Position Description

The Department of Orthopaedic Surgery at the University of California, Irvine, is seeking board eligible/certified Orthopaedic Hand and Upper Extremity Surgeon for all ranks in the non-tenure track Health Sciences Clinical Professor series (Assistant, Associate, and/or Full Professor levels) in the Hand and Upper Extremity specialty. Applicants must hold an MD or MD/Ph.D. degree(s) and be eligible for California Medical Licensure, be Orthopaedic Board eligible/certified and have completed a Hand & Upper Extremity Surgical Fellowship. Salary will be commensurate with experience and qualifications.

Successful candidates will be expected to take part in the teaching of orthopaedic residents and medical students, demonstrate professional excellence, show academic achievement, and perform University and public service. In addition, the successful candidates will participate in call at our Level 1 Trauma Center. UCI Orthopedic Surgery delivers clinical services at multiple sites throughout Orange County,.

Criteria for the Health Sciences Clinical Professor Series: The incumbent must have demonstrated capabilities in the specialty of Hand and Upper Extremity surgery; experience teaching fellows, residents, and medical students; provide patient care; contribute to scholarly activities; and provide public and University service.

- UCI is a Minority Serving Institution (MSI), a Hispanic-Serving Institution (HSI) and an Asian American and Native American Pacific Islander-Serving Institution (AANAPISI). These federal designations align with UCI as a national leader of inclusive excellence.
