2025-2026 ANNUAL REPORT | INTRODUCTION & VALUES

Welcome To The Wildcat Community

Dear Parents, Alumni, Grandparents, and Friends of Villanova Prep — Welcome to our 2025-2026 Annual Report. As we reflect on a historic year of growth, academic excellence, and spiritual formation, we extend our heartfelt gratitude to everyone whose prayers and generosity sustain our mission. Together, we continue a century-long legacy of transforming young lives in the Augustinian tradition.

Our Mission Statement

In the Augustinian tradition, the Mission of Villanova Preparatory School is to graduate mature young adults of diverse backgrounds who reflect the qualities of truth, unity, and love. The school does this by providing a challenging college preparatory curriculum and Catholic environment that promote the development of mind, heart, and body. These young adults will think, judge, and act in ways that are sound and in keeping with the teachings of Jesus Christ.

OUR AUGUSTINIAN VALUES

VERITAS — TRUTH

Seeking truth through intellectual rigor, sound judgment, moral integrity, and lifelong wisdom.

UNITAS — UNITY

Fostering an inclusive, close-knit community bounded by faith, friendship, and mutual respect.

CARITAS — LOVE

Serving others with compassionate hearts, active leadership, and Augustinian charity.

CHARACTERISTICS OF A VILLANOVA EDUCATION

Replacing the traditional index, these hallmarks reflect our core commitments to student excellence and community.

Catholic Culture & Philosophy
Education distinctively Catholic in its philosophy, instruction, culture, and daily practices, forming hearts and minds in faith.

Student-Centered Excellence
Academic rigor with students at the center of learning, fostering intellectual curiosity, critical thinking, and artistic talents.

Dedicated Faculty & Leadership
Outstanding faculty and staff grounded in Augustinian values, fully dedicated to teaching, mentorship, and student success.

Diverse & Global Community
A welcoming school family enriched by international resident students, offering global citizenship and lifelong friendships.

Vibrant & Safe Campus Life
A small, supportive, and safe community situated in Ojai's beautiful natural environment, enhancing student life.

Distinguished Women in STEM
Specialized, top-tier program empowering young women in the rigorous study of mathematics and the sciences.

Office of Alumni & Development
Lawrence Parkhill P'29 - *Director of Development*
Stella Day P'11- *Associate Director of Development for Alumni Relations & Special Events*
Tessa Hottinger P'29 - *Associate Director of Development for Annual Giving & Foundation Relations*

A Letter from the President

Having spent 43 years helping lead some of our nation's best schools, colleges and universities, I know educational excellence when I see it. Drawing on a rich intellectual tradition that dates back to the founding of the Order of Saint Augustine in 1244, Villanova Prep inspires students to strive for excellence in all they do. It does this through rigorous academics, competitive athletics, and co-curricular programs that build character and develop leadership potential.

Reflective of the striking Topa Topa Mountains that surround the campus, we're climbing new heights as we aspire to become the most respected Catholic boarding and day school in America.

Thanks to the dedication of our extraordinary faculty and staff, and the generosity of our alumni, parents and friends, I'm pleased to report that Villanova Prep is stronger than ever. Enrollment is at a 16-year high. We recently hit a new record in fundraising. We've made dozens of campus improvements, and are drafting an ambitious plan to position Villanova among the best of America's 300+ boarding and day schools.

Most importantly, our students are growing in wisdom and virtue as they experience the joy of learning within a loving community.

Villanova strikes a perfect and difficult balance by pairing academic rigor with the necessary support to excel. We hold students, faculty and staff to high standards while providing the tools community members need to succeed. Unlike any place I've worked – including an Ivy League college and federal service academy – Villanova nurtures and encourages excellence. Our students realize that achievement isn't a zero-sum game. The success of friends and classmates doesn't diminish one's ability to succeed. Indeed, VPS is a place where people genuinely take pride in the accomplishments of others. That's a remarkable thing in a hyper-competitive world, and one of the many attributes that make Villanova a special place.

One parent summed it up by saying "it's cool to be smart at Villanova." Hundreds of others report that their children love coming to school. A recent survey indicated that 95% of current parents are "extremely likely" or "highly likely" to recommend VPS to their friends.

Thanks to those who invest in its mission, Villanova is a place where students are inspired to reach for the best in themselves as they grow in humility, faith, character and confidence. Thank you for helping us prepare leaders who'll make vital contributions to society.

Gratefully,

James C. Link

Augustinian Pilgrimages

Journeying Together: Faith, Service, and the Augustinian Tradition

This spring, Villanova Prep students took their learning beyond the classroom through two transformative pilgrimages that brought our Augustinian identity to life. From walking in the footsteps of St. Augustine in Italy to serving communities in the Philippines, these experiences invited students to deepen their faith, embrace new cultures, and discover what it means to live a life of compassion and service.

Walking in the Footsteps of St. Augustine

In April, twenty-one students embarked on an eleven-day Augustinian Pilgrimage through Italy, visiting Rome, Vatican City, Ostia Antica, San Gimignano, Siena, Milan, and Pavia. Students attended Easter Sunday Mass and the Urbi et Orbi blessing in St. Peter's Square, explored ancient Roman sites, visited the place of St. Augustine's baptism in Milan, and prayed before his tomb in Pavia.

Daily reflections, shared meals with Augustinian communities, and time spent together helped students deepen their understanding of their faith and Augustinian heritage while forming friendships and memories that will last well beyond the journey. And, of course, there was plenty of gelato and shopping along the way!

Faith in Action in the Philippines

A second group of students traveled to the Philippines, where faith and service came together through meaningful cultural exchange and hands-on service. Guided by the call of Matthew 25:35, students served communities at Bubusawin Elementary School on Palawan and MASA ATI High School on Panay Island, distributing food, water, school supplies, backpacks, and six laptops to support local students.

The students also participated in Mass at historic San Agustin Church in Manila, where they had the honor of serving as the offertory bearers. This meaningful moment let them actively participate in the liturgy and connect their service throughout the pilgrimage to their faith.

Working alongside local students and community members, our Wildcats experienced the power of service through connection, collaboration, and shared learning. The journey also offered opportunities for cultural immersion, including cultural performances, bamboo bike tours through Manila, and time exploring Palawan, Boracay, and Manila.

Together, these pilgrimages gave students the opportunity to experience faith not simply as something they learn about, but as something they live. Whether following in the footsteps of St. Augustine or serving alongside communities halfway around the world, our students returned home with a deeper sense of gratitude, global awareness, and a renewed commitment to Truth, Unity, and Love.

These journeys reflect Villanova Prep's commitment to forming young men and women who are prepared not only to succeed in the world, but to lead, serve, and make a difference wherever their journeys take them.

Augustinian Grant

A Welcome Worthy of Our Home
Campus Signage and Beautification Project

For over one hundred years, Villanova Prep has welcomed students, families, and friends to our corner of the Ojai Valley. This year, thanks to a $95,000 grant from the St. Augustine Foundation, we are ensuring that our campus greets the world as warmly as we welcome those who walk through it.

THE ST. AUGUSTINE FOUNDATION

Villanova sits on State Route 33/North Ventura Avenue, the main road into the city of Ojai, where more than 21,000 cars pass each day. When the school's entrance moved to East Villanova Road in 2005 for safety reasons, the original gate, stucco walls, and wooden highway sign remained. Over the years, that abandoned entrance has come to say less and less about the vibrant community living and learning behind it.

The grant allows us to change that. Our maintenance team will remove the old gate and walls and refresh the landscaping along the highway. In their place, a new monument-style sign will stand at the intersection of North Ventura Avenue/State Route 33 and East Villanova Road, visible to travelers both entering and leaving Ojai. Ventura County has given preliminary approval for the sign, and we look forward to completing the entrance by the year-end.

The project also reaches inside our gates. New wayfinding directory signs and building identification signs will guide prospective students, parents, and guests across campus, so that every visitor knows where to go and knows when they have arrived. For many families, the first walk across our campus is the beginning of a lifelong relationship with Villanova. It should feel clear, gracious, and welcoming from the first step.

At Villanova, we believe that welcoming one another with open hearts is part of that journey. We are deeply grateful to the St. Augustine Foundation for its generosity and for sharing our hope that all who come to our campus will find truth, unity, and love waiting for them.

Rooted Stewardship

Holistic Grazing Takes Root at Villanova

This year, an unexpected group of helpers arrived at Villanova Prep, and they came with four legs and a healthy appetite. Thanks to the vision of current parent Celine Moomey Ford P'29, Villanova partnered with the Ojai Valley Fire Safe Council, which secured a grant to bring 300 goats and sheep to campus. For several weeks, they quietly cleared brush and dry grass, helping to protect our students, our buildings, and our beloved Ojai Valley from the threat of wildfire.

Before the herd arrived, the Fire Safe Council and the Ventura County Fire Department worked alongside us on the first phase of our fire prevention efforts. Dead, dying, and hazardous trees were removed, and others were thinned and trimmed around the interior and perimeter of campus. The result is a more open and airy landscape, and one that is far safer.

The second phase put the herd to work. Shepherdess Land and Livestock began at the north end of campus near Ventura Avenue and Hermosa Road, then moved steadily south past the baseball field to the watershed and up to the main gate. The herd grazed inside an electric enclosure that shifted as each area was cleared, and a shepherd, assisted by a border collie, stayed on campus around the clock. Together they created a protective buffer around our community, one carefully grazed section at a time.

Just as valuable as the work itself was what it taught us. The shepherds and the Fire Safe Council welcomed our middle and high school students to ask questions and learn about prescribed grazing, sustainable ranching, and the care of the land. For many, it was a rare chance to see science, service, and stewardship come together right outside their classroom doors.

We are deeply grateful to the Ojai Valley Fire Safe Council, the Ventura County Fire Department, and Shepherdess Land and Livestock for their partnership and expertise.

Middle School

Where It All Began
Our First Middle School Class Completes Its Journey

When Villanova Prep announced in 2022 that we would open a middle school, we spoke of our confidence in providing the intellectual, spiritual, moral, and personal education that matters so much in the formative middle school years. This year, we celebrate the first students to see that promise through, as our first graduating class to attend all three years of Villanova's middle school.

These students wrote the first chapter of our middle school story. They were the first to walk our halls as middle schoolers, the first to build traditions that will be handed down to those who follow, and the first to show what a Villanova middle school education can be. Along the way, they were challenged and stimulated in an environment designed to develop the whole person: mind, heart, and body.

The opening of the middle school was the latest chapter in a long story of a school that has always responded to the needs of its community. Over the course of a century, Villanova has grown from an all-boys boarding school to a day school, to a co-ed day school, and eventually to a co-ed boarding school. Each step was taken with the same purpose: to serve families with an education rooted in faith and tradition.

The community has answered with enthusiasm. Middle school enrollment has grown every year since we opened, and we now have a waitlist for admission. Families across the Ojai Valley have shown how much they value a traditional, faith-based education for their sons and daughters during these important years.

Our first middle school graduates have shown what it means to grow in truth, unity, and love. They leave behind a foundation on which every future class will build. We are so proud of these students, thankful for the families who trusted us with them, and hopeful for all that lies ahead.

Parent Auction

Monte Carlo Royale
Rolling the Dice for a Brighter Future

On March 28, 2026, Villanova Prep transformed its gymnasium into a glamorous casino-inspired evening for Monte Carlo Royale, bringing together more than 250 parents, alumni, and friends for an unforgettable evening of celebration, connection, and support for our students.

The evening came to life with casino games, cocktails, dinner, dancing, and an incredible live auction featuring experiences and treasures that had guests eagerly raising their paddles. Among the evening's highlights was a Private Chef Dinner and Wine Pairing with Father Barnaby, so popular it sold out twice. Guests also competed for Jack Johnson concert tickets and a signed Green Day bass guitar, adding a little star power and rock-and-roll spirit to the night.

We are especially grateful to Visionary Solutions, our top sponsor, whose generous partnership helped make Monte Carlo Royale possible. Their support, along with that of our many sponsors, auction donors, volunteers, and members of the Villanova community, helped create an extraordinary evening and strengthen the event's impact.

The evening raised an extraordinary $173,994, the highest-grossing Parent Auction in Villanova's history. These funds help support the many opportunities that make a Villanova education distinctive, from scholarships and academic programs to the arts, music, athletics, campus ministry, student programs, and meaningful experiences beyond the classroom.

Special thanks go to our Parent Auction co-chairs, Amy Logsdon P'31, P'33 and Jeri Washburn P'26, whose leadership, creativity, and countless hours of dedication brought the vision of Monte Carlo Royale to life. We are also grateful to the many volunteers who contributed their time, talent, and support.

More than a night of games and celebration, Monte Carlo Royale reminded us what is possible when the Villanova community comes together. Every ticket purchased, sponsorship secured, paddle raised, and gift made helps create opportunities for our students today and strengthens Villanova's future tomorrow.

It was truly a winning night for Villanova, and we are grateful to everyone who made it possible.

The Wildcat Journey Continues

Two Generations, One Villanova

There is a particular joy in seeing a former student walk back through our doors as a parent. This year, we asked our alumni families what it means to share Villanova with their own children. Their answers speak to a school that has changed in many ways and remained the same in the ways that matter most.

Justin ’01, P’29 and Kristin (Coleman) ’01, P’29 Haase

After 26 years together and nearly 20 years of marriage, high school sweethearts Justin and Kristin Haase are watching a new chapter unfold as their daughter, Kara ‘29, makes her own memories on the campus where it all began.

“Walking through the doors of Villanova, especially Austin Hall, brought back so many wonderful memories. I reflect on how far I’ve come since my days of walking these halls as a student. My academic journey truly began at this school, where I learned the importance of applying myself and began to take my studies seriously. The foundation I built at Villanova carried me through college, two master’s programs, and ultimately to my doctoral degree. Looking back, I realize how much this school shaped the person and student I became. It’s also why I chose to bring my own children back to Villanova—to give them the same strong foundation, opportunities, and memories that have stayed with me throughout my life.” – **Kristin Haase ’01, P’29**

“Seeing our daughter become a student at Villanova is truly a dream come true. My years at Villanova hold so many great memories, and my wife and I always knew that if we were lucky enough to have a family, we would hope our children would one day walk these same halls. We have worked hard to make that dream a reality, not only because of the special place Villanova holds in my heart, but because of the values, traditions, and sense of community it represents. Watching our daughter begin her own journey at a school that helped shape mine, is incredibly meaningful. It is a privilege to see her create memories of her own while carrying forward a tradition that means so much to our family.” – **Justin Haase ’01, P’29**

Michael McKinney ’98, P’28, P’31

Michael McKinney has the unique experience of being a Villanova parent in both the middle school and the high school. His children, Molly ‘28 and Jack ‘31, have just begun their third year on campus, and he says their experience so far has been overwhelmingly positive.

“Returning to Villanova as a parent has been both exciting and deeply meaningful. While I knew my kids would receive an excellent, college-ready education, I was even more eager for them to build their own friendships, shared experiences and unique connection to the school.” – **Michael McKinney ’98, P’28, P’31**

Celebrating Legacy

Announcing The Baker Family Endowed Scholarship

We are deeply grateful to announce the establishment of The Baker Family Endowed Scholarship, created to support deserving students in receiving a transformative education rooted in faith, community, and service.

For over four decades, the Baker family has remained an integral part of our community. Reflecting on their journey and the lasting impact of their relationship with the school, Mary Baker P'84, P'86 shared:

"Both our sons, Joe '84 and Mike '86 came to VPS after receiving their elementary education at St. Thomas Aquinas Parochial School in Ojai. Becoming acquainted with the Augustinian Community in those years was instrumental in our choosing VPS for their continued education. Not only did they receive a sound academic education, they learned the importance of service to others, (with a foundation in faith), forming lasting relationships and the importance of belonging to an extended family.

Leave Your Own Legacy

Endowed scholarships ensure that future generations of students continue to experience the catalyst of a Villanova education. If you are interested in leaving a lasting legacy or creating a named endowment that reflects your family's values, we would love to partner with you.

To learn more about planned giving, establishing an endowed scholarship, or including Villanova in your long-term financial planning, please contact our Development Department at development@villanovaprep.org.

During the years at VPS and in many years to follow, our entire family received continued mentorship and guidance from Father Walter Vogel, OSA (d), Father Thomas Mahoney, OSA (d), faculty member Bill Snively P'93 and several others. Many of the Augustinians we valued, loved and respected are deceased, but they are the 'gift that keeps on giving'. After four decades we continue to develop new relationships at Villanova and offer our support in all their endeavors. Our family is grateful to the Augustinians, faculty and staff for their continued dedication to students past and present. Both of our sons have gone on to live productive lives and have successful careers and we feel strongly that their education at Villanova was the catalyst. Additionally, we get a sense of welcome and appreciation whenever we visit the campus and it is our hope to see you there in the future." — **Mary Baker P'84, P'86**

Ways to Support Villanova Prep

Cash & Direct Gifts

Immediate, tax-deductible support for academic programs, student financial aid, and essential campus enhancements.

Gifts of Appreciated Stock

Donate stock held over one year to avoid capital gains taxes while receiving a charitable tax deduction for its full fair market value.

Planned & Legacy Giving (Bequests)

Include Villanova Prep in your will or estate plan to extend your impact beyond your lifetime and ensure future generations receive a transformative Augustinian education.

Matching Gift Challenges

Multiply your contribution by participating in employer corporate matching programs or matching challenges.

Endowments & Named Scholarships

Establish enduring support that secures the school's long-term financial future and provides dedicated financial assistance to students.

Alumni Career Day Speakers

Conversations › Insights › Connections

Villanova's Career Day Speaker Series connects current students with alumni who generously share their professional journeys, insights, and life lessons. This year, six alumni representing a range of industries returned to campus to share their experiences, challenges, and advice on finding purpose and pursuing a meaningful career.

Through candid conversations and thoughtful questions, students gained a firsthand look at the possibilities beyond Villanova and inspiration as they begin envisioning their own futures. The program is a powerful reminder that the Villanova experience extends well beyond graduation, creating connections between generations of Wildcats and inspiring the next generation to lead, serve, and thrive.

Molly Peart '20
Social Media and Marketing

Molly Peart is a Villanova alumna passionate about storytelling, media, and community engagement. After graduating from Villanova Prep as an International Baccalaureate scholar, student-athlete, and ASB Commissioner of Athletics, she earned her degree in News Media with a concentration in Sports and a minor in Creative Writing from the University of Alabama, graduating summa cum laude.

Molly's career has spanned sports journalism, live entertainment, and digital media. She has worked as a sports anchor and reporter, an in-stadium emcee for the Birmingham Barons, and now works in social media and marketing. She managed social media strategy and video production at Upmarket Media in Ventura and also served as a Rams Ambassador at SoFi Stadium. In 2025, Molly returned to Villanova Prep professionally, joining the school as its Coordinator of Marketing and Communications, where she helps share the stories and experiences that make the Villanova community special.

Molly credits Villanova Prep with helping shape her leadership, creativity, and drive. She returned to campus to share her experiences with students and encourage them to explore their own career journeys with curiosity and confidence.

Dr. Amanda Jihyun Won '09
Government Service and National Security

Dr. Amanda Jihyun Won is a scholar and national security professional whose career spans government, nonprofit organizations, academia, and international affairs. She holds a doctorate in Statecraft and National Security from The Institute of World Politics, where she served as Director of the China/Asia Program, taught graduate students, and launched programs connecting students with experts in Asian affairs and the U.S. intelligence community.

Amanda's academic background also includes graduate degrees from the Pratt Institute and Johns Hopkins University, as well as a bachelor's degree in Fine Arts from the School of the Museum of Fine Arts and Tufts University. Her professional experience included roles with the New York City Council, the New York City Mayor's Office for International Affairs, and the U.S. Committee for Human Rights in North Korea.

At the time of Career Day, Amanda was a selectee for direct commission in the U.S. Army as a Captain and Military Government Specialist, bringing together her academic expertise, international experience, and commitment to public service. She shared her experiences with Villanova students, offering insight into careers in national security, international affairs, and service.

Dr. Brian McKinney '00
Psychiatric Medicine

Brian McKinney has a longstanding connection to Villanova, with multiple generations of his family continuing the Wildcat tradition. After Villanova, Brian initially pursued screenwriting at Chapman University before transitioning to finance. He later followed his passion for medicine, earning his medical degree from Creighton University and completing a Psychiatry residency at the University of Nevada School of Medicine.

Brian's career has included emergency psychiatry, medical leadership, forensic psychiatry, and healthcare administration.

He earned a Master of Healthcare Administration from Harvard University and now works with the Los Angeles County Department of Mental Health.

Brian credits Villanova with helping shape who he is today. A four-year varsity soccer and baseball player, he formed lifelong friendships and carries many fond memories of his time on campus. He enjoyed returning to Villanova to share his journey and inspire students to explore the challenging and rewarding field of medicine.

Thomas Tempske, J.D. '72
U.S. Coast Guard and Laboratory Scientist

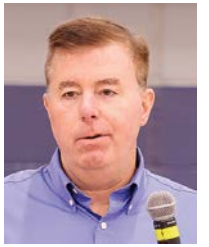

Tom Tempske has built a distinguished career rooted in service, science, and public health. After graduating from St. John's Military Academy in 1968 and Villanova in 1972, Tom began his career with the U.S. Coast Guard, including service at the Coast Guard Training Center in Petaluma. He later earned a degree in microbiology from Sonoma State University with honors and distinction.

Tom's career in clinical laboratory science spanned more than four decades and included work in clinical and forensic toxicology, laboratory consulting, regulatory compliance, and public health. He held leadership roles with the California Department of Public Health and the U.S. Food and Drug Administration, conducting inspections and overseeing regulatory programs involving clinical laboratories, blood banking, IVF, stem cells, and bone marrow transplantation.

Following his retirement from the California Department of Public Health in 2012, Tom continued sharing his expertise through laboratory consulting, international education, and two published books on California laboratory and biologics laws. He has taught laboratory science and regulatory compliance internationally and served as a keynote speaker on laboratory quality control and bioethics.

Tom's commitment to service continues through the U.S. Coast Guard Auxiliary, where he participates in marine patrols, search and rescue, pollution control, and aviation operations. His remarkable career reflects a lifelong dedication to science, service, and making a difference.

To learn more about Villanova's Career Day Speaker Series, visit villanovaprep.org/alumni/career-day-speakers.

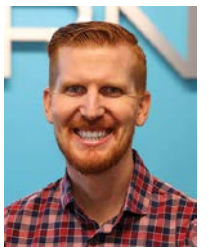

William Rose '88
Military, FBI Special Agent, Retired and Author

A Villanova graduate from the Class of 1988, this alumnus credits the study skills he developed at Villanova with helping him succeed in college and later at the FBI Academy, where rigorous written examinations were a critical part of his training.

After a career as an FBI agent in Southern California, he turned his professional experience into a book, Less Tagging More Killing, exploring gang culture, criminal activity, and law enforcement strategies in Ventura County and surrounding communities. His research drew on years of investigative experience and conversations with local law enforcement professionals, as well as an extensive analysis of gang activity across the region.

His journey from Villanova student to FBI agent and author demonstrates how the skills developed in the classroom can continue to serve alumni throughout their careers. He returned to Villanova to share his experiences with students and offer a firsthand look at a career in federal law enforcement and criminal investigation.

Dr. Ryan Kudla '06
Cosmetic Chemistry and Educator

Dr. Ryan Kudla has built a unique career at the intersection of science, innovation, and the beauty industry. After earning his Ph.D. in Physical Chemistry from the University of California, Riverside, he transitioned from solid-state NMR spectroscopy into cosmetic chemistry, developing skin, hair, and over-the-counter products before becoming a Technical Manager and later an Account Manager at Barnet Products.

A leader in the cosmetic science community, Ryan has served as Education Chair and Chapter Chair of the California Society of Cosmetic Chemists. He helped establish the first chemistry-focused cosmetic chemistry certificate program on the West Coast and continues to teach courses in introductory cosmetic chemistry and product development. He has also helped create scholarship opportunities for students interested in careers in the cosmetic industry.

Outside of his professional work, Ryan is an avid dirt-bike racer who has competed internationally and represented the United States three times. His diverse career reflects the ways a strong foundation in science can lead to unexpected and rewarding opportunities.

Alumni Reunion BBQ 2026

Coming Home – Celebrating the Villanova Alumni Community

There is something special about coming home. This year's Alumni Reunion Weekend brought generations of Wildcats back to campus to reconnect with classmates, revisit cherished memories, and celebrate the enduring bonds that make Villanova more than a school.

The weekend began with the Class of 1976 Luncheon, bringing together alumni celebrating their milestone 50th reunion. In a warm and intimate setting, classmates shared stories, reflected on their years at Villanova, and celebrated friendships that have lasted decades. Their return was a beautiful reminder that the connections formed here continue long after graduation.

On Saturday, the Alumni Reunion BBQ welcomed graduates from across the decades for an afternoon of food, music, campus tours, and plenty of time to catch up with classmates, faculty, and friends. We were proud to welcome alumni representing 38 graduation classes, from the Class of 1953 through the Class of 2025, spanning more than seven decades of Villanova history and Wildcat pride.

The weekend was filled with memorable moments, including a special tasting of a new beer brewed by the Augustinian Brewery in San Diego. Rooted in our shared Augustinian tradition, it offered a fitting way to raise a glass to the community that still connects us.

For alumni from the Classes of 1976 and 1986, returning to campus took on an even more nostalgic meaning. Some stayed in the dorms for the first time since their graduation, revisiting the places that once shaped their daily lives as students. Walking familiar halls, sharing old stories, and waking up on campus again created a powerful reminder of just how deeply Villanova becomes part of who we are.

Across generations, alumni gathered for class celebrations, explored familiar landmarks, shared memorabilia, and simply enjoyed being together. These moments reflected something at the heart of the Villanova experience: the relationships we build here have a way of lasting a lifetime.

We are grateful to every alumnus and alumna who returned to campus and helped make this reunion so meaningful. Your continued connection, enthusiasm, and support strengthen the Villanova community and help ensure that today's students will one day have the same opportunity to look back on their Villanova years with pride and gratitude.

The reunion may have lasted a weekend, but the connections it celebrated last a lifetime. We look forward to welcoming you home again on June 12, 2027!

2025-2026 Donors
