Biography

Nouriel Roubini is CEO of Roubini Macro Associates, LLC, a global macroeconomic consultancy firm in New York. He is also Chief Economist for Atlas Capital Team LP, as well as Co-Founder of Rosa & Roubini Associates. At a 2006 address to the International Monetary Fund, Roubini warned of the impending recession due to the credit and housing market bubble. His predictions of these upside-down balance sheets became a reality in 2008, with the bubble bursting and reverberating around the world into a global financial crisis lasting well into the next decade.

Nouriel’s latest book, *Megathreats: Ten Dangerous Trends That Imperil Our Future, And How to Survive Them*, a #1 bestseller in macroeconomics on Amazon, outlines ten overlapping, interconnected threats that are so serious, he calls them Megathreats. He warns there is a slight chance we can avoid them — but we must act now.

Dr. Roubini has extensive policy experience as well as broad academic credentials. He is Professor Emeritus (2021-present), Professor of Economics (1995-2021), Stern School of Business, New York University.

*Economics*  
*World Economy*
Dr. Roubini was Co-Founder and Chairman of Roubini Global Economics from 2005 to 2016 – a firm whose website was named one of the best economics web resources by BusinessWeek, Forbes, the Wall Street Journal and the Economist. From 1998 to 2000, he served as the senior economist for international affairs on the White House Council of Economic Advisors and then the senior advisor to the undersecretary for international affairs at the U.S. Treasury Department, helping to resolve the Asian and global financial crises, among other issues. The International Monetary Fund, the World Bank and numerous other prominent public and private institutions have drawn upon his consulting expertise.

Dr. Roubini’s views on global economic issues are widely cited by the media, and he is a frequent commentator on various business news programs. He has been the subject of extended profiles in the New York Times Magazine, The Financial Times, among other leading current-affairs publications. He is published monthly as a columnist with Project Syndicate. He also hosts www.NourielToday.com where is perspectives can be found and co-runs the site www.theboombust.com, an economic indicator research service.

Dr. Roubini received an undergraduate degree at Bocconi University in Milan, Italy, and a doctorate in economics at Harvard University. Prior to joining Stern, he was on the faculty of Yale University’s department of economics.
