

The material on this website is for information only and provides a high-level overview of Redstone Global Venture ELTIF (the “Fund”). It is not investment, legal, tax or other advice and must not be relied upon as a basis for any investment decision. It is not an offer to sell, or a solicitation of an offer to buy, any units or securities in any jurisdiction where such offer or solicitation would be unlawful.

Information herein may be incomplete, subject to change, and superseded by the Fund’s constitutional and offering documents; in case of discrepancy, those documents prevail. No person is authorised to make statements not contained in the official documentation.

The material on this website contains forward-looking statements based on assumptions that may change. Actual results may differ materially. Investments in alternative assets such as venture capital involve significant risk, including potential total loss.

The Fund may be marketed only where duly notified/allowed under applicable law. Registration with or inclusion in the CSSF list does not constitute any endorsement or positive rating by the Luxembourg regulator.

Units have not been registered under the U.S. Securities Act of 1933 or the Investment Company Act of 1940 and may not be offered, sold, or transferred in the United States or to U.S. persons (as defined in Regulation S). Any representation to the contrary is a criminal offense.

Distribution in the EU is subject to local AIFMD rules and is permitted only to the extent allowed under those laws; investors should ensure they are eligible to subscribe.
