Display

Display room status

Quickly identify the status of meeting rooms with the screen's green, yellow or red display.

Check availability

View room reservation schedules and their occupants, and make a booking directly from the screen.

Optimize meeting room usage

Help employees find meeting spaces that suit their needs and facilitate collaboration within the office.

Release rooms in case of no-shows

Define your own set of rules for confirming bookings, and release rooms when employees don't turn up.

Ensure a simple, intuitive experience

The elia touchscreen presents an intuitive interface that ensures a pleasant experience for all employees.
