

**Hand and Upper Extremity Service Section Chief (ACADEMIC POSITION)
UNIVERSITY OF CALIFORNIA, SAN FRANCISCO Department of
Orthopaedic Surgery UCSF School of Medicine Associate/Full Level**

The UCSF Department of Orthopaedic Surgery seeks an outstanding leader in Orthopaedic Hand Service to serve as Section Chief.

In partnership with the Chair of Orthopaedic Surgery, the Section Chief will have the following roles and responsibilities:

1. Oversee academic and operational activities within the Hand Section.
2. Manage day-to-day activities of the section, mentor faculty, promote research and coordinate educational programs.
3. Work with the Chair to direct the vision and manage the clinical expansion of the hand service.
4. Work collaboratively with medical leadership across all divisions in Orthopaedic Surgery.
5. Work with departmental leadership to manage the Section's budget, faculty recruitment and evaluation.

As an Orthopaedic Hand Surgeon, the candidate will provide diagnostic and interventional management with the full spectrum of musculoskeletal diagnoses.

The selected candidate will be appointed to the Associate/Full Professor rank of the Health Sciences (HS) Clinical, Clinical X, or In-Residence faculty series.

The selected candidate will be expected to collaborate in investigative work that leads to publications in peer-reviewed journals and participate in both didactic and bedside teaching and mentoring activities for our medical students, residents, and fellows.

The position will be based primarily at UCSF Health and its satellite clinics and will have full access to all UCSF sites and academic resources.

Requirements:

All requirements must be met at the time of hire.

- A valid California medical license will be required as a condition of employment
- MD or DO degree from an accredited program
- Completed an accredited Orthopaedic Residency program

- Completed a Hand Fellowship
- Board certification/eligibility in Orthopaedic Surgery

Applicants' materials must list current and/or pending qualifications upon submission.

Click <https://apptrkr.com/7062560> to apply with a Cover Letter, CV, Statement of Research, Statement of Teaching, and the names, titles, and e-mail addresses of three peer references who we may contact directly.

The posted UC salary scales set the minimum pay determined by rank and step at appointment.

See Table 5: https://www.ucop.edu/academic-personnel-programs/_files/2025-26/policycovered-october-2025-scales/t5-summary.pdf

The minimum base salary range for this position is \$190,600.

This position is governed by the UC Health Sciences Compensation Plan, APM670: https://ucop.edu/academic-personnel-programs/_files/apm/apm-670.pdf

This plan allows for eligibility for negotiated additional compensation. As such, the total negotiated salary (including base and negotiated components) can be significantly higher and can range up to \$1,500,000 depending on individual qualifications, clinical productivity, and other factors assessed at the time of offer.

The University of California is an Equal Opportunity Employer.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, protected veteran status, or other protected status under state or federal law.
