S a g r a d o

T A O S

Our wine list at El Monte Sagrado Resort & Spa is composed of wines which have been chosen to compliment the cuisine of our Executive Chef, Cristina Martinez. As a living wine list it will change and expand all the time and represents the different styles of wine being made in the world today, reflecting the true character of its origins.

In the world of wine, finding the grape variety that interact best with the soil and climate of a region is a significant aspect to us when considering the wines included on this list.

Our vision is to create a wine list that is accessible to everyone, if you need assistance with your selection, please inquire with your server.
