World's Best New Airport

New York's LaGuardia Airport has reached dizzying heights! Following the airport's \$8 billion renovation, **Terminal B** won the world's best new airport in UNESCO's Prix Versailles 2021 World Architecture and Design Awards. It was also named the best airport in its class in the 2023 Airport Service Quality (ASQ) Awards. And Terminal B was awarded five stars by international air transport rating organization Skytrax — making it the first airline terminal in North America to achieve the highest accolade!

Every day, nearly **88,000 passengers fly through LaGuardia** on the 1,000 flights offered by eight major airlines.
