Basic Facials

Custom Facial 60

In-depth consultation and skin analysis, deep cleansing, facial massage, customized mask, and personalized skincare products.

Microdermabrasion Facial 60

Our custom facial combined with a diamond-tipped exfoliation of the skin.

Dermaplaning Facial 90

Our custom facial combined with a manual exfoliation of the skin and removal of vellus hair.

Deluxe Facials

Nano Facial 60

This treatment uses a nano chip to painlessly create thousands of microscopic permeations in the skin, creating instant plumping and greater absorption of nutrients and products.

Glo2 Facial 84

This new treatment provides exfoliation, and then oxygenates the skin with a unique applicator. Ultrasonic vibrations infuse a nourishing gel. This treatment provides visible results in one session.

Chemical Peel 99

A gentle acid is applied to the skin to promote anti-aging benefits, hydration, even tone, and more!

Hydrafacial 149

A popular skin treatment that cleanses, extracts, applies a light chemical peel solution and hydrates the skin- all in one session.

ADVANCED SERVICES

Treatments

VIVA Fractional RF Microneedling

Radio Frequency energy tightens skin and provides overall skin rejuvenation. Test pulse required.

200

Chemical Peel

A targeted acid is applied to the skin to improve texture, tone, breakouts, and more.

99

Microneedling

Small needles create thousands of micro-channels in the skin to address a number of skin concerns.

179

Radio Frequency Body Contouring & Cellulite Reduction

Radio Frequency energy melts away stubborn fat cells and boosts circulation.

99

Laser Services

Clear & Brilliant

A non-invasive laser resurfacing treatment for tone and texture.

249

IPL

Intense Pulsed Light is used to target stubborn discoloration and acne.

200

Laser Hair Removal

Laser light targets and destroys hair follicles. A series of 6-8 sessions is typically required.

VARIES

Laser Genesis

A non-invasive laser treatment that uses a bulk-heating method to treat stubborn red discoloration, breakouts, and more.

189

Consultation

An in-depth consultation to discuss advanced treatment and skincare options for new clientele.

FREE

Laser Tattoo Removal

Targeted laser light is used to break up tattoo ink particles in the skin. Multiple sessions required.
