

Adult Medical Day Care

A Brighter Day, A Helping Hand

Quality Care

Friendship's Adult Medical Day Care program offers professional daytime **support** for adults who can no longer safely stay home alone. Let's talk about what would **make the day easier and more enjoyable**—for your loved one and for you.

Time to work. Keep an appointment. Take care of yourself. Whatever your day holds, **having support can make a difference.**

We offer **full and half day care**. Transportation assistance is available for those who qualify. We accept private pay, Medicaid or VA funded insurance for qualifying veterans.
