Behavioral Scientist, Author &  
Director of Education at Social-Engineer, LLC

*Dr. Abbie Maroño helps people understand human behavior, trust, and communication.*

*Understanding People Changes Everything*

## Biography

Dr. Abbie Maroño is a behavioral scientist and internationally recognized expert in human behavior, communication, and leadership psychology. She is known for helping audiences better understand the science behind trust, influence, emotional intelligence, and human connection in both personal and professional environments.

With a background in psychology and behavioral science, Dr. Maroño specializes in translating complex research into practical strategies that leaders, teams, and organizations can immediately apply. Her work focuses on how people communicate, build relationships, make decisions, and perform under pressure, offering valuable insights into the human side of leadership and workplace culture.

A dynamic and engaging speaker, Dr. Maroño combines scientific expertise with relatable storytelling, making her presentations both thought-provoking and actionable. She is particularly recognized for her work in nonverbal communication and the psychology of trust, helping audiences uncover the hidden behaviors that shape communication, collaboration, and influence.
