**ARBOR RIDGE
HOMES ASSOCIATION DECLARATION**

THIS DECLARATION is made as of the 3rd day of April, 2018, by DVP, L.L.C., a Kansas limited liability company ("Developer").

WITNESSETH:

WHEREAS, Developer has executed and filed with the Register of Deeds of Johnson County, Kansas, a plat of the subdivision known as "Arbor Ridge," which plat includes the following described lots and tracts:

Lots 44 through 90, ARBOR RIDGE SECOND PLAT, a subdivision in the City of DeSoto, Johnson County, Kansas.

WHEREAS, Developer, as the present owner and developer of the above-described property, desires to create and maintain a residential neighborhood and a homes association for the purpose of enhancing and protecting the value, desirability, attractiveness and maintenance of the property within the subdivision;

NOW, THEREFORE, in consideration of the premises contained herein, Developer, for itself and for its successors and assigns, and for its future grantees, hereby subjects all of the above described lots to the covenants, charges, assessments and easements hereinafter set forth.

ARTICLE I. DEFINITIONS

For purposes of this Declaration, the following definitions shall apply:

- (a) "Board" means the Board of Directors of the Homes Association.
- (b) "Certificate of Substantial Completion" means a certificate executed, acknowledged and recorded by the Developer with the Recording Office stating that all of the Lots in the Subdivision (as then contemplated by the Developer) have been sold by the Developer and the residences to be constructed thereon are substantially completed; provided, however, that the Developer may execute and record a Certificate of Substantial Completion or similar instrument in lieu thereof in Developer's absolute discretion at any earlier time and for any limited purpose hereunder. The execution or recording of a Certificate of Substantial Completion shall not, by itself, constitute an assignment of any of the Developer's rights to the Homes Association or any other person or entity.
- (c) "City" means the City of DeSoto, Kansas.
- (d) "Common Areas" means (i) any entrances, monuments, berms, street islands, and other similar ornamental areas and related utilities, lights, sprinkler systems, trees and landscaping constructed or installed by or for the Developer or the Homes Association at or near the entrance of any street or along any street, and any easements related thereto, in the Subdivision, (ii) all platted landscape easements and all other landscape easements that may be granted to the Developer and/or the Homes Association, for the use, benefit and enjoyment of all Owners within the Subdivision, and (iii) all other similar areas and places,

together with all improvements thereon and thereto, the use, benefit or enjoyment of which is intended for all of the Owners within the Subdivision.

(e) "Declaration" means this instrument, as the same may be amended, supplemented or modified from time to time.

(f) "Developer" means DVP, L.L.C., a Kansas limited liability company, and its successors and assigns.

(g) "Homes Association" means the Kansas not-for-profit corporation to be formed by or for the Developer for the purpose of serving as the homes association for the Subdivision.

(h) "Lot" means any lot as shown as a separate lot on any recorded plat of all or part of the Subdivision; provided, however, that if an Owner, other than the Developer, owns adjacent lots (or parts thereof) upon which only one residence has been, is being, or will be erected, then (i) for purposes of determining the amount of periodic and special assessments due with respect thereto from time to time, such adjacent property under common ownership shall constitute such whole or partial number of Lots as may be specified in writing by the Developer, and (ii) for all other purposes hereunder, such adjacent property under common ownership shall be deemed to constitute only one "Lot."

(i) "Owner" means the record owner(s) of title to any Lot, including the Developer.

(j) "Recording Office" means the Office of Records and Tax Administration of Johnson County, Kansas.

(k) "Subdivision" means collectively all of the above lots in Arbor Ridge, all Common Areas, and all additional property that hereafter may be made subject to this Declaration in the manner provided herein.

(l) "Turnover Date" means the earlier of: (i) the date the Developer records a Certificate of Substantial Completion with the Recording Office, or (ii) the date the Developer, in its absolute discretion, selects as the Turnover Date for all or any specific portion of this Declaration.

ARTICLE II. HOMES ASSOCIATION MEMBERSHIP

Until the Turnover Date, the Homes Association shall have two classes of membership, namely Class A and Class B. The Developer shall be the sole Class A member. Each Owner of a Lot, including the Developer as an Owner, shall be a Class B member. Until the Turnover Date, all voting rights shall be held by the Class A member, except that the Class B members shall have the sole right to vote on increases in annual assessments as provided in clause (c) of Section 2 of Article IV below.

After the Turnover Date, there shall be only one class of membership which shall consist of the Owners of the Lots in the Subdivision and every such Owner shall be a member.

Where voting rights exist based on Lot ownership, each member shall have one vote for each Lot for which he is the Owner; provided, however, that when more than one person is an Owner of any particular Lot, all such persons shall be members and the one vote for such Lot shall be exercised as they, among themselves, shall determine, but in no event shall more than one vote be cast with respect to such Lot. During any period in which a member is in default in the payment of any assessment levied by the Homes Association under this Declaration, the voting rights of such member shall be suspended until such assessment has been paid in full.

Subject to the foregoing, the Homes Association shall be the sole judge of the qualifications of each Owner to vote and their rights to participate in its meetings and proceedings.

ARTICLE III. POWERS AND DUTIES OF THE HOMES ASSOCIATION

1. In addition to the powers granted by other portions of this Declaration or by law, but subject to all of the limitations set forth in this Declaration, the Homes Association shall have the power and authority to do and perform all such acts as may be deemed necessary or appropriate by the Board to carry out and effectuate the purposes of this Declaration, including, without limitation:

(a) To enforce, in the Homes Association's name, any and all building, use or other restrictions, obligations, agreements, reservations or assessments which have been or hereafter may be imposed upon any of the Lots or other part of the Subdivision; provided, however, that this right of enforcement shall not serve to prevent waivers, changes, releases or

modifications of restrictions, obligations, agreements or reservations from being made by the Homes Association or other parties having the right to make such waivers, changes, releases or modifications under the terms of the deeds, declarations or plats in which such restrictions, obligations, agreements and reservations are set forth or otherwise by law. The expense and cost of any such enforcement proceedings by the Homes Association shall be paid out of the general funds of the Homes Association, except as herein provided. Nothing herein contained shall be deemed or construed to prevent the Developer or any Owner from enforcing any building, use or other restrictions in its or his own name.

(b) To acquire and own title to or interests in, to exercise control over, and to improve and maintain the Common Areas, subject to the rights of any governmental authority, utility or any other similar person or entity therein or thereto.

(c) To maintain public liability, worker's compensation, fidelity, fire and extended coverage, director and officer liability, indemnification and other insurance with respect to the activities of the Homes Association, the Common Areas and the property within the Subdivision.

(d) To levy the assessments and related charges which are provided for in this Declaration and to take all steps necessary or appropriate to collect such assessments and related charges.

(e) To enter into and perform agreements from time to time with the Developer and other parties regarding the performance of services and matters benefiting both the Developer or other parties and the Homes Association and its members, and the sharing of the expenses associated therewith.

(f) To enter into and perform agreements with the Developer, other developers, other homes associations and other parties relating to the joint use, operation and maintenance of any recreational facilities and other similar common areas, whether in or outside the Subdivision, and the sharing of expenses associated therewith.

(g) To have employees and otherwise engage the services of a management company or other person or entity to carry out and perform all or any part of the functions and powers of the Homes Association, including, without limitation, keeping of books and records, operation and maintenance of Common Areas, and planning and coordination of activities.

(h) To engage the services of a security guard or security patrol service.

(i) To provide for the collection and disposal of rubbish and garbage; to pick up and remove loose material, trash and rubbish of all kinds in the Subdivision; and to do any other things necessary or desirable in the judgment of the Board to keep any property in the Subdivision neat in appearance and in good order.

(j) To exercise any architectural, aesthetic or other control and authority given and assigned to the Homes Association in this Declaration or in any other deed, declaration or plat relating to all or any part of the Subdivision.

(k) To make, amend and revoke reasonable rules, regulations, restrictions and guidelines (including, without limitation, regarding the use of Common Areas) and to provide means to enforce such rules, regulations, restrictions and guidelines, and the recorded declarations, by levying fines and other enforcement charges and taking such other lawful actions as the Homes Association, in its discretion, deems appropriate.

(l) To exercise such other powers as may be set forth in the Articles of Incorporation or Bylaws of the Homes Association.

2. In addition to the duties required by other portions of this Declaration and by law, the Homes Association shall have the following duties and obligations with respect to providing services to all Owners within the Subdivision:

(a) To the extent not provided as a service by any governmental authority, the Homes Association shall provide for the collection and disposal of rubbish and garbage for each residence one day per week (which day, if possible, shall be the same for all residences). The Homes Association, however, shall not be obligated to provide any recycling services.

(b) The Homes Association shall at all times, from and after its date of formation and at its expense, be responsible for properly repairing, replacing, controlling, maintaining, operating and insuring, as applicable, all Common Areas (except any part thereof that is within any Lot and has not been landscaped or otherwise improved by or for the Developer or the

Homes Association), subject to any control thereover maintained by any governmental authority, utility or other similar person or entity.

The Board shall have the right to further determine the scope and timing of the foregoing services described in subsection (b) above and shall have the right to establish, maintain and expend reserve funds for the improvements on the Common Areas and the services to be provided by the Homes Association under this Section 2. Neither the Developer, any director nor the Homes Association shall be liable to any Owner or other party for any failure to establish or maintain any such reserves or if any such reserves are inadequate.

ARTICLE IV. ANNUAL ASSESSMENTS

1. For the purpose of providing a general fund to enable the Homes Association to exercise the powers, render the services and perform the duties provided for herein, all Lots in the Subdivision, other than Lots then owned by the Developer, shall be subject to an annual assessment to be paid to the Homes Association by the respective Owners thereof as provided in this Article IV. The amount of such annual assessment per Lot shall be fixed periodically by the Board, subject to Section 2 below, and, until further action of the Board, shall be \$100 per year.

2. The rate of annual assessment upon each assessable Lot in the Subdivision may be increased:

(a) By the Board from time to time, without a vote of the members, by up to 10% over the rate of annual assessment in effect for the preceding year for each of 2019 through 2021;

(b) After 2021, by the Board from time to time, without a vote of the members, by up to 5% over the rate of annual assessment in effect for the preceding year; or

(c) At any time by any amount by a vote of the members (being for this limited purpose solely the Class B members prior to the Turnover Date) at a meeting of the members duly called and held for that purpose in accordance with the Bylaws when a majority of the members present at such meeting and entitled to vote thereon authorize such increase by an affirmative vote for the proposed increase.

Notwithstanding the foregoing limits on annual assessments, the Board, without a vote of the members, shall always have the power to set, and shall set, the rate of annual assessment at an amount that will permit the Homes Association to perform its duties as specified in Section 2 of Article III above.

3. The annual assessments provided for herein shall be based upon the calendar year (commencing in 2019) and shall be due and payable on January 1st of each year; provided, however, that the first assessment for each Lot shall be due and payable only upon the initial occupancy of the Lot as a residence, or January 1, 2019, whichever is later, and shall be prorated as of the date thereof. If the effective date of any increase in the rate of assessment is other than January 1st, a proper portion as determined by the Board of the amount of such increase for the remainder of such year shall be due and payable on such effective date. No Lot shall be entitled to receive any services to be provided by and through the Homes Association until such time as the first annual assessment has been paid with respect thereto.

4. A portion of the annual assessments may be allocated to reserves to provide funds for major items and for other contingencies. Neither Developer nor the Homes Association nor any member of the Board shall have any liability to any Owner or member of the Homes Association if no reserves are established or maintained or if any reserves are inadequate.

ARTICLE V. SPECIAL ASSESSMENTS

1. In addition to the annual assessments provided for herein, the Board:

(a) shall have the authority to levy from time to time a special assessment against any Lot and its Owner to the extent the Homes Association expends any money (for services, materials, and legal fees and expenses) to correct or eliminate (by enforcement, self-help or otherwise) any breach by such Owner of any agreement, obligation, reservation or restriction contained in any deed, declaration or plat covering such Lot (including, without limitation, to maintain or repair any Lot or improvement thereon); and

(b) shall levy from time to time special assessments against each and every Lot (other than any Lot then owned by the Developer) in an equal amount that is sufficient, when aggregated, to enable the Homes Association to perform its duties as specified in Section 2 of Article III above that require any expenditure during any period in an amount in excess of the general and reserve funds of the Homes Association available therefor.

2. In the event an Owner fails to properly maintain, repair, repaint, or replace any improvements on the Owner's Lot, the Homes Association, acting through the Board and after giving adequate notice to the Owner of the need for the maintenance, repair, repainting, or replacement, may enter onto the Lot and perform such maintenance, repair, repainting, or replacement. The Homes Association's costs thereof, plus a reasonable overhead and supervisory fee, shall be payable by the Owner of the Lot and shall be a special assessment against the Lot.

3. If any Owner commences a lawsuit or files a counterclaim or cross claim against the Homes Association, the Board of Directors, or any committee, or any individual director, officer or committee member of the Homes Association, and such Owner fails to prevail in such lawsuit, counterclaim or cross claim, the Homes Association, Board of Directors, or individual director, officer or committee member sued by such Owner shall be entitled to recover from such Owner all litigation expenses incurred in defending such lawsuit, counterclaim or cross claim, including reasonable attorneys' fees. Such recovery right shall constitute a special assessment against the Owner's Lot.

4. Each special assessment shall be due and payable by the Owner of the Lot upon the Homes Association giving notice of the assessment to the Owner of the Lot and shall be a lien on the Lot until paid in full by the Owner.

ARTICLE VI. DELINQUENT ASSESSMENTS

1. Each assessment regarding a Lot shall be a charge against the Owner and shall become automatically a lien in favor of the Homes Association on the Lot against which it is levied as soon as the assessment becomes due. Should any Owner fail to pay any assessment with respect to the Owner's Lot in full within 30 days after the due date thereof, then such assessment shall be delinquent, the Owner shall be charged a late fee of 5% of the unpaid amount and the unpaid amount shall bear interest at the rate of 10% per annum (or, if lower, the maximum rate permitted by law) from the delinquency date until paid, which late fee and interest shall become part of the delinquent assessment and the lien on the Lot. Should the Homes Association engage the services of an attorney to collect any assessment hereunder, all costs of collecting such assessment, including court costs and reasonable attorneys' fees, shall, to the extent permitted by applicable law, be added to the amount of the assessment being collected and the lien on the Lot. Each assessment, together with late fees, interest thereon and collection costs, shall also be the personal obligation of the Owner(s) of the Lot, jointly and severally, at the time when the assessment became due.

2. All liens on any Lot for assessments provided for herein shall be inferior and subordinate to the lien of any valid purchase money first mortgage now existing or which may hereafter be placed upon such Lot, as provided below. A foreclosure sale or deed in lieu of foreclosure thereunder shall automatically extinguish the lien hereunder for such assessments to the extent applicable to periods prior to the earlier of (i) the entry of the order allowing such foreclosure or (if no order is required) the holding of the foreclosure sale, or (ii) the execution of a deed in lieu thereof, but shall not release such Lot from liability for any assessment applicable to periods thereafter. If the Owner subsequently redeems the Lot from the foreclosure sale, the lien hereunder shall automatically be reinstated retroactively in full.

3. Payment of a delinquent assessment with respect to a Lot may be enforced by judicial proceedings against the Owner personally and/or against the Lot, including through lien foreclosure proceedings in any court having jurisdiction of suits for the enforcement of such liens. The Homes Association may file certificates of nonpayment of assessments in the Recording Office, and/or the office of the Clerk of the District Court for Johnson County, Kansas, whenever any assessment is delinquent, in order to give public notice of the delinquency. For each certificate so filed, the Homes Association shall be entitled to collect from the Owner of the Lot described therein a fee of \$200.00, which fee shall be added to the amount of the delinquent assessment and the lien on the Lot.

4. Such liens shall continue for a period of five years from the date of delinquency and no longer, unless within such period suit shall have been instituted for collection of the assessment, in which case the lien shall continue until payment in full or termination of the suit and sale of the property under the execution of judgment establishing the same.

5. The Homes Association may cease to provide any or all of the services (including, without limitation, use of Common Areas and trash services) to be provided by or through the Homes Association with respect to any Lot during any period that the Lot is delinquent on the payment of an assessment due under this Declaration, and no such cessation of use privileges or services shall result in a reduction of any amount due from the Owner before, during or after such cessation. No Owner may waive or otherwise avoid liability for any assessment by not using any Common Areas or declining any services provided through the Homes Association.

6. No claim of the Homes Association for assessments and charges shall be subject to setoffs or counterclaims made by any Owner. To the extent permitted by law, each Owner hereby waives the benefit of any redemption, homestead and exemption laws now or hereafter in effect, with respect to the liens created pursuant to this Declaration.

ARTICLE VII. LIMITATION ON EXPENDITURES

Except for matters contemplated in Section 2 of Article III above, the Homes Association shall at no time expend more money within any one year than the total amount of the assessments for that particular year, plus any surplus and available reserves which it may have on hand from prior years. The Homes Association shall not have the power to enter into any contract which binds the Homes Association to pay for any obligation out of the assessments for any future year, except for (i) contracts for utilities, maintenance or similar services or matters to be performed for or received by the Homes Association or its members in subsequent years, and (ii) matters contemplated in Section 2 of Article III above.

ARTICLE VIII. NOTICES

The Homes Association shall designate from time to time the place where payment of assessments shall be made and other business in connection with the Homes Association may be transacted.

1. All notices required or permitted under this Declaration shall be deemed given if deposited in the United States Mail, postage prepaid, and addressed to the Owner at the address of the Lot. Notice to one co-Owner shall constitute notice to all co-Owners.

ARTICLE IX. EXTENSION OF SUBDIVISION

The Developer shall have, and expressly reserves, the right (but not the obligation), from time to time, to add to the existing Subdivision and to the operation of the provisions of this Declaration other adjacent or nearby lands (without reference to any tract, street, park or right-of-way) (regardless of whether the additional property is part of the property platted as Arbor Ridge or is known by a name other than Arbor Ridge) by executing, acknowledging and recording in the Recording Office a written instrument subjecting such additional property to all of the provisions hereof as though such land had been originally described herein and subjected to the provisions hereof; provided, however, that such declaration or agreement may contain such deletions, additions and modifications of the provisions of this Declaration applicable solely to such additional property as may be necessary or desirable, as solely determined by the Developer in its absolute discretion.

ARTICLE X. AMENDMENT AND TERMINATION

1. Prior to the recording of the Certificate of Substantial Completion, this Declaration may be terminated, amended or modified, in whole or in part, at any time by a duly acknowledged and recorded written agreement (in one or more counterparts) signed by the Developer. After recording of the Certificate of Substantial Completion, this Declaration may be terminated, amended or modified, in whole or in part, at any time by a duly acknowledged and recorded written instrument executed by the Homes Association after the proposed amendment, modification or termination has been first approved by the affirmative vote of 75% or more of the full number of directors on the Board of the Homes Association and then approved by the members of the Homes Association at a duly held meeting of the members of the Homes Association (called in whole or in part of that purpose) by the affirmative vote of Owners owning at least 60% of the Lots.

2. Notwithstanding anything set forth in this Section to the contrary and until the filing of the Certificate of Substantial Completion, the Developer shall have the absolute, unilateral right, power and authority to revise, amend, change or add to any of the terms and provisions of this Declaration, as from time to time amended or supplemented, by executing, acknowledging and recording in the Recording Office an instrument for such purpose. No such amendment by the Developer shall require the consent of any Owner.

3. If the rule against perpetuities or any rule against restraints on alienation or similar restriction is applicable to any right, restriction or other provision of this Declaration, such right, restriction or other provision shall terminate (if not earlier terminated) upon lapse of 20 years after the death of the last survivor of the individual(s) signing this Declaration on behalf of the Developer and the now-living children and grandchildren of the individual(s) signing this Declaration on behalf of the Developer as of the date of such execution.

ARTICLE XI. ASSIGNMENT

1. The Developer shall have the right and authority, by written agreement made expressly for that purpose, to assign, convey, transfer and set over to any person(s) or entity, all or any part of the rights, benefits, powers, reservations, privileges, duties and responsibilities herein reserved by or granted to the Developer, and upon such assignment the assignee shall then for any or all such purposes be the Developer hereunder with respect to the rights, benefits, powers, reservations, privileges, duties and responsibilities so assigned. Such assignee and its successors and assigns shall have the right and authority to further assign, convey, transfer and set over the rights, benefits, powers, reservations, privileges, duties and responsibilities hereunder.

2. The Homes Association shall have no right, prior to the recording of the Certificate of Substantial Completion, without the written consent of the Developer, to assign, convey, or transfer all or any part of its rights, benefits, powers, reservations, privileges, duties and responsibilities hereunder.

ARTICLE XII. COVENANTS RUNNING WITH THE LAND

1. All provisions of this Declaration shall be deemed to be covenants running with the land and shall be binding upon all subsequent grantees of all parts of the Subdivision. By accepting a deed to any of the Lots, each future grantee of any of the Lots shall be deemed to have personally consented and agreed to the provisions of this Declaration as applied to the Lot owned by such Owner. The provisions of this Declaration shall not benefit or be enforceable by any creditor of the Homes Association (other than the Developer) in such capacity as a creditor.

2. No delay or failure by any person or entity to exercise any of its rights or remedies with respect to a violation of or default under this Declaration shall impair any of such rights or remedies; nor shall any such delay or failure be construed as a waiver of that or any other violation or default.

3. No waiver of any violation or default shall be effective unless in writing and signed and delivered by the person or entity entitled to give such waiver, and no such waiver shall extend to or affect any other violation or situation, whether or not similar to the waived violation. No waiver by one person or entity shall affect any rights or remedies that any other person or entity may have.

ARTICLE XIII. GOVERNING LAW AND SEVERABILITY

1. This Declaration shall be governed by and construed in accordance with the laws of Kansas.
2. Invalidation of any of the provisions set forth herein, or any part thereof, by an order, judgment or decree of any court, or otherwise, shall not invalidate or affect any of the other provisions or parts.

ARTICLE XIV. COMMON AREAS

1. The Developer shall have the right (but is not obligated) to construct and erect improvements in Common Areas within the Subdivision or on property near the Subdivision and to make such facilities available for use by residents of the Subdivision. The size, location, nature and extent of the improvements and all other aspects of the Common Areas that are provided by the Developer shall be determined by the Developer in its absolute discretion.

2. Subject to Section 3 below, the Developer covenants and agrees to convey, by special warranty deed, all of its rights, title and interest in the Common Areas (except any part thereof that is solely a landscape easement or is within any Lot or outside of the Subdivision) to the Homes Association, without any cost to the Homes Association, at such time(s) as the Developer, in its absolute discretion, may determine, but in all events not later than one month after the *developer has recorded the Certificate of Substantial Completion. Such transfer shall be free and clear of all mortgages, security interests and mechanic's liens. Notwithstanding the actual date of transfer, the Homes Association shall at all times, from and after the date of its formation and at its expense, be responsible for properly repairing, replacing, controlling, maintaining, operating and insuring, as applicable, all Common Areas (except any part thereof that is within any Lot and has not been landscaped or otherwise improved by the Developer or the Homes Association), subject to any control thereover maintained by any governmental authority, utility or similar person or entity. Any transfer of title by the Developer shall not constitute an assignment by the Developer of any of its rights, as the Developer of the Subdivision, pursuant to this Declaration or any other instrument, contract or declaration. In insuring the Common Areas, the Homes Association shall cause the Developer to be named as an additional insured on the insurance coverage until the recording of the Certificate of Substantial Completion.

3. The Developer, in its discretion, shall have the right to reconfigure and/or replat all or any part of the Subdivision then owned by it, including, without limitation, to make part of a Common Area tract a part of a Lot, and vice versa. In addition, each of the Developer and the Homes Association shall have the right to transfer to the City title to or easements over all or any part of the Common Areas so that they become public areas maintained by the City.

IN WITNESS WHEREOF, the Developer has caused this Declaration to be duly executed the day and year first written above.

ARBOR RIDGE
DECLARATION OF RESTRICTIONS

THIS DECLARATION is made as of the 3rd day of April, 2018, by DVP, L.L.C., a Kansas limited liability company ("Developer").

WITNESSETH:

WHEREAS, Developer has executed and filed with the Register of Deeds of Johnson County, Kansas a plat of the subdivision known as "Arbor Ridge", which plat includes the following described lots and tracts:

Lots 44 through 90, ARBOR RIDGE SECOND PLAT, a subdivision in the City of DeSoto, Johnson County, Kansas.

WHEREAS, Developer, as the present owner and developer of the above-described property, desires to place certain restrictions on such lots to preserve and enhance the value, desirability and attractiveness of the development and improvements constructed thereon and to keep the use thereof consistent with the intent of the Developer, and all of said restrictions shall be for the use and benefit of Developer and its future grantees, successors and assigns;

NOW, THEREFORE, in consideration of the premises contained herein, Developer, for itself and for its successors and assigns, and for its future grantees, hereby agrees and declares that the above-described lots shall be, and they hereby are, restricted as to their use and otherwise in the manner hereinafter set forth.

1. Definitions. For purposes of this Declaration, the following definitions shall apply:

(a) "Approving Party" means (i) prior to the recording of the Certificate of Substantial Completion, the Developer (or its designees from time to time) and (ii) subsequent to the recording of the Certificate of Substantial Completion, the Board (or with respect to Exterior Structures and other matters assigned to it, the Architectural Committee).

(b) "Architectural Committee" means: (i) prior to the Turnover Date, the Developer (or its designees from time to time); and (ii) on and after the Turnover Date, a committee comprised of at least three members of the Homes Association, all of whom shall be appointed by and serve at the pleasure of the Board (subject to the provisions of Section 14 below).

(c) "Board" means the Board of Directors of the Homes Association.

(d) "Certificate of Substantial Completion" means a certificate executed, acknowledged and recorded by the Developer with the Recording Office stating that all of the Lots in the Subdivision (as then contemplated by the Developer) have been sold by the Developer and the residences to be constructed thereon are substantially completed; provided, however, that the Developer may execute and record a Certificate of Substantial Completion or similar instrument in lieu thereof in Developer's absolute discretion at any earlier time and for any limited purpose hereunder. The execution or recording of a Certificate of Substantial Completion shall not, by itself, constitute an assignment of any of the Developer's rights to the Homes Association or any other person or entity.

(e) "City" means the City of DeSoto, Kansas.

(f) "Common Areas" means (i) any entrances, monuments, berms, street islands, and other similar ornamental areas and related utilities, lights, sprinkler systems and landscaping constructed or installed by or for the Developer or the Homes Association at or near the entrance of any street or along any street, and any easements related thereto, in or to the Subdivision, (ii) all landscape easements that may be granted to the Developer and/or the Homes Association, for the use, benefit and enjoyment of all owners within the Subdivision, (iii) the Green Areas, and (iv) all other similar areas and places, together with all improvements thereon and thereto, the use, benefit or enjoyment of which is intended for all of the owners within the Subdivision.

(j) "Green Areas" means those areas that may be platted in the Subdivision as a tract and not for use as a residential lot (as they may be subsequently replatted and/or configured).

(k) "Homes Association" means the Kansas not-for-profit corporation to be formed by or for the Developer for the purpose of serving as the homes association for the Subdivision.

(l) "Lot" means any lot as shown as a separate lot on any recorded plat of all or part of the Subdivision; provided; however, that if an Owner, other than the Developer, owns adjacent lots (or parts thereof) upon which only one residence has been, is being, or will be erected, then such adjacent property under common ownership shall be deemed to constitute only one "Lot."

(m) "Owner" means the record owner(s) of title to any Lot, including the Developer, and for purposes for all obligations of the Owner hereunder, shall include, where appropriate, all family members and tenants of such Owner and all of their guests and invitees.

2. Use of Land. Except as otherwise expressly provided herein, none of the Lots may be improved, used or occupied for other than single family, private residential purposes. No trailer, outbuilding or Exterior Structure shall at any time be used for human habitation, temporarily or permanently; nor shall any residence of a temporary character be erected, moved onto or maintained upon any of the Lots or any Common Areas or used for human habitation; provided, however, that nothing herein shall prevent the Developer or others (including, without limitation, builders and real estate brokerage companies) authorized by the Developer from using trailers or temporary buildings or structures or any residence or clubhouse for model, office, sales or storage purposes during the development and build out of the Subdivision.

3. Building Material Requirements.

(a) Exterior walls of all residences and all appurtenances thereto shall be of stucco, brick, stone, wood shingles, wood paneling, wood lap siding, plate glass, glass blocks, wood trim, or any other materials specifically approved by the Developer. All windows and exterior doors shall be constructed of glass, wood, metal or vinyl clad, fiberglass, or any other materials specifically approved by the Developer. Roofs shall be covered with composition shingles of the specific types, colors, styles, dimensions and other aesthetic factors approved by the Developer in writing. Notwithstanding the foregoing provisions of this Section 3 requiring or prohibiting specific building

materials or products, any building materials or products that may be or come into general or acceptable usage for dwelling construction of comparable quality and style in the area, as determined by the Approving Party in its absolute discretion, shall be acceptable upon written approval by the Approving Party in its absolute discretion. In the event the City or other government agency with jurisdiction and authority requires specific building materials not authorized above or requires that Owners have additional choices of building materials not authorized above, the Approving Party shall have the right, in its absolute discretion, to establish and regulate in the specific types, colors and other aesthetic features of such new or additional building materials.

(b) All applicable exterior components (excluding roofs, brick, stone, and similar components) shall be covered with a workmanlike finish of paint or stain. No residence or Exterior Structure shall stand with its exterior in any unfinished condition for longer than five months after commencement of construction. All exterior basement foundations and walls which are exposed in excess of 12 inches above final grade shall be painted the same color as the residence or covered with siding compatible with the structure.

(c) No air conditioning apparatus or unsightly projection shall be attached or affixed to the front of any residence.

(d) No metal or other pipe shall be exposed on the exterior of any fireplace or fireplace flue (other than a minimal amount of exterior metal or piping from a direct vent fireplace). All fireplace flues in chimneys shall be capped with a black or color conforming metal rain cap.

(e) Except as otherwise permitted by the Developer in writing, all residences shall have a house number plate in the style(s) approved by the Developer.

(f) All driveways and sidewalks shall be concrete, patterned concrete, bomanite, interlocking pavers, brick or other permanent stone finishes. Crushed gravel, asphalt and natural driveways and sidewalks are prohibited. No driveway shall be constructed in a manner as to permit access to a street across a rear property line.

(g) All residences shall have at least a two-car garage. No car ports are permitted.

(h) The Developer, in its discretion, may allow variances from the foregoing requirements of this Section 3.

4. **Minimum Floor Area.** No residence shall be constructed upon any Lot unless it has a total finished floor area of at least 1,800 square feet for a two story or a one and one-half story residence and at least 1,500 square feet for a ranch residence (excluding any finished attics, garages, basements and similar habitable areas). The Developer, in its absolute discretion, may allow variances from the minimum square footage requirement.

5. **Approval of Plans; Post-Construction Changes; Grading; Tree Preservation Easement.**

(a) Notwithstanding compliance with the provisions of Sections 3 and 4 above, no residence or Exterior Structure may be erected upon or moved onto any Lot unless and until the building plans, specifications, exterior materials, location, elevations, plot plan, lot grading plan, and exterior color scheme (all as and when may be required by the Developer for each particular stage of construction) have been submitted to and approved in writing by the Developer or, in the case of Exterior Structures to the extent provided in Section 8 below, the Architectural Committee, in each case as to architectural consistency and other aesthetic factors. No change or alteration in such building plans, specifications, exterior materials, location, elevations, lot grading plans, or exterior color scheme shall be made unless and until such change or alteration has been submitted to and approved in writing by the Developer or the Architectural Committee, as the case may be. All building plans and plot plans shall be designed to minimize the removal of existing trees.

(b) Following the completion of construction of any residence or Exterior Structure, no significant exterior color change or exterior addition or alteration shall be made thereto unless and until the change, addition or alteration has been submitted to and approved in writing by the Architectural Committee. All replacements of all or any portion of a completed structure because of age, casualty loss or other reason, including, without limitation, roofs and siding, shall be of the same materials, location and elevation as the original structure unless and until the changes thereto have been submitted to and approved in writing by the Architectural Committee.

(c) All final grading of each Lot shall be in accordance with any master grading plan approved by the City, any related grading plan furnished by the Developer for the development phase containing the Lot and any specific site grading plan for the Lot approved by or for the Developer. No landscaping, berms, fences or other structures shall be installed or maintained that impede the flow of surface water. Water from sump pumps shall be drained away from adjacent residences (actual and future). No changes in the final grading of any Lot shall be made without the prior written approval of the Approving Party and,

if necessary, the City. The Developer shall have no liability or responsibility to any builder, Owner or other party for the failure of a builder to final grade or maintain any Lot in accordance with the master grading plan or any approved lot grading plan or for the Developer not requiring a lot grading plan or compliance therewith or for the quality or composition of any soil or subsurface material. The Developer does not represent or guarantee to any Owner or other person that any grading plan for the Lots that the Developer or any engineer or other party may approve or supply shall be sufficient or adequate or that the Lots will drain properly or to any Owner's or other person's satisfaction.

(d) During the construction of the residence and improvements on such Lot, Owner, at its expense, shall install and properly maintain, until the Lot is completely sodded, hay bales, fencing and such other erosion and silt control devices as are necessary to prevent storm water runoff from the Lot that deposits silt or other debris onto adjacent Lots, Common Areas and streets. In connection therewith, the Owner shall comply with all Federal, state and local governmental laws, regulations and requirements, with all applicable permits, and with all requirements imposed by Developer, including, without limitation, preparation of inspection reports, and the Owner shall be responsible for any and all fines and assessments that may be levied by any government authority as a result of a failure of the Owner to so comply.

(e) All site preparation, including, but not limited to, tree removal, excavation, grading, rock excavation/removal, hauling, and piercing, etc., shall be at the sole expense of the Owner or builder. All trees and rock, etc., shall be removed from the Subdivision and shall not be spoiled within the Subdivision.

(f) Approval of plans or specifications by the Developer or any other Approving Party is not, and shall not be deemed to be, a representation or warranty that such plans or specifications comply with good engineering/architectural practices or any governmental requirements.

6. Set Backs. No residence, or any part thereof (exclusive of porches, porticoes, stoops, balconies, bay and other windows, eaves, chimneys and other similar projections), or Exterior Structure, or any part thereof, shall be nearer the street line than the building set back lines shown on the recorded plat for such Lot; provided, however, that the Approving Party shall have (i) the right to decrease, in its discretion, the set back lines for a specific Lot, to the extent they are greater than the minimum set backs required by the City, by filing an appropriate instrument in writing in the Recording Office and (ii) the right to increase, in its discretion, the setback lines for a specific Lot(s).

7. Commencement and Completion of Construction. Unless the following time periods are expressly intended by the Developer in writing, construction of the residence on a Lot shall be commenced within three months following the date of delivery of a deed from the Developer to the purchaser of such Lot and shall be completed within seven months after such construction commencement. In the event such construction is not commenced within such three month period (or extension thereof, if any), the Developer shall have, prior to commencement of construction, the right (but not the obligation) to repurchase such Lot from the Owner at the sale price of the Lot from the Developer to the initial purchaser thereof. If such repurchase right is exercised by the Developer, the Owner of the Lot in violation of this construction commencement provision shall not be entitled to reimbursement for taxes, interest or other expenses paid or incurred by or for such Owner.

8. Exterior Structures.

(a) No Exterior structure shall be erected upon, moved onto or maintained upon any lot except (i) strictly in accordance with and pursuant to the prior written approval of the Architectural Committee as to the applicable building plans, specifications, exterior materials, location, elevations, lot grading plans and exterior color scheme and (ii) in compliance with the additional specific restrictions set forth in subsection (b) below or elsewhere in this Declaration. Notwithstanding the foregoing sentence, the approval of the Architectural Committee shall not be required for (I) any Exterior Structure erected by or at the request of the Developer or (II) any Exterior Structure that (A) has been specifically approved by the Developer prior to the issuance of a temporary or permanent certificate of occupancy as part of the residential construction plans approved by the Developer and (B) has been built in accordance with such approved plans. Compliance with the specific requirements or restrictions set forth in subsection (b) below or elsewhere in this Declaration shall not automatically entitle an Owner to install or maintain any specific Exterior Structures, and the Approving Party, in its discretion, shall always have the right to additionally regulate prohibit, condition or otherwise restrict any Exterior Structure notwithstanding such otherwise compliance.

(b)

(i) All fence and privacy screen plans must be approved by the Approving Party and (where required) the City prior to installation. Only aluminum fencing such as Independence fencing by Master Halco, or similar fencing of other brands, or fencing specifically approved by the Developer shall be permitted on the Lots. All fences, boundary walls and privacy screens shall be ornamental and shall not disfigure the property or the neighborhood or interfere with drainage. All fences and privacy screens shall be constructed with the finished side out. No chain link, wire or similar fence shall be permitted. No fence shall be installed without a permit from the City (where required) and complying with all applicable laws and codes. Privacy

(iv) No above ground type swimming pools shall be permitted. All swimming pools shall be fenced and all hot tubs shall be fenced or otherwise adequately screened, all in accordance with City requirements and the other provisions of the Declaration. All pools and hot tubs shall be kept clean and maintained in operable condition at all times.

(v) All outside dog houses shall be located in the back yard, shall be painted or stained (where appropriate) the same color of the residence, and shall have roofs that are the same as the residence.

(a) Except as otherwise provided in Section 2 above, no residence or Exterior Structure, or any portion thereof, shall ever be placed, erected or used for business, professional, trade or commercial purposes on any Lot; provided, however, that this restriction shall not prevent an occupant from maintaining an office area or operating a home-business occupation in his residence so long as (i) such home-business is operated in accordance with the applicable ordinances of the City, (ii) no more than one motor vehicle related to the operation of such home-business may be parked in the driveway serving such residence, provided, however, such motor vehicle may only be parked in the driveway and not in any streets or Common Area, and only during normal business hours and must also comply with subsections (c), (d), (e), and (f) below, (iii) no signs or other materials related to such home-business shall be visible from the outside of such residence, and (iv) the residential character of the area is maintained.

(b) No illegal, noxious or offensive activity shall be carried on with respect to any Lot; nor shall any trash, ashes or other refuse be thrown, placed or dumped upon any Lot or Common Area; nor shall anything be done which may be or become an annoyance or a nuisance to the Subdivision, or any part thereof. Each Owner shall properly maintain his Lot in a neat, clean and orderly fashion. Each residence and Exterior Structure on a Lot (including, without limitation, any fence that may have been installed by or for the Developer) shall be kept and maintained by the Owner in good condition and repair at all times. (g) No television, radio, citizens' band, short wave or other antenna, satellite dish (in excess of 39 inches in diameter as provided below), solar panel, clothes line or pole, or other unsightly projection shall be attached to the exterior of any residence or Exterior Structure or erected in any yard. Should any part or all of the restriction set forth in the preceding sentence be unenforceable because it violates a statute or the First Amendment or any other provision of the United States Constitution, the Approving Party shall have the right to establish rules and regulations regarding the location, size, landscaping and other aesthetic aspects of such projections so as to reasonably control the impact of such projections on the Subdivision, and all parts thereof, and any such rules and regulations shall be binding upon all of the Lots. Notwithstanding any provision in this Declaration to the contrary, small satellite dishes (maximum 39 inches in diameter) may be installed, with the prior written consent and in accordance with the requirements of the Approving Party, so as to render the installation as inoffensive as possible to other Owners.

(h) No artificial flowers, trees or other vegetation shall be permitted on the exterior of any residence or in the yard. Sculptures, bird baths, fountains, yard art, and similar decorative objects are allowed on the exterior of the residence or in the yard only with the specific written approval of the Approving Party.

(n) No shed, barn, detached garage or other storage facility shall be erected upon, moved onto or maintained upon any Lot without approval by the Developer or the Approving Party. Storage shall be permitted under a deck provided such area is screened with materials and in the manner approved by the Approving Party as otherwise authorized herein.

For newly constructed homes offered for sale, only a real estate brokerage company sign (which may include a rider identifying the builder), and not also a separate sign for the builder, may be used if a real estate brokerage company is involved.

(ii) One garage sale sign not more than three feet high or three feet wide is permitted on the Lot when a garage sale is being held, provided such signs are erected in accordance with City code and are installed no more than two hours before the start of the sale and are removed within two hours after the close of the sale.

No lease may be of less than an entire residence. Each lease shall be in writing, shall require that the tenant and other occupants acknowledge the existence of this Declaration and agree to comply with all provisions of this Declaration, shall provide that the lease shall be subject in all respects to the provisions of this Declaration and to the rules and regulations promulgated from time to time by the Board, and shall provide that the failure by the tenant to comply with the terms of this Declaration or such rules and regulations shall be a default under the lease. In the event a tenant fails to comply with the terms of this Declaration or such rules and regulations, the Owner shall, if so directed by the Board, terminate the lease and evict the tenant. Prior to the commencement of the term of a lease, the Owner shall notify the Board, in writing, of the name or names of the tenant or tenants and the time during which the lease term shall be in effect. Notwithstanding the existence of a lease, the Owner shall remain liable for all obligations under this Declaration with respect to the Lot and the improvements thereon and the use thereof and the Common Areas and the Owner shall cause the rented property to be maintained to the same general condition and standards as then prevailing for the Owner-occupied residences in the Subdivision.

Within 60 days after the issuance of any permanent or temporary certificate of occupancy for the residence, all lawns, including all areas between each residence and any adjacent street, regardless of the existence and location of any fence, monument, boundary wall, berm, sidewalk or right-of-way line, shall be fully sodded and shall remain fully sodded at all times thereafter; provided, however, that the Owner of a Lot may leave a portion of the Lot as a natural area with the express written permission of the Approving Party. No lawn shall be planted with zoysia or buffalo grass.

Within 60 days after the issuance of any permanent or temporary certificate of occupancy for the residence, the Owner thereof shall landscape the Lot to the same standards as that generally prevailing throughout the Subdivision.

To the extent any of the foregoing items are not completed prior to occupancy, the Owner shall escrow funds, in an amount (if any) and manner determined by the Developer, to assure such installation when weather permits.

The Developer shall have, and does hereby reserve, the right to locate, erect, construct, maintain and use, or authorize the location, erection, construction, maintenance and use of drains, pipelines, sanitary and storm sewers, gas and water lines, electric and telephone lines, television cables and other utilities, and to give or grant rights-of-way or easements therefor, over, under, upon and through all easements and rights-of-way of record or shown on any recorded plat of the Subdivision or any Common Area. All utility easements and rights-of-way shall inure to the benefit of all utility companies, governmental authorities, the Developer and the Homes Association, for purposes of installing, maintaining or moving any utility lines or services and shall inure to the benefit of the Developer, all Owners and the Homes Association as a cross easement for utility line service and maintenance.

The Developer shall have and does hereby reserve for itself and its successors and assigns and the Homes Association and its successors and assigns an easement over and through all unimproved portions of each Lot in the Subdivision for the purpose of performing the powers and duties of the Homes Association and maintaining any Common Area. The Developer shall have the right to execute and record, at any time, an easement with respect to specific areas utilized as provided above.

The Developer and the Homes Association, through its authorized representative(s), may at any reasonable time enter any Lot, without being deemed guilty of trespass, for the purpose of inspecting the Lot and any improvements thereon to ascertain any compliance or noncompliance with the requirements and terms of this Declaration and/or any plans approved hereunder.

In the event any easement rights granted in this Section are exercised with respect to any Lot, the party so exercising such easement rights shall exercise the same in a reasonable manner so as to minimize all adverse effects on the Owners and shall promptly repair any damages to such Lot resulting from the exercise of such easement rights and restore the Lot to as near the original condition as possible.

(a) The Developer shall have the right (but is not obligated) to provide Common Areas for the use and benefit of the Subdivision. The size, location, nature and extent of improvements and landscaping, and all other aspects of the Common Areas that are provided by the Developer, shall be determined by the Developer in its absolute discretion.

(b) The Developer and its successors, assigns, and grantees, the Owners, and the Homes Association shall have the right and easement of enjoyment in and to all of the Common Areas, but only for the intended and permitted use of such Common Areas. Such right and easement in favor of the Owners shall be appurtenant to, and shall automatically pass with, the title to each Lot. All such rights and easements shall be subject to the rights of any governmental authority or any utility therein or thereto.

(c) Any ownership by the Homes Association of any Common Area and the right and easement of enjoyment of the Owners in the Subdivision as to any Common Area shall be subject to the right of the Developer to convey sewage, water, drainage, pipeline, maintenance, electric, telephone, television and other utility easements over, under, upon and through such Common Area, as provided in Section 12 above.

(d) No Owner shall improve, destroy or otherwise alter any Common Area without the express written consent of the Approving Party.

(e) Owners of Lots adjacent or nearby the Common Areas shall prevent erosion and pollutant discharges and runoff onto the Common Areas.

(f) The following rules, regulations and restrictions shall apply to the use of the Green Areas:

(i) No automobiles, motorcycles, all-terrain vehicles, or other motorized vehicles or apparatus of any kind shall be allowed in the Green Areas except for mowing and otherwise maintaining the Green Area.

(ii) No refuse, trash or debris shall be discarded or discharged in or about the Green Areas except in designated trash bins.

(iv) Each of the Developer and the Homes Association shall have reasonable access through Lots adjacent to the Green Areas for the purposes of maintenance and improvement thereof, but shall be responsible for repairing any damage caused by it to adjacent Lots in connection with the use of such access right.

(g) The Developer and the Homes Association shall have the right from time to time to make, alter, revoke and enforce additional rules, regulations and restrictions pertaining to the use of any Common Area.

(h) The Developer, in its discretion, shall have the right to reconfigure and/or replat all or any part of the Subdivision then owned by it, including, without limitation, to make part of a Common Area tract a part of a Lot, and vice versa. In addition, each of the Developer and the Homes Association shall have the right to transfer to the City title to or easements over all or any part of the Common Areas so that such become public areas maintained by the City.

14. Architectural Committee.

(a) No more than two members of the Board shall serve on the Architectural Committee at any time. The positions on the Architectural Committee may be divided by the Board into two classes with staggered two-year terms. The foregoing provisions of this subsection (a) shall not apply until the Turnover Date. Until the Turnover Date, the Developer or its designees shall be the Architectural Committee.

(b) The Architectural Committee shall meet as necessary to consider applications with respect to any Exterior Structures that require the approval of the Architectural Committee as provided in Section 8 above and to consider any other matters within the authority of the Architectural Committee as provided in this Declaration. A majority of the members of the Architectural Committee shall constitute a quorum for the transaction of business at a meeting and every act or decision made by a majority of the members present at a meeting at which a quorum is present shall be regarded as the act or decision of the Architectural Committee.

(c) At each meeting, the Architectural Committee shall consider and act upon written and complete applications that have been submitted to it for approval in accordance with this Declaration. In making its decisions, the Architectural Committee may consider any and all aspects and factors that the individual members of the Architectural Committee, in their discretion, determine to be appropriate to establish and maintain the quality, character and aesthetics of the Subdivision, including, without limitation, the building plans, specifications, exterior color scheme, exterior materials, location, elevation, lot grading plans, landscaping plans (if any) and use of any proposed Exterior Structure. All decisions of the Architectural Committee shall be in writing and delivered to the applicant, who shall be responsible for keeping the same. The Architectural Committee may establish in advance and change from time to time certain procedural and substantive guidelines and conditions that it intends to follow in making its decisions. Any written application complete with all required drawings and other information that is not acted upon by the Architectural Committee within 21 days after the date on which it is filed shall be deemed to have been approved.

(d) After the Turnover Date, any applicant or other person who is dissatisfied with a decision of the Architectural Committee shall have the right to appeal such decision to the Board provided such appeal is filed in writing with a member of the Board within 30 days after the date the Architectural Committee renders its written decision. In making its decisions, the Board may consider any and all aspects and factors that the individual members of the Board, in their discretion, determine to be appropriate to establish and maintain the quality, character and aesthetics of the Subdivision, including, without limitation, the building plans, specifications, exterior color scheme, exterior materials, location, elevation, lot grading plans, and use of any proposed Exterior Structure. Any decision rendered by the Board on appeal of a decision of the Architectural Committee shall be final and conclusively binding on all parties and shall be deemed to be the decision of the Architectural Committee for all purposes under this Declaration. The Board from time to time may adopt, amend and revoke rules and regulations respecting appeals of decisions of the Architectural Committee, including, without limitation, requiring payment of a reasonable fee by the appealing party.

15. No Liability for Approval or Disapproval: Indemnification.

(a) Neither the Developer, nor the Homes Association, nor any member of the Architectural Committee or the Board (or any committee thereof) shall be personally liable to any person for any approval, disapproval or failure to approve any matter submitted for approval, for the adoption, amendment or revocation of any rules, regulations, restrictions or guidelines or for the enforcement of or failure to enforce any of the restrictions contained in this Declaration or any other declaration or any such rules, regulations, restrictions or guidelines.

(b) If any Owner commences a lawsuit or files a counterclaim or crossclaim against the Homes Association, the Board, the Architectural Committee, or any individual member, director, officer or employee thereof, and such Owner fails to prevail in such lawsuit, counterclaim or crossclaim, the Homes Association, the Board, or individual sued by such Owner shall be entitled to recover from such Owner all litigation expenses incurred in defending such lawsuit, counterclaim or crossclaim, including reasonable attorneys' fees. Such recovery right shall constitute a lien against the Owner's Lot and shall be enforceable against such Lot.

(c) To the fullest extent permitted by law, the Homes Association shall indemnify each officer and director of the Homes Association, each member of the Architectural Committee and the Developer (to the extent a claim may be brought against the Developer by reason of its appointment, removal of or control over, or failure to control, any such other persons) (each, an "Indemnified Party") against all expenses and liabilities, including, without limitation, attorneys' fees, reasonably incurred by or imposed upon the Indemnified Party in connection with any action or proceeding, or any settlement thereof, to which the Indemnified Party may be a party or in which the Indemnified Party may become involved by reason of serving or having served in such capacity (or, in the case of the Developer, by reason of having appointed, removed or controlled or failed to control any officer or director of the Association, provided the Indemnified Party did not act, fail to act or refuse to act with fraudulent or criminal intent in the performance of the Indemnified Party's duties. The foregoing rights of indemnification shall be in addition to and not exclusive of all other rights to which any Indemnified Party may be entitled at law or otherwise.

16. Future Benefit Districts.

(a) The Developer is a party to two agreements with the City regarding the formation or potential formation of two benefit districts that will burden and be payable by the property in the Subdivision. The provisions of this Section are included within this Declaration in accordance with the requirements of such two agreements.

(b) Neither the Developer, the Homes Association nor any Owner of a Lot shall oppose the creation of any lawfully created or proposed general or special assessment district initiated by the City to fund any costs associated with traffic control measures necessitated by an increase in traffic at the intersections of 83rd Street and Kill Creek Road and/or 83rd Street and Valley Spring Drive, which increase in traffic is attributable to the Subdivision. Such costs are anticipated to include, but not be limited to, additional traffic control devices, re-engineering and/or reconfiguration of intersections, turn lanes, approaches, tapers, and/or installation of a traffic circle or roundabout. Nothing herein shall be construed as including in the benefit district improvements that are not directly related to improvements made at the intersections of 83rd Street and Kill Creek Road and/or 83rd Street and Valley Spring Road. Furthermore, nothing herein shall be construed as limiting the full legal and public hearing rights to protest and contest the amount or method of any such assessment.

(c) Neither the Developer, the Homes Association nor any Owner of a Lot shall oppose the creation of any lawfully created or proposed benefit or improvement district to fund off-site improvements proposed by the Developer for the Subdivision (to be paid for solely by special assessments not to exceed \$672,305.40 in the aggregate against the property in the Subdivision) and, at the discretion of the City, certain expanded and enhanced improvements (to be paid for solely by a City-at-large assessment).

(d) By accepting a deed to a Lot, each Owner shall be deemed to have consented to the formation of a benefit or improvement district(s) to pay for such future improvements and to the levy of special assessments against all Lots in the Subdivision.

17. Covenants Running with Land; Enforcement; Waivers. The agreements, restrictions, reservations and other provisions herein set forth are, and shall be, covenants running with the land and shall be binding upon all subsequent grantees of all parts of the Subdivision. The Developer, and its successors, assigns and grantees, and all parties claiming by, through or under them, shall conform to and observe such agreements, restrictions, reservations and other provisions; provided, however, that neither the Developer, the Homes Association nor any other person or entity shall be obligated to enforce any such agreements, restrictions, reservations or other provisions. By accepting a deed to any of the Lots, each future grantee of any of the Lots shall be deemed to have personally consented and agreed to the agreements, restrictions and reservations set forth herein as applied to the Lot owned by such Owner. No agreement, restriction, reservation or other provision herein set forth shall be

personally binding upon any Owner except with respect to breaches thereof committed or allowed to continue during his ownership; provided, however, that (i) the immediate grantee from the builder of the residence on a Lot shall be personally responsible for breaches committed during such builder's ownership of such Lot and (ii) an Owner shall be personally responsible for any breach committed by any prior Owner of the Lot to the extent notice of such breach was filed of record, as provided in the third paragraph of this Section, prior to the transfer of ownership.

The Developer, the Homes Association and each Owner shall have the right (but not the obligation) to sue for and obtain an injunction, prohibitive or mandatory, to prevent the breach of or to enforce the observance of the agreements, restrictions, reservations and other provisions herein set forth, in addition to any action at law for damages. To the maximum extent permitted by law, if the Developer or the Homes Association files such court action and is successful in obtaining a judgment or consent decree in such court action or otherwise obtaining compliance by the breaching party, the Developer and/or Homes Association shall be entitled to receive from the breaching party, as part of the judgment or decree or any dismissal or settlement, the actual legal fees and expenses incurred by the Developer and/or Homes Association with respect to such action.

Whenever the Developer or the Board determines that a violation of this Declaration has occurred and is continuing with respect to a Lot, the Developer or the Homes Association may file with the Recording Office a certificate setting forth public notice of the nature of the breach and the Lot involved.

No delay or failure by any person or entity to exercise any of its rights or remedies with respect to a violation of this Declaration shall impair any of such rights or remedies; nor shall any such delay or failure be construed as a waiver of that or any other violation.

In addition to the specific provisions of this Declaration that allow the Developer to make certain decisions or give permission for certain matters, the Developer may, under special situations or circumstances as determined by it, allow variances or waivers of the requirements or terms set forth in this Declaration. Any such variation or waiver so granted by the Developer shall not constitute a waiver of such requirement or term in any other situation or under any other circumstances.

No waiver of any violation shall be effective unless in writing and signed and delivered by the person or entity entitled to give such waiver, and no such waiver shall extend to or affect any other violation or situation, whether or not similar to the waived violation. No waiver by one person or entity shall affect any rights or remedies that any other person or entity may have; provided, however, that a duly authorized, executed and delivered waiver by the Homes Association, acting upon a decision of the Board, respecting a specific violation or potential violation of this Declaration with respect to a specific Lot shall constitute and be deemed as a waiver by all other persons and entities (other than the Developer) of such violation or potential violation.

18. Assignment of Developer's Rights. The Developer shall have the right and authority, by written agreement made expressly for that purpose, to assign, convey and transfer to any person(s) or entity, all or any part of the rights, benefits, powers, reservations, privileges, duties and responsibilities herein reserved by or granted to the Developer, and upon such assignment the assignee shall then for all purposes be the Developer hereunder with respect to the assigned rights, benefits, powers, reservations, privileges, duties and responsibilities. Such assignee and its successors and assigns shall have the right and authority to further assign, convey, transfer and set over the rights, benefits, powers, reservations, privileges, duties, and responsibilities of the Developer hereunder.

19. Release or Modification of Restrictions.

(a) The provisions of this Declaration shall remain in full force and effect until December 31, 2045, and shall automatically be continued thereafter for successive periods of five years each; provided, however, that the Owners of at least a majority of the Lots within the Subdivision as then constituted may release the Subdivision, from all or part of such provisions as of December 31, 2045, or at the expiration of any extension period, by executing (in one or more counterparts), acknowledging and recording in the Recording Office an appropriate agreement in writing for such purpose, at least one year prior to December 31, 2045, or to a subsequent expiration date, whichever is applicable. Prior to this time, but after the recording of the Certificate of Substantial Completion, the provisions of this Declaration may be amended, modified or terminated, in whole or in part, at any time by a duly acknowledged and recorded written agreement executed by the Homes Association after the proposed amendment, modification or termination has been first approved by the affirmative vote of 75% or more of the full number of directors on the Board of the Homes Association and then approved at a duly held meeting of the members of the Homes Association (called in whole or in part for that purpose) by the affirmative vote of Owners owning at least 60% of the Lots.

(b) Notwithstanding anything set forth in this Section to the contrary and until the filing of the Certificate of Substantial Completion, the Developer shall have the absolute, unilateral right, power and authority to revise, amend, change or add to any of the terms and provisions of this Declaration, as from time to time amended or supplemented, by executing, acknowledging and recording in the Recording Office an instrument for such purpose. No such amendment by the Developer shall require the consent of any Owner.

(c) If the rule against perpetuities or any rule against restraints on alienation or similar restriction is applicable to any right, restriction or other provision of this Declaration, such right, restriction or other provision shall terminate (if not earlier terminated) upon lapse of 20 years after the death of the last survivor of the individual(s) signing this Declaration on behalf of the Developer and the now-living children and grandchildren of the individual(s) signing this Declaration on behalf of the Developer as of the date of such execution.

20. Extension of Subdivision. The Developer shall have, and expressly reserves, the right, from time to time, to add to the existing Subdivision and to the operation of the provisions of this Declaration other adjacent or nearby lands (without reference to any tract, street, park or right-of-way) by executing, acknowledging and recording in the Recording Office a written instrument subjecting such land to all of the provisions hereof as though such land had been originally described herein and subjected to the provisions hereof; provided, however, that such declaration or agreement may contain such deletions, additions and modifications of the provisions of this Declaration applicable solely to such additional property as may be necessary or desirable as solely determined by the Developer in its discretion.

21. Severability. Invalidation of any of the provisions set forth herein, or any part thereof, by an order, judgment or decree of any court, or otherwise, shall not invalidate or affect any of the other provisions or parts.

22. Governing Law. This Declaration shall be governed by and construed in accordance with the laws of Kansas.

IN WITNESS WHEREOF, the Developer has caused this Declaration to be duly executed the day and year first written above.
