## Essay Requirement

Choose one of the following prompts and attach a typed essay (500–750 words).

### Prompt 1: Perception of Aging

Share an experience—whether through work, volunteering, or personal relationships—that changed the way you view aging. How has your time with older adults influenced your goals, values, or sense of purpose?

---

### Prompt 2: A Lesson From an Older Adult

Describe a time when an older adult taught you something important—about life, resilience, kindness, leadership, or yourself. How does this lesson inspire the way you hope to show up in the world?

---

### Prompt 3: The Future of Aging

Imagine the senior living community of the future. What should it look like, feel like, or offer? How do your interests or career goals align with building a better world for older adults?

---

## Short Answer Requirement

In under 250 words, please share how this scholarship would help support your educational journey during your first year of college. You may describe financial need, personal circumstances, or goals that this award would help you achieve.

---
