

JOB DESCRIPTION

Job Title:	Senior Physiotherapist – Pelvic Health Outpatients Part-time hours: 25 per week
Responsible to:	Physiotherapy Team Manager
Accountable to:	Chief Executive
Overall objective:	To work with all other staff to provide a professional, caring and efficient physiotherapy service in the Ulster Independent Clinic.

Main duties and responsibilities:-

Service Delivery

1. To work under the direction of the Physiotherapy team manager, accepting clinical responsibility for a designated caseload of pelvic health patients and organise this effectively with regard to clinical priorities and use of time.
2. Undertake comprehensive assessment of patients including those with complex presentations, formulate individualised management and treatment plans using clinical reasoning.
3. To work as an autonomous practitioner utilising every opportunity to maintain and improve knowledge of professional competence and development.
4. Identify clinical problems and use clinical reasoning skills to form an accurate diagnosis and treatment plan, seeking clinical guidance as necessary.
5. Deliver a service which meets organisational and professional responsibilities, completing appropriate risk assessments in a variety of outpatient settings.
6. Actively participate and contribute to the continuous improvement of the outpatient physiotherapy service at UIC using evidence -based practice and innovative thinking.

Communication and Information Management

7. Communicate effectively with patients and ensure that they (or their advocates) have an understanding of their condition and treatment plan.
8. Communicate effectively with staff and maintain productive working relationships with colleagues to ensure an effective, efficient service.

9. Maintain accurate, confidential, comprehensive and up-to-date documentation, in line with legal and departmental requirements, and communicate assessment and treatment results to the appropriate disciplines in the form of reports and letters.

General requirements

10. Attend all meetings as required.
11. Report and record all accidents and participate in the investigation and prevention of same.
12. Read, understand and adhere to all Ulster Independent Clinic policies and procedures.
13. Carry out all duties & responsibilities in accordance with Health & Safety policies and statutory regulations
14. Attend all mandatory in-service training and lectures.
15. Participate in annual performance review and maintain own personal development file.
16. Comply with the Ulster Independent Equal Opportunities Policy at all times.
17. Is responsible for own professional development and maintenance of knowledge and skills according to professional guidelines.
18. Adhere to and abide by professional code at all times.
19. Be flexible with respect to place and time of work.

The above is not an exhaustive list of duties and should be regarded as providing guidelines in which the individual works. This job description is subject to review in light of changing circumstances and operational requirements.
