

MarcoPolo

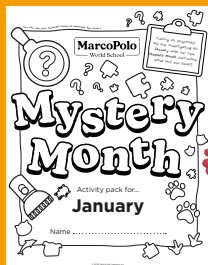

World School

**Engage families with an
award-winning learning app.**

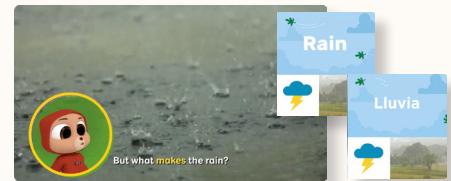

Loved by parents, trusted by teachers!

Perfect for family childcare, home schooling and community outreach.....get the content trusted by thousands of schools in a low-cost single-user app solution.

Key Features

- **Curriculum-aligned Content:** World School content aligns and supports the units of study for most major ECE curriculums including The Creative Curriculum®, Frog Street®, HighScope® and many others...
- **Multilingual content:** Toggle between English, Spanish, Chinese and Haitian Creole content.
- **Highly engaging:** Adorable Polos characters take children on learning adventures, bringing the world to their homes.
- **Thousands of learning games:** World School provides thousands of literary and math games that pair with the topics they love.
- **Promotes Adult-Child talk:** MarcoPolo Let's Talk® is a unique feature that promotes high-quality talk between adult and child.
- **Data insights:** We provide administrators with app statistics including enrollment and usage data.

Many uses

- **Family Childcare:** World school provides family childcare providers with trusted content and learning games an easy-to-use app experience.
- **Community Outreach:** Provide your community with a premium learning app. (\$90 retail value deeply discounted to schools).
- **Home schooling:** Homeschoolers love rich resources that make their learning come alive.
- **Co-branded partnerships:** We produce custom co-branded Access Cards to pair with book initiatives,
