# GALLERI Testing: Instructions for Providers

**Step 1:** Select the QUEST button at the top of the screen.

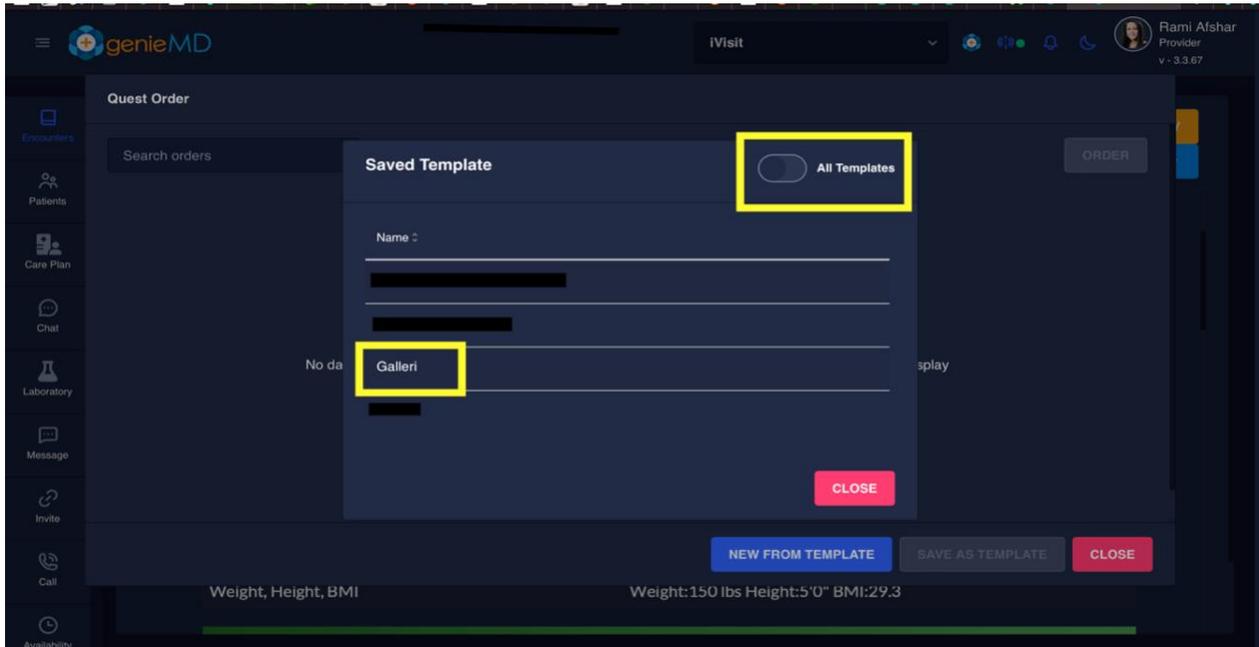

**Step 2:** Select NEW FROM TEMPLATE

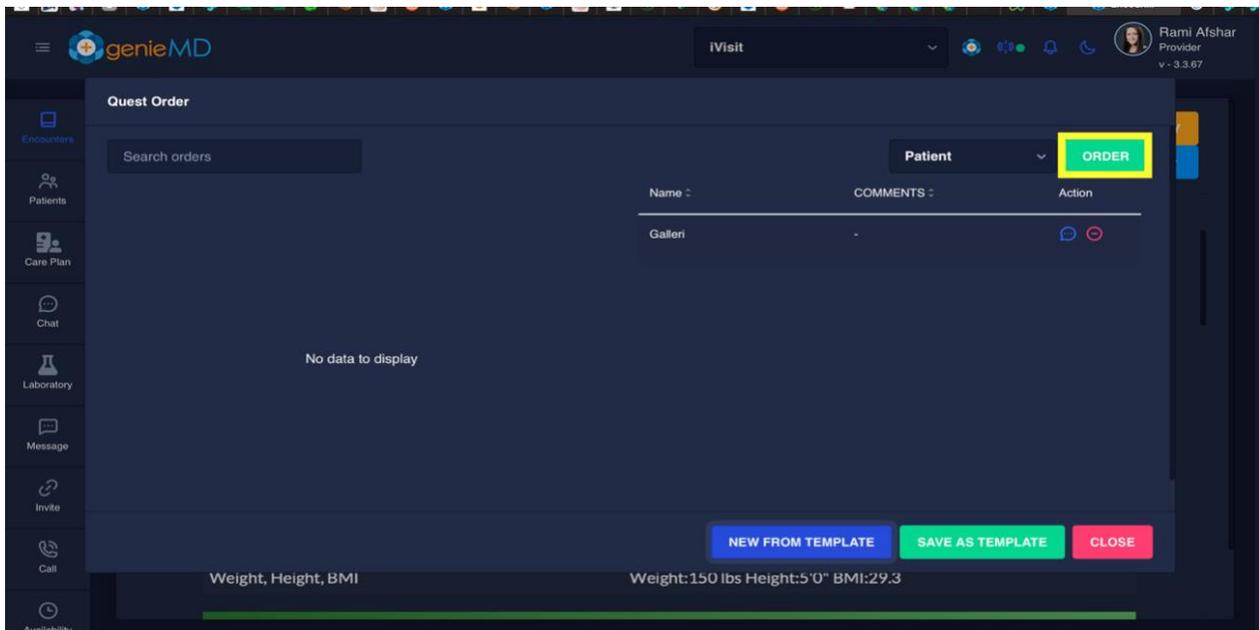

**Step 3:**

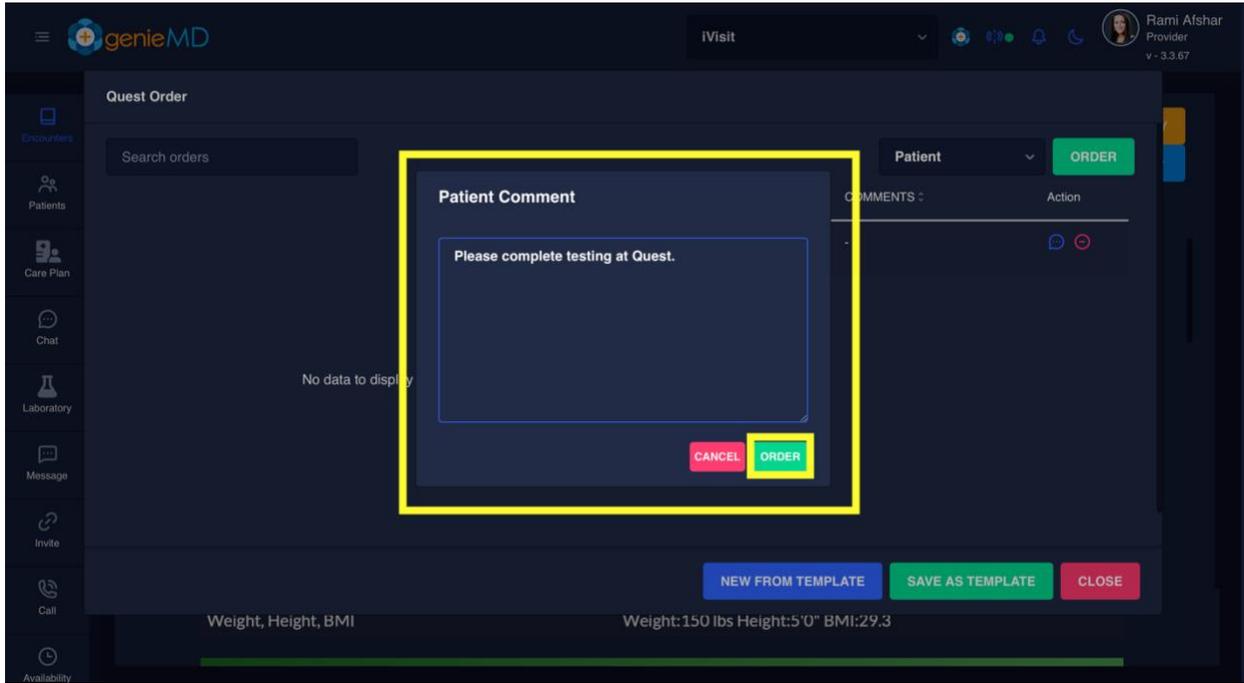

1. Make sure the toggle is switched to ALL TEMPLATES.
2. Select GALLERI then select close.

**Step 4:** Verify that the correct test has been selected and select ORDER.

**Step 5:** In the patient comment you can provide a patient instructions as seen below, the select ORDER.

**STEP 6:**

Once the test is ordered, scroll down to the bottom of the encounter and view the lab order.

| Assessment Question   | Patient Answer                |
|---|-------------------------------|
| Do you currently have active cancer and undergoing treatment? | Yes<br>No                     |
| Provider Private Notes  |                               |
|   |                               |
| Provider Entered Data   |                               |
| Lab Order-1   | <a href="#">View Document</a> |
