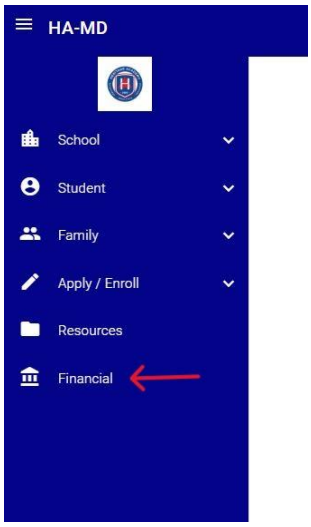
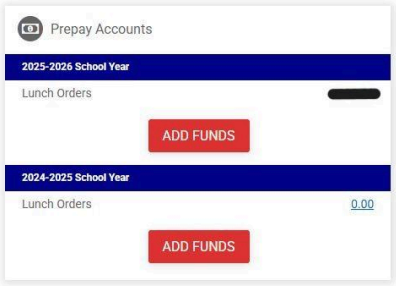
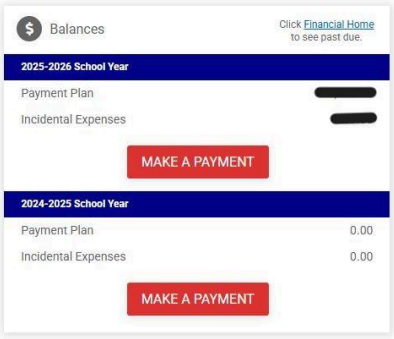
Viewing Account Balances via RenWeb

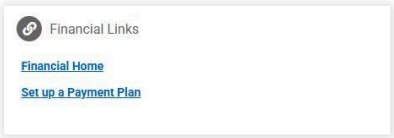
Go to www.FACTSmgt.com. Click Log In Here.
Log into your RenWeb page. The school's district code is HA-MD.
From the option menu on the left side of the screen, select "Financial"



You will now see the "Prepay Accounts" box as well as the "Balances" box. Plus there are links to Financial Home as well as Setting up a payment plan.







To view lunch transactions, click on the funds balance in the top left box. From this screen you can also click on the red boxes for Add Funds or Make a Payment. Once you click on one of the red boxes it will send a verification code to your email/phone (whatever option you originally selected) before allowing you to view more information. Then it will take you into the financial screen where you can select payment methods and more.
