VIETNAM BY LUXURY TRAIN

Journey from the vibrant heart of Saigon (Ho Chi Minh City) to the historical elegance of Hanoi aboard S Journey's luxury private train. Along the way, discover Vietnam's ever-changing landscapes — from golden beaches and ancient Cham towers to imperial citadels and mystical karst valleys.

LIFE ONBOARD

The S Journey train features 13 carriages, including 10 sleeper carriages and 2 bistro carriages, with a maximum capacity of 60 passengers per journey. Its design is heavily influenced by the Indochine style, reminiscent of the golden age of travel in the 1930s, when luxury trains like the Trans-Indochina connected different regions of Southeast Asia. This timeless aesthetic blends nostalgia with modern elegance, recreating the romance of classic train journeys while offering contemporary comforts.

CLASSIC TWIN/DOUBLE CABINS

Beautifully appointed ensuite cabins, set out with either twin beds or a double bed, allow you to relax in comfort as the charm of Vietnam unfolds beyond your window. Furnishings include a table and chairs, and storage solutions to ensure a clutter-free living space.

EXCURSIONS

Daily off-train excursions are led by expert guides, exploring the culture, history and captivating landscapes you are travelling through. Immersive experiences include visits to traditional artisans and dining on local specialties, complemented by onboard activities such as cooking classes.
