

HELP SHAPE YOUR FUTURE WORKFORCE

South Dakota Biotech is gathering industry input through a **Voice of the Customer Survey** to better understand workforce needs across our region.

Your feedback will help inform:

- Workforce training priorities
- Skills and competencies employers need most
- Industry demand and hiring challenges
- Stronger pathways into biomanufacturing careers

Take the 5-Minute Workforce Survey

<https://bit.ly/41PXvWz>

PRESENTED BY

WHO SHOULD PARTICIPATE?

Industry partners, employers, and professionals involved in biotechnology, biomanufacturing, agriculture, food production, health-related biosciences, and related sectors.

WHY PARTICIPATE?

Your input will directly support the development of workforce training opportunities, including the regional training program at Dakota BioWorx.
