

## DOGWOOD Memory Care Center

The Dogwood Memory Care Center at Friendship Salem Terrace offers a comforting option for residents in need of Alzheimer's or memory care. Designed for the safety and serenity of each resident, rooms feature a private half-bath, dressing and sitting areas. A secure, outdoor walking garden provides residents a sense of independence and an opportunity for physical exercise and mental stimulation. All activities are planned by a specially trained activities director, focusing on the needs of our residents.
