Globally Connected, Future Focused

Sydney, Australia | 22–24 September 2026

Globally Connected, Future Focused... and bigger than ever!

Every two years, Ports Australia brings together the nation's ports community for its flagship Biennial Conference. Now in its 49th occurrence, our Conference has become an essential gathering for leaders shaping the future of Australia's maritime and logistics sectors.

In 2026, we're bringing the Conference to Sydney for a truly global edition. With more international speakers, delegates and industry leaders than ever before, this will be a rare opportunity to spotlight Australia's ports on the world stage and explore new ideas, technologies and partnerships that are redefining how ports operate and grow. As part of the Biennial Conference, we're pleased to be hosting leadership and members from the International Association for Ports and Harbors and our Asia-Pacific neighbours to explore opportunities for further collaboration across the global port landscape.

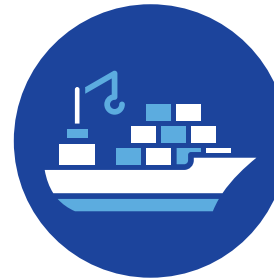

The Biennial Conference attracts an influential audience of port CEOs, board members, senior managers and key decision-makers from across ports, stevedoring, transport, logistics, infrastructure, security, environmental management and government.

We invite you to be part of this dynamic event by joining us as a sponsor. Sponsorship offers exclusive opportunities to showcase your organisation's expertise, products and innovations to a highly engaged audience, while strengthening your connections across the Australian and international ports network.

With limited packages available and delegate numbers expected to surpass previous years, we encourage you to secure your involvement early. Join us in Sydney for Ports Australia's Biennial Conference where the global ports community meets to share insights, shape the future and strengthen industry collaboration.
