

### **Division of Adult Reconstruction/Arthroplasty- 1.0 FTE**

The Yale Department of Orthopaedics & Rehabilitation, in collaboration with the Yale School of Medicine and Yale New Haven Health System, Northeast Medical Group seek an Orthopaedic Arthroplasty surgeon for a full-time faculty position with interest and expertise in Orthopaedic Adult Reconstruction. This position will have an expectation of clinical service commitment at the **Yale New Haven Health Bridgeport Hospital region in Fairfield County Connecticut**. Responsibilities will include clinical service, with the possibility of teaching, and research activities depending on the wishes and skill set of the candidate. Physicians with a sole focus on clinical care are welcome to apply.

Applicants must be board-certified or board-eligible Orthopaedic surgeons with fellowship training in Arthroplasty/Adult Reconstruction.

Academic appointment will be commensurate with experience and qualifications.

Interested candidates should apply via:

- RFP-202409-1757- Joint: <http://apply.interfolio.com/155413>

Our department anticipates that the successful candidate will have a dynamic personality, outstanding communication and interpersonal skills, and a demonstrated commitment to diversity, equity and inclusion, as well as academic collaboration.

Review of applications will continue until the position is filled.

Questions regarding the position should be directed to  
Julianna Bulter, [julianna.butler@yale.edu](mailto:julianna.butler@yale.edu), Chief of Staff, Office of the Chair

*Yale University is an Affirmative Action/Equal Opportunity Employer and welcomes applications from women, persons with disabilities, protected veterans, and members of minority groups.*
