Architectural Features and Key Characteristics

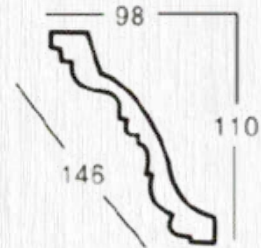

This style can be classified as modern classic or luxury minimalism. Some standout features include:

- **Symmetry and Balance:** Spaces are typically arranged in a symmetrical layout, creating a sense of harmony and formality. Interior elements follow classical proportions, often adhering to the "golden ratio" principle.
- **Fusion of Classic and Contemporary Elements:** Neo-classical interiors simplify classical motifs, combining them with modern furnishings or streamlined forms. This balance bridges historical elegance with contemporary functionality.
