Rio Santo

Welcome to tasty World of
Rio Santo

YONCA FOOD QUALITY, SAFETY & ENVIRONMENTAL POLICY WITH;

“We believe in healthy based products which to build the future on with consistent high quality and continuous satisfaction.”

Yonca Food uses only most selected raw materials preserved in oil or slightly seasoned in a natural way through Yonca Food Industries Inc’s high technology to enhance uniqueness and taste following the Mediterranean culinary tradition.

Behind the brand there is innovative, young and solid Yonca team with more than 40 years of experience on both production and trade. Determining the needs and expectations of the customers, the team provides the continuity on product and service quality. They are in close cooperation with all their suppliers in order to follow-up the “Best Quality Standards” during all the steps to be taken.

The company, creating its own standards in terms of quality since it was established, puts its products into stages of quality control from the entry of raw materials to the delivery of products to consumers. Accordingly, Yonca Food continues its production without depriving itself from quality with its certifications such as ISO 9001 quality management system certification for oil industries and cannery, FSSC 22000 and BRC (Grade A+) and IFS (Higher Level) certificates for canneries.

This made Yonca Food brand fully stands behind Rio Santo’s “Certified Quality” of its products.

YONCA FOOD

EXCELLENCE IN EVERY PRODUCT

For over four decades, Yonca Food has been a leader in the food industry, renowned for producing high-quality products that combine tradition with innovation. Founded in 1981, Yonca started with a vegetable oil production facility in the Manisa Organized Industrial Zone and has since expanded to become a trusted name in both domestic and international markets.

Today, Yonca offers a diverse and comprehensive range of products, including sunflower, corn, canola, and olive oils, as well as tomato paste, canned vegetables, sauces, and pickles. Our products are crafted using the finest ingredients, sourced from reliable local farmers, ensuring superior quality and consistency.

We prioritize strong, long-term partnerships with our suppliers, enabling us to secure the freshest produce and ensure that each product meets the highest standards. Our stringent quality control processes extend across every stage of production - from sourcing to manufacturing - ensuring that only the best products reach our consumers.

Our state-of-the-art facilities incorporate the latest technology to guarantee efficiency, hygiene, and product integrity. Each product is processed in fully automated lines, preserving its natural flavor, texture, and nutritional value. Rigorous testing is conducted to meet both local and international quality certifications, ensuring that Yonca remains a brand synonymous with excellence.

Whether it's our premium oils, tomato-based products, or pickles, Yonca Food stands for consistency, reliability, and unparalleled taste. With a focus on delivering products that meet the highest standards of quality, we proudly serve both our global clientele and local markets, offering both our branded and private-label products.

Discover Yonca Food - where premium quality, innovation, and expertise come together in every product.
