## NEW RESIDENT STUDENT ARRIVAL

FRIDAY, AUGUST 14

We look forward to welcoming you to Villanova! All new resident students are to arrive on Friday, August 14. If arriving as a family, please arrive between noon - 4pm for check-in. Also, be sure to plan on any travel or family activities before August 14 so that your student can be dropped off on time and has the full on-boarding experience at Villanova.

If your student is arriving alone, there is airport pick-up for unaccompanied students from Los Angeles International Airport. Please fill out all the forms in your Online Enrollment Portal to organize your student's arrival, you will provide flight information, student contact details, etc.

## NEW STUDENT ORIENTATION

SATURDAY, AUGUST 15

For the first week at Villanova, new resident students will have an important orientation period. On Saturday, August 15, starting at 9:00 am, there will be a New Student Orientation for all new Villanova Wildcats, including local students and resident students! At this orientation event your student receives their class schedule, Villanova email account, locker, and other important information.

## FIRST DAY OF SCHOOL

THURSDAY, AUGUST 19

The first day of school is Thursday, August 20, 2026, at 8:00 am. Families are invited for coffee and pastries during the welcome announcements.

## ATHLETICS DETAILS

In order to participate in athletics, even summer practices, you will need to complete a number of forms found in the **Online Enrollment Portal**. To remain eligible through your years at Villanova, you will need to complete a sports physical annually; Villanova will have a doctor on campus during orientation to conduct sports physicals for our resident students, ensuring continual eligibility year after year. Stay tuned for emails from our Athletic Director regarding fall sports at Villanova!

## ACADEMICS DETAILS

Placement in advanced classes is based on courses taken prior, grades received, teacher recommendations and Villanova Placement Tests. Placement Tests are conducted once a student arrives on Villanova's campus in August.

You will also receive an email from the College Counseling office this spring and your family will set an appointment to meet via Zoom to discuss goals for high school and beyond. Villanova's College Counseling office is an amazing resource for families!

## ENROLLMENT DETAILS

The Villanova Online Enrollment Portal can be found on the Villanova website at: [villanovaprep.org/admission](http://villanovaprep.org/admission). If your student requires a student visa, their I-20 Form will be processed within one week of their contract and deposit being submitted through the Online Enrollment Portal.

It is a requirement in California that all students submit a copy of their Immunization Record before they are allowed to attend classes. You may upload a copy to your Online Enrollment Portal, or submit via email to [registrar@villanovaprep.org](mailto:registrar@villanovaprep.org).

Tuition payments are made through the Online Enrollment Portal, or from international banks using the online platform called Flywire. Any questions about student accounts can be directed to [statements@villanovaprep.org](mailto:statements@villanovaprep.org).
