Birthdays, Baptisms, Engagements or just an expertly crafted excuse to get your friends in one room?

Whatever you're celebrating, Koelschip is the perfect setting for all private events

Our venue blends the cozy charm of a Belgian cycling café with the energy of a craft beer bar — ideal for intimate evenings, festive receptions, or laid-back hangouts with great drinks and even better company.

Beer Tastings

Whether you're new to craft beer or a seasoned enthusiast, our guided tastings are designed to surprise and delight. Led by our passionate bartenders, each session includes a curated selection of Mikkeller brews, presented with stories, tasting notes, and time to enjoy.

Tasting options:

- 3 x 20cl beers – 225 dkk
- 5 x 20cl beers – 300 dkk

Relaxed, social, and paced to match your vibe

— perfect for groups of friends, team outings, or a casual pre-dinner activity.

Beertastings - What to expect?

For the session, your bartender will welcome you with a brief introduction to the Mikkeller story and the craft beer world.

Each beer will be presented with a description of the style, some fun bits you might like to know and where the beer fits in within the Mikkeller universe and the craft beer spectrum.

You'll get the chance to drink the beer and talk amongst yourselves for a while until the bartender returns with the next, and so on. This is a relaxed experience so there's no need to rush!

Typically we find that a 5 x beer session can last anything between one and two hours
– if you have a deadline just let us know.
