October is Person-Centered Care (PCC) Month

Together, Advancing Person-Centered Care

Join a Global Movement Dedicated to Advancing Person-Centered Care

October is Person-Centered Care (PCC) Month, a global initiative that advances care that places people at the center of every decision, interaction, and experience.

Throughout the month, patients, staff members, caregivers, and families come together to celebrate, learn, connect, and take action to advance Person-Centered Care in their organizations and communities. PCC Month is a global initiative led by Planetree to advance person-centered care and showcase innovations, share learnings, and create connections.

PCC Month

Throughout October, we'll explore how Person-Centered Care (PCC) comes to life through:

- PCC Global Forum 2026
- Educational webinars
- Insightful podcasts
- Shareable resources

Each week, we will focus on one group at the heart of Person-Centered Care.

Week 1: Patients

What matters most to you?

Oct 4-10

Week 2: Communities

How do we create healthier communities together?

Oct 11-17

Week 3: Staff Members

What helps staff members feel cared for and engaged?

Oct 18-24

Week 4: Caregivers & Families

How can healthcare better support caregivers & families?

Oct 25-31

Person-Centered Care Month

Together, let's celebrate the people at the heart of care and inspire lasting change, one person, one interaction, and one organization at a time.
