**Further tournament details on the back!**

# What is North Halifax Community Champions League?

The Community Champions League is a community football tournament for children and young people living in Ovenden, Lee Mount, Illingworth, Mixenden, and Pellon. It is a tournament to compete for the Community Champions League Shield!

Teams will compete against each other through a series of group knockout rounds, progressing onto quarter finals, semi finals and the final!

Matches will be five-a-side with a maximum of eight players per team. Players must be **aged 11-18**. Teams can also consist of mixed genders and ages.

**Important:** We require a parent/guardian to be involved as the main contact for teams so we can send further updates and detail on the tournament.

**If you have any questions please email us at [CommunitiesTeam@nhpltd.org.uk](mailto:CommunitiesTeam@nhpltd.org.uk)**
