

UCI Health Sciences Clinical Professor & Clinical X Series - Orthopaedic Trauma Surgeon

UC Irvine School of Medicine – Department of Orthopaedic Surgery

Salary Range: Total Negotiated Salary (TNS) calculation includes AAMC salary benchmarks for Clinical Specialty ranging from \$380,000 - \$800,000. The posted [UC salary scales](#) set the minimum pay determined by rank and step at appointment. This position includes membership in the [health sciences compensation plan](#) , which provides for eligibility for additional compensation.

Position Description: The Department of Orthopaedic Surgery at the University of California, Irvine, is seeking board eligible/certified Orthopaedic Trauma Surgeon for all ranks in the non-tenure track Health Sciences Clinical Professor series (Assistant, Associate, and/or Full Professor levels) and all ranks in the Professor of Clinical "X" Series (Assistant, Associate and/or Full Professor levels) in the trauma specialty. Applicants must hold an MD or MD/Ph.D. degree(s) and be eligible for California Medical Licensure. Completion of Trauma Fellowship. Salary will be commensurate with experience and qualifications.

Successful candidates will be expected to take part in the teaching of orthopaedic residents and medical students, demonstrate professional excellence, show academic achievement, and perform University and public service. In addition, the successful candidates will participate in call at our Level 1 Trauma Center. UCI Orthopedic Surgery delivers clinical services at multiple sites throughout Orange County.

Criteria for the Health Sciences Clinical Professor Series: The incumbent must have demonstrated capabilities in the specialty of Orthopaedic Trauma surgery; experience teaching fellows, residents, and medical students; provide patient care; contribute to scholarly activities; and provide public and University service. The candidates should be eligible for California Licensure and Orthopaedic Board eligible/certified.

For the Professor of Clinical "X" Series: The incumbent must have demonstrated capabilities in the specialty of trauma, notable research in Orthopaedic trauma surgery, teaching, service, and creative professional activities will be prioritized. Exceptional teaching is an essential criteria for appointment in this series. The candidates should be eligible for California Licensure and Orthopaedic Board eligible/certified.

• UCI is a Minority Serving Institution (MSI), a Hispanic-Serving Institution (HSI) and an Asian American and Native American Pacific Islander-Serving Institution (AANAPISI). These federal designations align with UCI as a national leader of inclusive excellence.
