Land of 1000 Dances

- *This list is not exhaustive but will give you a good idea of the style of music The Mixtape performs.*
- *Many of the songs may not have the same arrangement as the original songs that you might be familiar with, so if you're trying to imagine how they might sound on the night, keep in mind that The Mixtape plays their own interpretation of classic songs, all designed to run together in a seamless two hour show!*
