Explosion Reported Near Imphal Airport Cargo Terminal

Imphal : An explosion was reported near the cargo terminal of Imphal International Airport, triggering panic in the surrounding area on Sunday. According to preliminary information, a source in Manipur Police stated that the state is observing the anniversary of past communal clashes today. Amid this, an improvised explosive device (IED) blast occurred near the cargo terminal of the airport at around 11:50 am. Sources confirmed that no

casualties or damage have been reported so far. Following the incident, security forces and police personnel rushed to the spot and cordoned off the area. Search and sanitization operations are currently underway to gather details about those involved and the circumstances surrounding the blast. Authorities said the exact cause of the explosion remains unclear and no individual or group has claimed responsibility yet.

“Firs filed against me are misuse of power; I will respond when official info arrives”: sandeep pathak

New Delhi : Rajya Sabha MP Sandeep Pathak, who recently resigned from the Aam Aadmi Party (AAP) and joined the Bharatiya Janata Party (BJP), has claimed that two FIRs have been registered against him in Punjab through misuse of power and said he will give an appropriate response once he receives official information through formal and other channels. Pathak addressed the media outside his residence in Delhi on Sunday regarding the two FIRs registered against him in Punjab. On Saturday, Punjab Police had come to his residence to arrest him, but he had left his home before their arrival.

On Sunday, he held his press interaction in the presence of Delhi Police personnel posted at his residence. Speaking to reporters, Pathak said that news channels had been reporting since yesterday that two FIRs had been filed against him in Punjab, but he has so far received no formal or informal information from any official source. “It is possible that FIRs have been registered against me through misuse of power,” he said, adding that he would give a clear and detailed response once he receives proper information. The MP also highlighted his clean and principled

political career, stating that he had always worked in AAP on the lines of policy and political ethics, and would continue to do the same in the BJP. For him, political integrity and values matter more than success or failure in politics, he said. Pathak emphasised that he had left AAP for ideological and methodological reasons, not for personal or individual motives.

For PMC/Architect and Legal Advisor

India Issues National Guidelines for Childhood Diabetes Management

New Delhi : The Ministry of Health and Family Welfare has released a comprehensive national guideline for the management of diabetes mellitus (type 1 diabetes) in children during the recently held National Summit on Best Practices in Public Healthcare Service Delivery. With this move, India has joined a small group of countries that have formally integrated childhood diabetes care into their public-health framework. According to the Ministry, this document creates the first standardised national framework for the screening, diagnosis, treatment, and long-term management of diabetes in children across India. The primary objective is to ensure universal screening for all children from birth to 18 years, with early identification undertaken at the community level and in schools. Children showing suspicious signs or symptoms will be referred to district-level health centres for confirmatory testing, diagnosis, and structured treatment. Under the initiative, the government has announced a comprehensive support package at public-health facilities, including free initial screening and diagnostic tests, lifelong free insulin therapy, glucometers, and test strips. The package is especially aimed at reducing the financial burden on low- and middle-income families, for whom the recurring cost of insulin and monitoring can be a major constraint.
