## PARENTS' PLEDGE

We recognize Heritage Academy as a Christian School that seeks to honor Christ in all aspects of the school's programs and operations. We understand that the school desires to partner with parents in raising children in a manner that is honorable to Christ. We pledge to support the school in its efforts to provide guidance, education, and training consistent with Scriptural principles.

In recognition of the varying points of emphasis, Scriptural interpretation, and traditions among the various Christian denominations, we pledge our full cooperation in keeping doctrinal controversy and denominationalism out of the school.

We pledge our loyal support to the school through praying for its personnel and programs and fulfilling our financial obligations in the manner and within the time parameters as indicated by the school.

We pledge to uphold, in our home, on social media, and in other public venues, the school's personnel, policies, and procedures. This includes seeking to resolve problems in accord with Scriptural principles (Matthew 18:15), avoiding gossip and contentiousness (Ephesians 4:31; Proverbs 17:14), being forgiving (Colossians 3:13), and following the proper channel of authority if resolution does not occur at the first level.
