

St. Catherine of Siena Academy is an academically rigorous, independent, Catholic, all-girls college preparatory school. Open since 2010, SCA continues to maintain a high standard of excellence and rigor in the Catholic tradition. Students matriculate to SCA from both public and private schools.

Our mission is to educate young women to develop their *feminine genius*—their unique dignity, identity, and gifts as women created in the image of God. Our philosophy is to form the whole woman, in faith, reason, leadership, and in sisterhood. To do so, we prize a life of virtue and follow the inspiration of our patroness, St. Catherine of Siena, sending our graduates off to set the world ablaze.

UPON KNOWLEDGE, FOLLOWS LOVE.

CURRICULUM

St. Catherine of Siena Academy offers a comprehensive and rigorous college preparatory curriculum for students, including honors and Advanced Placement classes in all core disciplines. The curriculum provides the flexibility which allows the full development of individual interests, as well as a strong sense of values, ethics, and character development, while providing exposure to a variety of disciplines and learning strategies. Every SCA student is broadly educated in the arts, physical education/health, and technology. This full range of credits and electives has focused emphasis on integrating Catholic faith with reason through a classical education, rooted in Latin and philosophy.
