

ION TS

Top Sub

FEATURES

- Short length
- Reliable
- Simple plug and play
- High strength alloy
- Available in 1-5/8" or 1-7/8" connections

The Steelhaus Energetics Ion TS provides a simple plug and play. The TS Top Sub, which acts as a crossover between the casing collar locator (CCL) and the gun string, is manufactured from high strength alloy to enhance the reliability of the system.
