

# The Gewurz Kindness Team Development Program

Engage your team in a meaningful volunteer experience that builds connection, empathy, and kindness at work.

- Build a culture of kindness and collaboration
- Grow your team through shared learning and empathy
- Make a real impact that reaches beyond the workplace

# ABOUT MADA

A volunteer-based organization, driven by unlimited loving kindness. Through food programs, essentials, and compassionate support, we make a meaningful difference in people's lives every year.

Team work in action

*Nourishing Humankindness for over 30 years*

Mada is proud to be a featured charity and 5-star rated by Charity Intelligence, ranking among Canada's top 100 charities in 2025

**The Gewurz Kindness Team Development Program** is more than team-building. It's a meaningful experience rooted in empathy, learning, and acts of kindness.

At a time when work can feel routine or disconnected, this program invites teams to pause, reflect, and reconnect with each other and with what truly matters.

In just half a day, participants engage in guided learning and volunteer work that builds empathy, strengthens culture, and inspires a renewed sense of purpose.

## Stronger teams, better performance

Empathy-driven experiences lead to deeper trust, better communication, and stronger collaboration back at work.

## Meaningful impact firsthand

Your team immediately contributes to a tangible cause.

## Proven expertise

Over 30 years of fostering community and kindness.
