SZECHUAN OPERA was founded by passionate co-founders with over 30 years in the hospitality industry, from wholesale to restaurant management. Led by EXECUTIVE CHEF QIU and three expert sous chefs specializing in Fujian, Cantonese, and Szechuan cuisines, the team brings rich regional culinary knowledge to New York's vibrant food scene.

The restaurant's interior blends traditional Chinese design with elegant decor, including Chinese calligraphy and paintings that create a cultural atmosphere. Private dining rooms are available for business meetings, events, and group dining, offering a cozy and culturally immersive experience.

SZECHUAN OPERA takes guests on a culinary journey across three iconic Chinese cuisines, with each dish telling a unique story. The restaurant also offers a Lunch Special catered to local businesses and provides customizable options for dietary preferences. Above all, SZECHUAN OPERA is committed to fostering a warm and welcoming space where guests can share stories, create new memories, and find a "second home" to relax and recharge after a busy day.
