

Greetings from Englewood Florida - Updates for Sea Oats Beach Club

02.20.26

Status of Property: Sea Oats Beach Club remains closed until further notice

BRJ & Permitting Update:

We are **very** excited to share that the requested and required permit information has been successfully submitted to Charlotte County today!

Nick will be visiting the Permitting Department on Monday to confirm receipt and personally discuss the project, with the ultimate goal of helping expedite the review process.

Once the permit is approved, inspections will be promptly scheduled. Following inspection approvals, we will be able to move forward with full momentum on the project, with drywall work anticipated to begin shortly thereafter.

This marks a significant and positive step forward, and we look forward to continued progress in the coming weeks.

We are truly excited about the future and look forward to sharing each achievement as we continue gaining momentum. Every step forward brings us closer to welcoming you back to the beautiful oasis that SOBC represents...a place filled with special memories, relaxation, and the special sense of community we all miss and value!

SEA OATS BEACH CLUB OWNER'S INFORMATION

Third-party Trades Paused:

All third-party trades with RCI and II remain suspended due to the extensive damage caused by the 2024 hurricanes, which rendered SOBC uninhabitable. As a result, incoming traders would have no available accommodation, making it an inequitable arrangement for all parties involved

Unit Sales:

Cunningham Property Management has paused all sales with the company until a firm reopening date has been determined.

Unit owners may still sell or gift their units independently; however, prospective new owners must be made aware of the following:

- Use of the unit is not guaranteed and is restricted depending on the reopening timeline.

- New owners are responsible for all Maintenance Fees due, as well as any possible future special assessments.
- All sales must be properly recorded with the Charlotte County, FL Clerk's Office before any transfer of ownership will be officially recognized.

Please ensure that all parties involved are fully informed prior to any sale or transfer.

Deed Back Policy: *We do not have a Deed Back policy; this was voted on at the Owners Annual Meeting in December 2025*

Owners Portal:

- **The Owners Portal is a great source that contains SOBC BOD Meeting minutes, Owner Updates, and Monthly Financial paperwork all in one spot for your review and convenience...If you still have not created your Portal log-in, please reach out to either Theresa@VacationFLA.com or Amy@VacationFLA.com for the pertinent information needed.**
- **We ask that you please refrain from contacting the Contractor and Charlotte County Permitting Office for updates, this is not productive and can only slow the process...we continue being committed to giving you the most up-to-date information as we are apprised of it.**
