and Dismissal: On the scheduled shadow day, please bring your child to the school office at 8:30 AM to meet our Registrar, Mrs. Reisberg. Mrs. Reisberg will then set them up with their student host for the day. Parents should leave emergency phone numbers and any important medical information for the day.

Students may be picked up beginning at 3:20 for elementary students and 3:30 for secondary students. You may come into the office to meet your child.

Dress Code: HA students follow a specific dress code. Your child may choose to wear a similar outfit or wear appropriate jeans and a shirt.

Our boys & girls wear khaki or navy pants or knee length shorts (August-Thanksgiving and March 15 till the end of May) and any solid color polo. Sweaters may be solid red, white, or navy blue.

Cell Phones: Heritage does not allow students to have their cell phones during the school day. They are a distraction to education. Your student can either leave their phone with their parents, or they can turn it in at the office or to the homeroom teacher and get it back at dismissal. Should the student need to call the parent, they will be able to do so by coming to the office.

Lunch: Shadow students may purchase lunch along with our students or they may pack a lunch. Please let the office know you would like to order when you schedule your shadow day.
